the perfect summer read - sea, sand and sizzling romance. What more could you want?
Random House

Since the death of his wife seven years ago, documentary maker Aoyama has not dated anyone else. Now even his teenage son, Shige, thinks that he should remarry and his best friend Yoshikawa comes up with a plan: to hold fake film auditions from which, he can choose a new bride. Of the thousands who apply, it is a beautiful ballerina, Yamasaki Asami, who captivates Aoyama. Infatuated by her fragile nature and nervous smile, he ignores his increasing sense of unease, putting aside his doubts about his new love, until it may be too late... In Audition, Ryu Murakami delivers his most subtly disturbing novel yet, confirming him as Japan's master of the psycho-thriller.

A Reading of Murakami Haruki, Yoshimoto Banana, Yoshimoto Takaaki and Karatani Kojin Berkley Trade

'69' is a roman de clef about coming of age during a time that left its mark on baby boomers around the world, and a certain amount of intrigue for their children - a time when they really believed they could change the world before it changed them.

A Novel BEYOND BOOKS HUB

Dimos Horacki is a Borolian journalist and a cynical patriot, his muckraking days behind him. But when his newspaper ships him to the front, he's embedded in the Imperial Army and the reality of colonial expansion is laid bare before him. His adventures take him from villages and homesteads to the great refugee city of Hronople, built of glass, steel, and stone, all while a war rages around him. The empire fights for coal and iron, but the anarchists of Hron fight for their way of life. A Country of Ghosts is a novel of utopia besieged and a tale that challenges every premise of contemporary society.

Tokyo Decadence Pushkin Press

In a small, inconsequential city in Japan, all that matters to 17-year-old Kensuke Yazaki and his friends is girls, rock music and, to a much lesser extent, school. Told at high speed and with irresistible humour by Kensuke himself, this is the story of their 1969, as they engage in heated conversations about Marxism, Rimbaud, Godard, the Beatles and the Stones, set up a barricade in their school, organise a rock festival and map out a highly successful strategy in girl-winning. This is a young Japan entirely turned towards the West,

pervaded by Western music, where the girls have nicknames pulled from famous British films, but still locked in a fight with the rigid post-war conservatism of the older generation.

55 Stories. 55 Words Each. No More. No Less. HarperCollins UK

Lovely young Jillian Cole seems an ideal candidate to take care of older adults, but in town after town, her charges have a mysterious way of dying

A Novel Vintage

55 stories. 55 words each. No more. No less. Enjoy this collection of flash fiction with a sinister twist. Size does matter in these delightfully tiny tales populated with narcoleptic drivers, bickering backers, suspicious spouses, and other memorable characters. Full of dark humor, intrigue, and absurdity, this collection of slightly sinister (and occasionally sweet) stories delivers a bite-size reading experience to satisfy any literary craving.

The Big Rewind A&C Black

This controversial novel touched the raw nerves of the Japanese and became a million seller within six months of publication. It is a semi-autobiographical tale of the author's youth spent amidst the glorious squalor of sex, drugs and rock 'n' roll in 1970s Japan. Almost Transparent Blue is a brutal tale of lost youth in a Japanese port town close to an American military base. Murakami's image-intensive narrative paints a portrait of a group of friends locked in a destructive cycle of sex, drugs and rock'n'roll. The novel is all but plotless, but the raw and

From the Fatherland, with Love W. W. Norton & Company

A powerful and emotional debut thriller perfect for fans of It by Stephen King, The Chalk Man by C. J. Tudor and the TV show Stranger Things.

