audit.myworkpapers.co.uk

By Maire Loughran Part
of your job as a staff
associate in an auditing
firm is to document your

findings in working papers (also known as workpapers) and schedules. Workpapers summarize your audit actions, such as planning the audit. Schedules show what steps you take to reach a conclusion.

MyWorkpapers

Audit working papers are used to document the information gathered during an audit. They provide evidence that sufficient information was obtained by an auditor to support his or her opinion regarding the underlying financial statements. Working papers also provide evidence that an audit was properly planned and supervised.
