In ancient Greek and Roman legend Atlantis was a legendary island realm of the far west which was sunk beneath the ocean by the gods to punish its people for their immorality. The term Atlanteans was also applied by the Greeks to the Phoenician colonies along the Barbary Coast of North Africa--that is, the people living near the Atlas Mountains.

Atlantis - Wikipedia

Because Lemuria and Atlantis were not the only civilisations: large and smaller societies had formed throughout the world over the years. Think of Egypt and Libya, South Africa, Antarctica (back then a continent with Australia's current climate), and a large empire named "Y ü " in Asia. There were also primitive tribes everywhere.
