invoice prices and reviews for new cars, and
includes standard and optional equipment,
specifications and reviews, and buying and
leasing advice. A toll-free car buying service is
also offered.

Edmunds.com Used Cars & Trucks Buyer's
Guide 2004 Edmunds Publications

As U.S. and Canadian automakers and dealers
face bankruptcy and Toyota battles
unprecedented quality-control problems, Lemon-
Aid guides steer the confused and anxious buyer
through the economic meltdown unlike any
other car-and-truck books on the market. Phil
Edmonston, Canada ' s automotive "Dr. Phil"
for more than 40 years, pulls no punches. In this
all-new guide he says: Chrysler ' s days are
numbered with the dubious help of Fiat. Electric
cars and ethanol power are PR gimmicks. Diesel
and natural gas are the future. Be wary of

"zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz – rich cars, poor quality. There ' s only one Saturn you should buy. Toyota – enough apologies: "when you mess up, ' fess up."

Lemon-Aid New Cars and Trucks 2011
Edmunds Publications
Features include MSRP and dealer invoice prices, specifications and reviews, standard and optional equipment, and buying and leasing advice. Readers get access to toll-free car-buying service.

Edmunds.com New Cars & Trucks Buyer's Guide 2003 Edmunds Publications

Lists manufacturers' suggested retail and dealer invoice prices for all models, foreign and domestic, along with information on standard and optional equipment, specifications and reviews, and buying and

leasing advice.

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the

issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.

Edmunds New Cars & Trucks Buyer's Guide 2006 Annual Edmunds Publications Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to

behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation) Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway) Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade ago You can save \$2,000 by cutting freight fees and "administrative" charges Diesel annual urea fill-up scams can cost you \$300, including an \$80 "handling" charge for \$25 worth of

ureaLemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki
