The Pantah Desmodue brought Ducati into the modern world of motorcycles. They were immediately more reliable than the earlier bevels, and established a blueprint that continues today. The proliferation of models is such that it can be difficult to determine the exact specification of an example. This book provides a guide to all of the individual models, their attributes and pitfalls, and what to look for when purchasing. When new, the Ducati Desmodue twins provided state-of-the-art handling and performance, and

they still can.

The Audi TT is one of the few cars which transcends the automotive world, and is applauded for its design per se. Since its launch in early 1999, the TT has been a spectacular sales success, particularly in the UK and the USA. Quattro four-

wheel-drive makes the TT unique amongst the current crop of coupes and roadsters. Nearly six years after it was first unveiled to the press, the car still turns heads, and has inspired a burgeoning aftermarket accessory and tuning industry. This all-color book will fascinate all Audi TT owners and sports car enthusiasts in general.

Ford Cars Veloce Publishing Ltd

This book - the sixth volume in a set covering the Porsche 911 models - is the definitive history of the hugely successful 997-series, with in-depth detail on all the road cars sold around the world, as well as the 997's competition exploits.

**The Renewable Energy Home Handbook** Veloce Publishing Ltd

This book gives an up-close look at Mercedes-Benz roadsters, convertibles, and two- and four-seat coupes from the mid-1950s to present. With roadsters, starting

with the 300SL's from the mid-1950 and continuing through the current SLK's - up to the 2003 model year. Coupes and Cabrios, this book details the 220SEb/300SE cars of 1960 and continues on up to the current CLK's to the 2003 model year. This approach better serves those who are in the market for "personal cars" by not spreading the book too thin to cover the entire Mercedes-Benz lineup. Explore all the traditional elements of the Buyer's Guide series, such as the basic histories of each model or model type, Garage Watch photos with inset photo callouts, tables of common replacement parts, quotes from contemporary magazine reviews, owner testimonials, rating charts, and specification tables.