Revenge Simon and Schuster

"A master crime writer . . . Seicho Matsumoto's thrillers dissect Japanese society."—The New York Times Book Review "A stellar psychological thriller with a surprising and immensely satisfying resolution that flows naturally from the book's complex characterizations. Readers will agree that Matsumoto (1909–1992) deserves his reputation as Japan's Georges Simenon."—Publishers Weekly. While on a business trip to Kobe, Tsuneo Asai receives the news that his wife Eiko has died of a heart attack. Eiko had a heart condition so the news of her death wasn't totally unexpected. But the circumstances of her demise left Tsuneo, a softly-spoken government bureaucrat, perplexed. How did it come about that his wife—who was shy and withdrawn, and only left their house twice a week to go to haiku meetings—ended up dead in a small shop in a shady Tokyo neighborhood? When Tsuneo goes to apologize to the boutique owner for the trouble caused by his wife's death he discovers the villa Tachibana near by, a house known to be a meeting place for secret lovers. As he digs deeper into his wife's recent past, he must eventually conclude that she led a double life... Seicho Matsumoto was Japan's most successful thriller writer. His first detective novel, Points and Lines, sold over a million copies in Japan. Vessel of Sand, published in English as Inspector Imanishi Investigates in 1989, sold over four million copies and became a movie box-office hit.

Sixty-Nine Picador

While on the trail headed West, Low Down nurses a band of travelers through the box and ends up in an arranged marriage to an admittedly handsome man. Original.

Almost Transparent Blue ?????? ????????

This fantastically varied and exciting collection celebrates the great Japanese short story, from its modern origins in the nineteenth century to the remarkable works being written today. Short story writers already well-known to English-language readers are all included here - Tanizaki, Akutagawa, Murakami, Mishima, Kawabata - but also many surprising new finds. From Yuko Tsushima's 'Flames' to Yuten Sawanishi's 'Filling Up with Sugar', from Shin'ichi Hoshi's 'Shoulder-Top Secretary' to Banana Yoshimoto's 'Bee Honey', The Penguin Book of Japanese Short Stories is filled with fear, charm, beauty and comedy. Curated by Jay Rubin, who has himself freshly translated several of the stories, and introduced by Haruki Murakami, this book will be a revelation to its readers.

Sixty-Nine Anchor

"It's not just Murakami but also the shadow of Borges that hovers over this mesmerizing book... [and] one may detect a slight bow to the American macabre of E.A. Poe. Ogawa stands on the shoulders of giants, as another saying goes. But this collection may linger in your mind -- it does in mine -- as a delicious, perplexing, absorbing and somehow singular experience." -- Alan Cheuse, NPR
Sinister forces collide---and unite a host of desperate characters---in this eerie cycle of interwoven tales from Yoko Ogawa, the critically acclaimed author of *The Housekeeper and the Professor*. An aspiring writer moves into a new apartment and discovers that her landlady has murdered her husband. Elsewhere, an accomplished surgeon is approached by a cabaret singer, whose beautiful appearance belies the grotesque condition of her heart. And while the surgeon's jealous lover vows to kill him, a violent envy also stirs in the soul of a lonely craftsman. Desire meets with impulse and erupts, attracting the attention of the surgeon's neighbor---who is drawn to a decaying residence that is now home to instruments of human torture. Murderers and mourners, mothers and children, lovers and innocent bystanders---their fates converge in an ominous and darkly beautiful web. Yoko Ogawa's *Revenge* is a master class in the macabre that will haunt you to the last page. An NPR Best Book of 2013

A Country of Ghosts Vintage

Both startlingly restless and immaculately compact, *Manazuru* paints the portrait of a woman on the brink of her own memories and future. Twelve years have passed since Kei's husband, Rei, disappeared and she was left alone with her three-year-old daughter. Her new relationship with a married man—the antithesis of Rei—has brought her life to a numbing stasis, and her relationships with her mother and daughter have spilled into routine, day after day. Kei begins making repeated trips to the seaside town of *Manazuru*, a place that jogs her memory to a moment in time she can never quite locate. Her time there by the water encompasses years of unsteady footing and a developing urgency to find something. Through a poetic style embracing the surreal and grotesque, a quiet tenderness emerges from these dark moments. *Manazuru* is a meditation on memory—a profound, precisely delineated exploration of the relationships between lovers and family members.

