We're guessing that we have something in common with a substantial number of our readers in that this post is being

written on an open-source operating system. A well-known GNU/Linux ...

Holding A Mirror Up In Front Of

GNU/Linux

Well here we are, we've reached that time of year again at which our yearly ritual of resuscitating small internal combustion engines from their winter-induced morbidity is well under way.

Something To Think About While You're Mowing The Lawn

Found underneath these layers is an almost archeologically sterile unit (Unit V). Unit V has been further documented to be in contact with a thick basal

flowstone (fig. S2).
