This is a nice set of Audels with a complete set of 4 volumes printed and copyright in 1923, 1939, 1945, 1951 - printed 1951. One of my favorite reference book sets for information on building and carpentry technics from the 1920's to the 1950's era. The 1st volume is very good for information on tools of that days and how to use and care for them.
