Augustus Infobase Publishing
In this updated edition of his concise biography, Werner Eck tells the extraordinary story of Augustus, Rome's first monarch. Incorporates literary, archaeological, and legal sources to provide a vivid narrative of Augustus' brutal rise to power. Written by one of the world's leading experts on the Roman empire. Traces the history of the Roman revolution and Rome's transformation from a republic to an empire. Includes a new chapter on legislation, further information on the monuments of the Augustan period, more maps

and illustrations, and a stemma of Augustus' family. Thorough, straightforward, and organized chronologically, this is an ideal resource for anyone approaching the subject for the first time.

Ten Caesars Clarendon Ancient History
Augustus, born Gaius Octavius Thurinus in 63 BCE, was the first emperor of Rome. From the moment his great uncle and adoptive father, Julius Caesar, died when he was eighteen, his life was one action-packed conflict after another. From the unexpected inheritance of a hefty fortune and a heap of responsibilities, to fighting off a foe who should be a friend, to seeking revenge on Caesar's assassins, he had his work cut out

for him. Throw in an affair with a beautiful woman who happened to be pregnant and married to an aristocrat, an unruly daughter, and roomful of Senators who just didn't know how to get things done, and you've got one heck of a life. Augustus succeeded at many things during his nearly forty-year run as the leader of the Roman world. He reinvented the skyline of Rome, had the sewer system cleaned out and made to function, conquered Egypt and routed their plentiful grain to a starving Roman Empire, and promoted traditional Roman family values-not to be confused with traditional modern American or Western European family values-by giving attractive benefits to those who got married and had multiple children. Along with revitalizing the city, Augustus sought to promote great writers like Virgil and Horace and encourage a renewal of religious piety. Changing laws was easy enough, but changing hearts proved to be a rather difficult matter. In his book entitled *Augustus: The Life And Times Of Rome's Greatest Emperor* author Simon T. Bailey brilliantly captures the true essence of Augustus as well as the time period in which he ruled in ancient Rome. Augustus Liverpool University Press

*Weaves the lives of Caesar and Augustus into one gripping narrative detailing the fall of the Republic and the creation of the Roman Empire. *Includes pictures of famous art depicting Caesar, Augustus, and important people, places, and events in their lives. *Discusses the facts and legends surrounding the assassination of Caesar and the deaths of Antony and Cleopatra. Possibly the most important man of

antiquity, and even all of history, was Julius Caesar. Alexander Hamilton, the famous American patriot, once remarked that "the greatest man who ever lived was Julius Caesar." Such a tribute, coming from one of the Founding Fathers of the quintessential modern democracy in reference to a man who destroyed the Roman Republic, is testament to the enduring mark that Caesar left upon the world. The ultimate conqueror, statesman, dictator, visionary, and opportunist, during his time in power Caesar expanded the borders of Rome to almost twice their previous size, revolutionized the infrastructure of the Roman state, and destroyed the Roman Republic for good, leaving a line of emperors in its place. His legacy is so strong that his name has become, in many languages, synonymous with power: the Emperors of Austria and Germany bore the title Kaiser, and the Czars of Russia also owe the etymology of their title to Caesar. His name also crept further eastward out of Europe, even cropping up in Hindi and Urdu, where the term for "Emperor" is Kaisar. Even in his time,

Caesar was in many ways larger than life, and because of his legacy as virtual founder of the Roman Empire, much of what was written about - and by - him during his life and immediately after his assassination was politically motivated. His successor, Octavian Augustus, had a strong interest in ensuring that Caesar's life be painted in a favorable light, while Caesar's political enemies attempted to paint him as a corrupt, undemocratic dictator who was destroying the old order of the Republic. Of course, Caesar's life and death left a vacuum of power in Rome that was ultimately filled by his chosen heir, Octavian. The importance of Gaius Julius Caesar Augustus (or as he was known from birth, Gaius Octavius "Octavian" Thurinus) to the course of Western history is hard to overstate. His life, his rise to power, his political, social and military achievements, all laid the foundations for the creation of an Empire which would endure for almost five centuries, and whose traditions, laws, architecture and art continue to influence much of Europe and the world today. Octavian was the first

true Roman Emperor, and the first man since the Etruscan Tarquins, five centuries earlier, to establish a successful hereditary ruling dynasty in what had been a proud Republic for over half a millennium. He was a canny strategist, an excellent orator, a fine writer, a generous patron of the arts and enthusiastic promoter of public works, but above all he was a master politician. Octavian's great-uncle (and adoptive father) Julius Caesar was a great general, his rival Mark Antony was a great soldier, but as a politician Octavian outmatched them all. Like his adoptive father before him, Octavian is one of those figures whom it is difficult to know exactly what to make of, because he appears, even at a distance, to be larger than life. Yet the amount of personal correspondence and contemporary writings penned by Octavian himself, as well as his friends and associates (and rivals) is such that, when we analyse it all together, a clear picture of the man behind the bronze statue begins to emerge - the man who found Rome a city of bricks, but left her behind a city of marble. Creating

the Roman Empire chronicles the lives of Rome's two most important leaders, separating fact from fiction and analyzing their legacies. Along with pictures and a Table of Contents, you will learn about Caesar and Augustus like you never have before.

