Guide and Manual
Instructions for
Beginners
The user guides
above are more
instructional and
for regular users.

Like their larger
siblings, the iPhone
6 and 6S are
essentially the same
device with some
minor changes.
And, just like those
models, the
information is
almost strictly legal
and won't help you
learn how to use the
iPhone.

depth instruction manual for setting up your iPhone, expansion, tips and troubleshooting information, providing not just a useful source of information for the initial setup of your phone, but also providing a focal point to refer back to should you have any other questions as you grow more familiar with your phone. The first thing to consider when you 're setting up your brand new iPhone 8 is how to insert your SIM card.

User Guides:

Internet & Phone
Once the user manual is downloaded to your device, you can select Read as shown above. On your iPhone, after the user manual is downloaded into your iBooks, it should automatically open, tap Read one more time. Don ' t forget to tap the screen in iBooks to show the menus to view at the table of contents, change fonts, and search the user guide.
