Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.