Augustus, First Roman Emperor Pen and Sword

In this lively and concise biography Karl Galinsky examines Augustus' life from childhood to deification.

Cicero Random House Trade Paperbacks
NAMED ONE OF THE BEST BOOKS OF
THE YEAR BY THE KANSAS CITY
STAR From Anthony Everitt, the
bestselling author of acclaimed
biographies of Cicero, Augustus, and
Hadrian, comes a riveting, magisterial
account of Rome and its remarkable
ascent from an obscure agrarian
backwater to the greatest empire the

world has ever known. Emerging as a market town from a cluster of hill villages in the eighth and seventh centuries B.C., Rome grew to become the ancient world's preeminent power. Everitt fashions the story of Rome's rise to glory into an erudite page-turner filled with lasting lessons for our time. He chronicles the clash between patricians and plebeians that defined the politics of the Republic. He shows how Rome's shrewd strategy of offering citizenship to her defeated subjects was instrumental in expanding the reach of her burgeoning empire. And he outlines the corrosion of constitutional norms that accompanied Rome's imperial expansion, as old habits of political compromise gave way, leading to violence and civil war. In the end, unimaginable wealth and power corrupted the traditional virtues of the Republic, and Rome was left triumphant everywhere except within its own borders. Everitt paints indelible portraits of the great Romans—and non-Romans—who left their mark on the world out of which the mighty empire grew: Cincinnatus, Rome's George Washington, the very model of the patrician warrior/aristocrat; the brilliant general Scipio Africanus, who turned back a challenge from the Carthaginian legend Hannibal; and Alexander the Great, the invincible Macedonian conqueror who became a role model for generations of would-be Roman rulers. Here also are the intellectual and philosophical leaders whose observations on the art of government and “the good life” have inspired every Western power from antiquity to the present: Cato the Elder, the famously incorruptible statesman who spoke out against the decadence of his

times, and Cicero, the consummate orator whose championing of republican institutions put him on a collision course with Julius Caesar and whose writings on justice and liberty continue to inform our political discourse today. Rome's decline and fall have long fascinated historians, but the story of how the empire was won is every bit as compelling. With *The Rise of Rome*, one of our most revered chroniclers of the ancient world tells that tale in a way that will galvanize, inform, and enlighten modern readers. Praise for *The Rise of Rome* " Fascinating history and a great read." —Chicago Sun-Times " An engrossing history of a relentlessly pugnacious city's 500-year rise to empire." —Kirkus Reviews " Rome's history abounds with remarkable figures. . . . Everitt writes for the informed and the uninformed general reader alike, in a

brisk, conversational style, with a modern attitude of skepticism and realism. " —The Dallas Morning News " [A] lively and readable account . . . Roman history has an uncanny ability to resonate with contemporary events. " —Maclean's " Elegant, swift and faultless as an introduction to his subject. " —The Spectator " [An] engaging work that will captivate and inform from beginning to end. " —Booklist
The History of Rome CreateSpace
When we think of Augustus Caesar, the image of a young, handsome man spring to mind. The successor to Julius Caesar, we know that he became leader to the roman people at a very young age. And yet the man who was known by several names throughout his life was not a blood

relative of Caesar. Although coming from fairly humble origins, this man propelled himself into the life of a fearsome warrior; respected politician and model roman citizen. This book explores the life of Augustus and his rise to power, looking at the various influences and experiences throughout his life. What were the omens that suggested he was more than just an ordinary child? How did he become heir to Julius Caesar's fortune and power? Were all the decisions he made throughout his life politically motivated? How did his step-son Tiberius become his only heir, despite his struggle to ensure that he had a strong family line when he died? Augustus Caesar was a highly complex

