Its roughly what you craving currently. This Augustus The Life Of Romes First Emperor Anthony Everitt, as one of the most working sellers here will agreed be along with the best options to review.

[Augustus](#) W. W. Norton & Company

Suetonius' Life of Augustus is the most commonly read ancient account of the life of Rome's first emperor, presenting a mass of historical and biographical detail about both his public and personal lives. This volume provides the first large-scale commentary on Suetonius' work in English, drawing out what is unique about Suetonius' information, discussing how it relates to other ancient accounts, and assessing its historical reliability. The commentary is the first to be accessible to readers without any knowledge of Latin or Greek due to its use of English lemmata, while the new translation remains faithful to the original Latin. Accompanied by an introduction which investigates the career of Suetonius, the date of the Lives of the Caesars, the structure of the Life of Augustus, the various sources utilized by Suetonius, and the way in which the reader should approach this complex text, the commentary also looks to examine Suetonius' work not just as a repository of facts, but as a literary artefact carefully constructed by its author.

Caesar Augustus: The History of the Man Behind the Roman Empire Random House

In this lively and concise biography Karl Galinsky examines Augustus' life from childhood to deification. Augustus Mitchell Lane Publishers, Inc.

During the Roman Civil War, as the forces of Pompey and Julius Caesar fight a series of battles in the provinces over control of the Republic, Rome itself is a hotbed of intrigue as those left behind wait for word. In this tentative and treacherous environment, a beautiful young seeress is murdered in the marketplace. Possibly mad and claiming no memory of her own past, Cassandra - like her namesake - is reputed to have had the true gift of prophecy and, as a result, she became a confidante of the rich and powerful. Gordianus the Finder, who had become obsessed with the woman and her mystery, starts to investigate her murder. As the political situation in Rome continues to decay, the citizenry veers towards ruin, and everyone waits for word out in the far off fields of war, Gordianus begins to peel away the veils of secrecy that surround Cassandra's life and death. What lies underneath involves one, possibly many, of the most powerful women in Rome and the truth could not only put Gordianus's life in danger but affect the very future of Rome itself.

Augustus Random House Trade Paperbacks

A riveting new biography of Caesar Augustus, Rome's first emperor and one of the most influential men in history

Augustus Random House Trade Paperbacks

Revised throughout, the second edition of this successful book takes the most recent research in the field into account and reviews the evidence in order to place Augustus firmly in the context of his own times. History sees Augustus Caesar as the first emperor of Rome, whose system of ordered government provided a firm and stable basis for the expansion and prosperity of the Roman Empire. Hailed as 'restorer of the Republic' and regarded by some as a deity in his own lifetime, Augustus was emulated by many of his successors. Key topics discussed include: the background to Augustus Caesar's spectacular rise to power his political and imperial reforms the creation of the Republic of Augustus the legacy Augustus Caesar left to his successors. Including more coverage of the social and cultural aspects of this complex character's reign, together with an expanded guide to further reading, students will not miss a beat if this book is included on their course reading lists.

Augustus CreateSpace

Describes the people, places, and events of Ancient Rome, describing travel, trade, language, religion, economy, industry and more, from the days of the Republic through the High Empire period and beyond.

Hadrian and the Triumph of Rome Clarendon Ancient History

Augustus Random House Trade Paperbacks

Augustus Cambridge University Press

"A fascinating insight into the mind of the Roman emperor." —Sunday Telegraph (London) Born in A.D. 76, Hadrian lived through and ruled during a tempestuous era, a time when the Colosseum was opened to the public and Pompeii was buried under a mountain of lava and ash.

Acclaimed author Anthony Everitt vividly recounts Hadrian's thrilling life, in which the emperor brings a century of disorder and costly warfare to a peaceful conclusion while demonstrating how a monarchy can be compatible with good governance. What distinguished Hadrian's rule, according to Everitt, were two insights that inevitably ensured the empire's long and prosperous future: He ended Rome's territorial expansion, which had become strategically and economically untenable, by

fortifying her boundaries (the many famed Walls of Hadrian), and he effectively "Hellenized" Rome by anointing Athens the empire's cultural center, thereby making Greek learning and art vastly more prominent in Roman life. By making splendid use of recently discovered archaeological materials and his own exhaustive research, Everitt sheds new light on one of the most important figures of the ancient world.

