Hi does anyone have a decent
Workshop Manual (Bently
perhaps) that I could pay to
borrow and live in the Plymouth
Area of Devon UK. Also I will
be happy to contribute to the
running cost if someone has a
VCDS system to check under
my bonnet. I have bought a
DTC Reader, but it's Codes that
are AUDI specific that I wish to
check. I am happy to pay
postage etc for the Manual and
will return asap!