and intellectual individual who became one of the most powerful leaders of the time. The self-styled Father of Rome, he was truly destined towards divinity. Augustus John Wiley & Sons
A definitive history of the great commanders of ancient Rome, from bestselling author Adrian Goldsworthy. " In his elegantly accessible style, Goldsworthy offers gripping and swiftly erudite accounts of Roman wars and the great captains who fought them. His heroes are never flavorless and generic, but magnificently Roman. And it is especially Goldsworthy's vision of commanders deftly surfing the giant, irresistible waves of Roman military tradition, while navigating the floating

logs, reefs, and treacherous sandbanks of Roman civilian politics, that makes the book indispensable not only to those interested in Rome and her battles, but to anyone who finds it astounding that military men, at once driven and imperiled by the odd and idiosyncratic ways of their societies, can accomplish great deeds. ” —J. E. Lendon, author of *Soldiers and Ghosts: A History of Battle in Classical Antiquity*
Suetonius W. W. Norton & Company
In this concise biography, Professor Werner Eck, one of the world's leading experts on the Roman empire, tells the extraordinary story of Augustus, Rome's first emperor. A concise and gripping account of Augustus and his

age. Written by one of the world's foremost experts on the Roman Empire. Examines the transformation of Rome from a republic to a monarchy. Covers domestic and foreign policy, constitutional developments, and cultural achievements. Compares Augustus' own account of his life to other historical narratives and archaeological records. Includes a new translation of Augustus' *Res Gestae* with a short introduction and a substantial bibliography to aid further study.

[Hadrian and the Triumph of Rome](#)

economy, industry and more, from the days of the Republic through the High Empire period and beyond.

Augustus Caesar Psychology Press
Combines material and literary cultural approaches to the study of the reception of Augustus and his age during the reign of the emperor Domitian

SPQR: A History of Ancient Rome
Cambridge University Press

Born and bred in what is now northern Spain to a family of olive-oil magnates, Hadrian was lucky enough to benefit from the patronage of his maternal cousin, Trajan, who would later become emperor, and who named Hadrian his successor on his death in AD 117. After suppressing the Jewish

revolt that had started under Trajan (memorably depicted in Josephus' Jewish War), Hadrian brought years of turbulence to an end. He presided over Rome's expansion to its greatest extent, travelling all over his empire to fortify its borders and, notably, building a wall to demarcate its northern extreme in the island of Britain (as well as another in Germany). Hadrian also 'Hellenized' the cultural life of the empire, and left an extraordinary legacy, yet he remains one of the least-known of Rome's emperors. Using exhaustive research, Anthony Everitt unveils the private life and character of this most successful of emperors, in the most vivid and exciting retelling of his story to date.

The First Emperor DigiCat

Written by Andrew Wallace-Hadrill, one of the world's foremost scholars on Roman social and cultural history, this well-established introduction to Rome in the Age of Augustus provides a fascinating insight into the social and physical contexts of Augustan politics and poetry, exploring in detail the impact of the new regime of government on society. Taking an interpretative approach, the ideas and environment manipulated by Augustus are explored, along with reactions to that manipulation. Emphasising the role and impact of art and architecture of the time, and on Roman attitudes and values, Augustan Rome explains how the victory of Octavian at Actium transformed Rome and Roman life. This thought-provoking yet concise volume sets political changes in

the context of their impact on Roman values, on the imaginative world of poetry, on the visual world of art, and on the fabric of the city of Rome.

The Age of Augustus Penguin UK
This Roman history book describes Rome and Emperor Augustus between the years of 30 BC and 14 AD. Much of the material in it is an English Translation of the original Latin *Momentum Ancyranum* written by Augustus himself.

From Republic to Empire Cooper Square Publishers

In *Augustus Caesar* David Shotter places Augustus firmly in the context of his own times.

Marcus Agrippa Mitchell Lane Publishers, Inc.

He found Rome made of clay and left it made of marble. As Rome's first emperor, Augustus transformed the unruly Republic into the greatest empire the world had ever seen. His consolidation and expansion of Roman power two thousand years ago laid the foundations, for all of Western history to follow. Yet, despite Augustus's accomplishments, very few biographers have concentrated on the man himself, instead choosing to chronicle the age in which he lived. Here, Anthony Everitt, the bestselling author of *Cicero*, gives a spellbinding and intimate account of his illustrious subject. Augustus began his career as an inexperienced teenager plucked from his studies to take center stage in the drama of Roman politics, assisted by two school friends, Agrippa and Maecenas. Augustus's rise to power began with the assassination of his great-uncle and adoptive father, Julius Caesar, and culminated in the titanic duel with Mark Antony and Cleopatra. The world that made Augustus – and that he himself later remade – was driven by intrigue, sex, ceremony, violence, scandal, and naked ambition. Everitt has taken some of the household names of history – Caesar, Brutus, Cassius, Antony, Cleopatra – whom few know

the full truth about, and turned them into flesh-and-blood human beings. At a time when many consider America an empire, this stunning portrait of the greatest emperor who ever lived makes for enlightening and engrossing reading. Everitt brings to life the world of a giant, rendered faithfully and sympathetically in human scale. A study of power and political genius, Augustus is a vivid, compelling biography of one of the most important rulers in history.