Augustus Caesar BoD – Books on Demand

NATIONAL BESTSELLER • "An excellent introduction to a critical period in the history of Rome. Cicero comes across much as he must have lived: reflective, charming and rather vain." —The Wall Street Journal "All ages of the world have not produced a greater statesman and philosopher combined." —John Adams He squared off against Caesar and was friends with young Brutus. He advised the legendary Pompey on his botched transition from military hero to politician. He lambasted Mark Antony and was master of the smear campaign, as feared for his wit as he was for his ruthless disputations. Brilliant, voluble, cranky, a genius of political manipulation but also a true patriot and idealist, Cicero was Rome's most feared politician, one of the greatest lawyers and statesmen of all times. In this dynamic and engaging biography, Anthony Everitt plunges us into the fascinating, scandal-ridden world of ancient Rome in its most glorious heyday—when senators were endlessly filibustering legislation and exposing one another's sexual escapades to discredit the opposition. Accessible to us through his legendary speeches but also through an unrivaled collection of unguarded letters to his close friend Atticus, Cicero comes to life as a witty and cunning political operator, the most eloquent and astute witness to the last days of Republican Rome. Praise for Cicero " [Everitt makes] his subject—brilliant, vain, principled, opportunistic and courageous—come to life after two millennia." —The Washington Post "Gripping . . . Everitt combines a classical education with practical expertise. . . . He writes fluidly." —The New York Times "In the half-century before the assassination of Julius Caesar . . . Rome endured a series of crises, assassinations, factional bloodletting, civil wars and civil strife, including at one point government by gang war. This period, when republican government slid into dictatorship, is one of history's most fascinating, and one learns a great deal about it in this excellent and very readable biography." —The Plain Dealer "Riveting . . . a clear-eyed biography . . . Cicero's times . . . offer vivid lessons about the viciousness that can pervade elected government." —Chicago Tribune "Lively and dramatic . . . By the book's end, he's managed to put enough flesh on Cicero's old bones that you care when the agents of his implacable enemy, Mark Antony, kill him." —Los Angeles Times

Augustus, His Life and Works Cooper Square Pub

WINNER OF THE 1973 NATIONAL BOOK AWARD By the Author of Stoner In Augustus, his third great novel, John Williams took on an entirely new challenge, a historical narrative set in classical Rome, exploring the life of the founder of the Roman Empire. To tell the story, Williams turned to the epistolary novel, a genre that was new to him, transforming and transcending it just as he did the western in Butcher's Crossing and the campus novel in Stoner. Augustus is the final triumph of a writer who has come to be recognized around the world as an American master.

The Roman Empire St. Martin's Press

The acclaimed historian and author of Caesar presents "a first-rate popular biography" of Rome's first emperor, written "with a storyteller's brio" (Washington Post). The story of Augustus' life is filled with drama and contradiction, risky gambles and unexpected success. He began as a teenage warlord whose only claim to power was as the grand-nephew and heir of the murdered Julius Caesar. Mark Antony dubbed him "a boy who owes everything to a name," but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC. Over the next half century, Augustus created a new system of government—the Principate or rule of an emperor—which brought peace and stability to the vast Roman Empire. In this highly anticipated biography, Goldsworthy puts his deep knowledge of ancient sources to full use, recounting the events of Augustus' long life in greater detail than ever before. Goldsworthy pins down the man behind the myths: a consummate manipulator, propagandist, and showman, both generous and ruthless. Under Augustus' rule the empire prospered, yet his success was constantly under threat and his life was intensely unpredictable.

Tiberius Infobase Publishing

Augustus Caesar was Rome's first emperor, but exactly how he came to claim that title is a long and exciting story. It begins in Rome in 63 BCE when a baby boy named Gaius Octavius Thurinus is born. During his lifetime he would be known by several other names, but none so celebrated as Augustus. The nephew of Julius Caesar, Augustus inherited his role as leader of Rome. But blood would not be enough to retain the title. He would have to fight for it and fight he did. Emerging victorious against all those who tried to usurp his power, Augustus became one of the most powerful men in not just Rome, but the Juvenile Nonfiction / History / General [BISAC] of the world.

Nero Caesar Augustus Cooper Square Pub

This is a concise but comprehensive biography of Augustus, the man who implemented the Roman Empire and served as its most famous emperor. From the intro: "To those who have no more than a general idea of the history of Rome, the name Augustus, or even Octavian, conveys little more than the memory of a man who followed Julius Caesar, who won the battle of Actium against Mark Antony, and who was the first Emperor of Rome. And indeed Roman history itself, without some degree of study, does not seem to present more than the rise of a big republic from a small town on the hills, then a general confusion of wars and horrors, then one great luminous figure, Julius Caesar, and after him a long succession of emperors, some good and many bad, and, at the last, a general overthrow, an inrush of savage Northern tribes and the beginning of the Dark Ages. But when we look more closely into the history of Rome we begin to see that one thing seems to lead into another, that there is a certain chain of events and consequences, almost inevitable in their occurrence and development, and that certain changes that came about were essential to Rome's development."