Popular Hits of the Showa Era: A Novel Catapult

Fiction. First published in 1989, this long-neglected cult classic features revisions, and a new afterword, by the author. "A novel as mysterious, beautiful, sad and frightening as contemporary American childhood itself—and, fortunately, a good deal funnier. Bradfield's

California is haunted by vast primordial Lovecraftian forces—death, sex, credit cards, Mom—which threaten always to emerge from their ancient hiding places and engulf the world and the narrator, eight-year old Phillip and his preteen Karamazov friends. Those who think they know all about California and Oedipal drives will here discover the true extent of their ignorance. The thing is indescribable—violent, hallucinatory, comic and incredibly well written. Scott Bradfield has not simply staked out new literary terrain here, he has mapped and colonized an entire new plant."—Michael Chabon "If you spot it, grab it."—J.G. Ballard

Piercing Audition

"Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves—it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling." -B.R. Yeager, author of *Negative Space* "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores dribbling blood, soles slopping off and out to meet a drain mid-floor ..." -Christopher Norris, author of *Hunchback '88*

Parasite Eve A&C Black

A writer at The Onion A. V. Club assesses pop culture as experienced during his life, from a childhood marked by a mental hospital and foster home, to his adult efforts to reconnect with the family that abandoned him, to his pursuit of a career in entertainment journalism.

Manazuru W. W. Norton

When Dr. Nagashima loses his wife in a mysterious car crash, he is overwhelmed with grief but also an eerie sense of purpose; he becomes obsessed with reincarnating his dead wife. Her donated kidney is transplanted into a young girl with a debilitating disorder, but the doctor also feels compelled to keep a small sample of her liver in his laboratory. When these cells start mutating rapidly, a consciousness bent on determining its own fate awakens, bent on becoming the new dominant species on earth. *Parasite Eve* was the basis of the hugely popular videogame of the same name in the U.S. and has been cinematized in Japan.

Routledge

Of my childhood in this Olaf life I can regain but little. There come to me, however, recollections of a house, surrounded by a moat, situated in a great plain near to seas or inland lakes, on which plain stood mounds that I connected with the dead. What the dead were I did not quite understand, but I gathered that they were people who, having once walked about and been awake, now laid themselves down in a bed of earth and slept. I remember looking at a big mound which was said to cover a chief known as "The Wanderer," whom Freydisa, the wise woman, my nurse, told me had lived hundreds or thousands of years before, and thinking that so much earth over him must make him very hot at nights.

Audition A&C Black

Every night, Kawashima Masayuki creeps from his bed and watches over his baby girl's crib while his wife sleeps. But this is no ordinary domestic scene. He has an ice pick in his hand, and a barely controllable desire to use it. Deciding to confront his demons, Kawashima sets into motion a chain of events seeming to lead inexorably to murder...

Masks Pushkin Press

A cream-of-the-crop selection of Murakami's brilliance and piercing wit. This collection shows sides of Ryu Murakami that even avid fans may not be expecting. The intriguing, somewhat disturbing stories that *Topaz* was based on are included here, as are three entertaining and revealing portraits of the artist as a young man back in the Transparent Blue period of the late sixties and early seventies. We hear tales told by four very different individuals living in eighties Tokyo, each with his or her own problems but all with a thing about a certain pro baseball player, and we meet a brokenhearted young woman who finds an unexpected moment of love in the nineties and a single mother who stumbles on a ray of hope in the hard times of the noughties. Mixed in there somewhere are three linked stories about desire and obsession, with the timeless, seductive rhythms of Cuban music in the background. This book contains explicit content and is not suitable for minors. About the author: Ryu Murakami was not yet 24 when he won the prestigious Akutagawa Prize for his debut novel, *Almost Transparent Blue*. He has now published some forty best-selling novels, a dozen short-story collections, an armful of picture books, and a small mountain of essays. In his spare time, Ryu hosts a popular and long-running weekly TV show focusing on business and economic topics, and has for many years promoted tours and produced records for Cuban musicians. He has written and directed five feature films, of which *Topaz* a.k.a. *Tokyo Decadence* (1992) is probably the best known, and many of his novels have been made into films by other directors (notably Takashi Miike's *Audition*). Translated novels include *Coin Locker Babies* (Noma Prize for New Writers), *Sixty-Nine*, *Popular Hits of the Showa Era*, *Audition*, *In the Miso Soup* (Yomiuri Prize for Literature), *Piercing*, and *From the Fatherland, with Love* (Noma Prize for Literature and Mainichi Publishing Culture Award).