[Pictures from Roman Life and Story](#)
Bloomsbury Publishing
The acclaimed historian and author of *Caesar* presents “a first-rate popular biography” of Rome’s first emperor, written “with a storyteller’s brio” (Washington Post). The story of Augustus’ life is filled with drama and contradiction, risky gambles and unexpected success. He began as a teenage warlord whose only claim to power was as the grand-nephew and heir of the murdered Julius Caesar. Mark Antony dubbed him “a boy who owes everything to a name,” but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC. Over the next half century, Augustus created a new system of government—the Principate or rule of

an emperor—which brought peace and stability to the vast Roman Empire. In this highly anticipated biography, Goldsworthy puts his deep knowledge of ancient sources to full use, recounting the events of Augustus' long life in greater detail than ever before. Goldsworthy pins down the man behind the myths: a consummate manipulator, propagandist, and showman, both generous and ruthless. Under Augustus' rule the empire prospered, yet his success was constantly under threat and his life was intensely unpredictable. *Monumentum Ancyranum: The Deeds of Augustus* Createspace Independent

Publishing Platform

The life of Augustus is historically important because his leadership marked out a new era in the story of the Roman world, an era that would see the expansion of the Roman Empire across the Mediterranean and beyond.

Augustus Createspace Independent Publishing Platform

Another in a series of superb biographies of ancient leaders, Baker tackles the life and times of Gaius Octavian Augustus, first emperor of Rome and founder of a Roman state that endured for centuries.

Augustan Rome BoD – Books on Demand

NATIONAL BESTSELLER • “An excellent introduction to a critical period in the history of Rome. Cicero comes across much as he

must have lived: reflective, charming and rather vain.” —The Wall Street Journal “ All ages of the world have not produced a greater statesman and philosopher combined.” —John Adams He squared off against Caesar and was friends with young Brutus. He advised the legendary Pompey on his botched transition from military hero to politician. He lambasted Mark Antony and was master of the smear campaign, as feared for his wit as he was for his ruthless disputations. Brilliant, voluble, cranky, a genius of political manipulation but also a true patriot and idealist, Cicero was Rome ’ s most feared politician, one of the

greatest lawyers and statesmen of all times. In this dynamic and engaging biography, Anthony Everitt plunges us into the fascinating, scandal-ridden world of ancient Rome in its most glorious heyday—when senators were endlessly filibustering legislation and exposing one another ’ s sexual escapades to discredit the opposition. Accessible to us through his legendary speeches but also through an unrivaled collection of unguarded letters to his close friend Atticus, Cicero comes to life as a witty and cunning political operator, the most eloquent and astute witness to the last days of

Republican Rome. Praise for Cicero “history ’ s most fascinating, and one [Everitt makes] his subject—brilliant, learns a great deal about it in this vain, principled, opportunistic and excellent and very readable courageous—come to life after two biography. ” —The Plain Dealer millennia. ” —The Washington Post “ “ Riveting . . . a clear-eyed biography Gripping . . . Everitt combines a . . . Cicero ’ s times . . . offer vivid classical education with practical lessons about the viciousness that expertise. . . . He writes can pervade elected fluidly. ” —The New York Times “ Ingovernment. ” —Chicago Tribune the half-century before the “ Lively and dramatic . . . By the assassination of Julius Caesar . . . book ’ s end, he ’ s managed to put Rome endured a series of crises, enough flesh on Cicero ’ s old bones assassinations, factional that you care when the agents of his bloodletting, civil wars and civil implacable enemy, Mark Antony, kill strife, including at one point him. ” —Los Angeles Times government by gang war. This The Ancient Romans University of period, when republican government Oklahoma Press slid into dictatorship, is one of By the author of Stoner, the

surprise international bestseller lives and times.

After the brutal murder of his great-uncle, Julius Caesar, Octavian, a shy and scholarly youth of nineteen, suddenly finds himself heir to the vast power of Rome. He is destined, despite vicious power struggles, bloody wars and family strife, to transform his realm and become the greatest ruler the western world had ever seen: Augustus Caesar, the first Roman Emperor. Building on impeccable research, John Williams brings the legendary figure of Augustus vividly to life, and invests his characters with such profound humanity that we enter completely into the heat and danger of their