Augustus New York Review of Books

A definitive history of the great commanders of ancient Rome, from bestselling author Adrian Goldsworthy. "In his elegantly accessible style, Goldsworthy offers gripping and swiftly erudite accounts of Roman wars and the great captains who fought them. His heroes are never flavorless and generic, but magnificently Roman. And it is especially Goldsworthy's vision of commanders deftly surfing the giant, irresistible waves of Roman military tradition, while navigating the floating logs, reefs, and treacherous sandbanks of Roman civilian politics, that makes the book indispensable not only to those interested in Rome and her battles, but to anyone who finds it astounding that military men, at once driven and imperiled by the odd and idiosyncratic ways of their societies, can accomplish great deeds." —J. E. Lendon, author of Soldiers and Ghosts: A History of Battle in Classical Antiquity

Pen and Sword

When a teenager named Octavian learned that he was the heir of Julius Caesar, the most powerful man in Rome, it seemed like a recipe for disaster. Caesar had just been assassinated, and in the chaotic world of Roman politics the inexperienced young man would seem to have no chance against men two and three times his age. But Octavian had a genius for politics. Within a year he emerged as one of three leaders of Rome. Just over a decade later he took total control. Soon afterward, the Roman people gave him a new name, Augustus Caesar. It was the name which would make him immortal. He ushered in a period of peace and prosperity, ending decades of civil conflict that had cost thousands of lives. His reign was also characterized by a flourishing of art and architecture. He was the first ruler of the Roman Empire. He was almost certainly the best.

Augustus Mitchell Lane Publishers, Inc.

Julius Caesar A little over 2000 years ago a man named Julius Caesar changed the world. Even if you had never heard of him his lasting legacy has no doubt had an impact on your life. No doubt, even the very calendar that you use is based upon the system he created, with the month of July bearing his name. So who was this man that singlehandedly changed the course of history? Inside you will read about... - The Underpinnings of a Republic - The Real Struggle Begins - When in Rome - The Ides of March This book follows the life and legacy of the man whose life stood as a footnote between Republic and Empire. The man who has inspired playwrights, governments, and the very days of the week, the life of Julius Caesar is an incredible journey to behold.

Handbook to Life in Ancient Rome e-artnow

Caesar Augustus is the single man who had the most influence over the story of our world. Caesar was a strong personality. He's intriguing, intelligent, strategic, smart and ambitious. His life is full of drama, gambles, risks and success. A true leader of men. In this book we will discover the life of Caesar Augustus, his major accomplishments and the man behind the emperor. A truly unique biography.

The Age of Augustus Standard Ebooks

Bestselling classical historian Barry Strauss delivers "an exceptionally accessible history of the Roman Empire...much of Ten Caesars reads like a script for Game of Thrones" (The Wall Street Journal)—a summation of three and a half centuries of the Roman Empire as seen through the lives of ten of the most important emperors, from Augustus to Constantine. In this essential and "enlightening" (The New York Times Book Review) work, Barry Strauss tells the story of the Roman Empire from rise to reinvention, from Augustus, who founded the empire, to Constantine, who made it Christian and moved the capital east to Constantinople. During these centuries Rome gained in splendor and territory, then lost both. By the fourth century, the time of Constantine, the Roman Empire had changed so dramatically in geography, ethnicity, religion, and culture that it would have been virtually unrecognizable to Augustus. Rome's legacy

remains today in so many ways, from language, law, and architecture to the seat of the Roman Catholic Church. Strauss examines this enduring heritage through the lives of the men who shaped it: Augustus, Tiberius, Nero, Vespasian, Trajan, Hadrian, Marcus Aurelius, Septimius Severus, Diocletian, and Constantine. Over the ages, they learned to maintain the family business—the government of an empire—by adapting when necessary and always persevering no matter the cost. *Ten Caesars* is a “captivating narrative that breathes new life into a host of transformative figures” (Publishers Weekly). This “superb summation of four centuries of Roman history, a masterpiece of compression, confirms Barry Strauss as the foremost academic classicist writing for the general reader today” (The Wall Street Journal).

Suetonius Createspace Independent Publishing Platform

When we think of Augustus Caesar, the image of a young, handsome man springs to mind. The successor to Julius Caesar, we know that he became leader to the Roman people at a very young age. And yet the man who was known by several names throughout his life was not a blood relative of Caesar. Although coming from fairly humble origins, this man propelled himself into the life of a fearsome warrior; respected politician and model Roman citizen. This book explores the life of Augustus and his rise to power, looking at the various influences and experiences throughout his life. What were the omens that suggested he was more than just an ordinary child? How did he become heir to Julius Caesar's fortune and power? Were all the decisions he made throughout his life politically motivated? How did his step-son Tiberius become his only heir, despite his struggle to ensure that he had a strong family line when he died? Augustus Caesar was a highly complex and intellectual individual who became one of the most powerful leaders of the time. The self-styled Father of Rome, he was truly destined towards divinity.

The Life and Times of Augustus Caesar Penguin UK

This astute and fair-minded biography of the reign of Tiberius Caesar (42 BC - 37 AD), second emperor of Rome, balances the portrait of an upright soldier-statesman - austere, just, and capable - with the infamy of the murderous tyrant known for his vices and depraved appetites.
