Schools of Thought MACMILLAN

Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred. One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to

defend a black man unjustly accused of a terrible crime.

“ This book is a powerful tool to help you access this deeper realm of consciousness and put it to work enriching your life . . . immediately. ” —August Gold, author of *The Prayer Chest* #1 Bestseller in New Age & Spirituality, Graphology, Parapsychology, Handwriting Analysis, Creativity, and Journaling
Janet Conner is a writer, poet, and spiritual field guide, but first and always a deep spiritual soul explorer. Since she discovered how to activate a divine Voice by slipping into the theta brain wave state (border between the conscious and the subconscious) while writing, Janet has dedicated herself to exploring and sharing what it means to live at the vibrant intersection of the visible and the invisible. After hitting rock bottom while escaping domestic abuse, Janet 's inner voice told her to start writing. As she wrote, she gained clarity and strength, and felt an incredible connection to the divine. Today, research scientists are providing peeks into consciousness and how it works. Their findings give clues about what is happening in our bodies, minds, and spirits as we roll pen across paper. *Writing Down Your Soul* explores this research and instructs how to access the power and beauty of our deepest selves. If you want to engage in a vibrant conversation with the wisdom that

dwells just below your conscious awareness, write. Write every day, at approximately the same time, with passion, honesty, and the intention of speaking with and listening to the voice within. "If you think this book is not for you because you are a writer and don't need another writing book, think again!"

—Sherry Richert Belul, author of *Say it Now*
