La Crosse Technology . About La Crosse. For over 30 years the La Crosse Technology® family of brands has offered a wide variety of easy-to-use products that deliver unsurpassed weather data, atomic time, and an array of features that help make life easier.

The atomic clock and calendar will maintain the correct time and date, and automatically update for daylight saving time to provide the most accurate timekeeping standard possible. When the RCC button, located under the battery compartment cover, is set to ON, the clock will automatically search for the atomic clock signal.
