The phone is not needed for the answering machine to work, but we have the phone plugged in. The answering machine does not ring as a phone would, it does make a beep when it starts recording. You can see how this works in my video. Note that the incoming call ringing comes from my phone that is hooked into the back of the answering machine.

I had an older AT&T 1720 answering system for many years that failed and I bought this used unit, hoping that it would at least be in working order. When I opened it up I noticed battery corrusion, and notified the seller and he refunded the cost and did not even want it returned. So I give the seller credit for honesty.
