Balances Homework Solutions

The recorded balances reflect the true underlying economic value of the cash and cash equivalents.

Presentation and disclosure. Cash is properly classified on the balance sheet and adequate disclosure has been made in the notes to the financial statements. In the audit of cash, we usually focus more on the existence and completeness assertions as we concern more about whether the cash does actually exist and that cash transactions that should have been recorded have

actually been recorded.

audit tests are as
follows: Confirm
cash balances;
Vouch reconciling
items to the
subsequent
month's bank
statement; Ask if
all bank accounts
are included on the
general ledger;
Inspect final
deposits and
disbursements for
proper cutoff; The
auditor should
send confirmations
directly to the
bank.
