Kindly say, the Augustus The Life Of Romes First Emperor Anthony Everitt is universally compatible with any devices to read

Domitian ' s Rome and the Augustan Legacy Infobase Publishing
The acclaimed historian and author of Caesar presents “ a first-rate popular biography ” of Rome ' s first emperor, written “ with a storyteller ' s brio ” (Washington Post). The story of Augustus ' life is filled with drama and contradiction, risky gambles and unexpected success. He began as a teenage warlord whose only claim to power was as the grand-nephew and heir of the murdered Julius Caesar. Mark Antony dubbed him “ a boy who owes everything to a name, ” but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC. Over the next half century, Augustus created a new system of

government—the Principate or rule of an emperor—which brought peace and stability to the vast Roman Empire. In this highly anticipated biography, Goldsworthy puts his deep knowledge of ancient sources to full use, recounting the events of Augustus ' long life in greater detail than ever before. Goldsworthy pins down the man behind the myths: a consummate manipulator, propagandist, and showman, both generous and ruthless. Under Augustus ' rule the empire prospered, yet his success was constantly under threat and his life was intensely unpredictable.

Suetonius, Life of Augustus Cambridge University Press
Another in a series of superb biographies of ancient leaders, Baker

tackles the life and times of Gaius Octavian Augustus, first emperor of Rome and founder of a Roman state that endured for centuries.

Ten Caesars Princeton University Press
Written by Andrew Wallace-Hadrill, one of the world's foremost scholars on Roman social and cultural history, this well-established introduction to Rome in the Age of Augustus provides a fascinating insight into the social and physical contexts of Augustan politics and poetry, exploring in detail the impact of the new regime of government on society. Taking an interpretative approach, the ideas and environment manipulated by Augustus are explored, along with reactions to that manipulation. Emphasising the role and

impact of art and architecture of the time, and on Roman attitudes and values, Augustan Rome explains how the victory of Octavian at Actium transformed Rome and Roman life. This thought-provoking yet concise volume sets political changes in the context of their impact on Roman values, on the imaginative world of poetry, on the visual world of art, and on the fabric of the city of Rome.

Life of Augustus Bloomsbury Publishing

In this lively and concise biography Karl Galinsky examines Augustus' life from childhood to deification.

SPQR: A History of Ancient Rome Random House

This Roman history book describes Rome and Emperor Augustus between the years of 30 BC and 14 AD. Much of the material in it is an English Translation of the original Latin *Momentum Ancyranum* written by Augustus himself.

Augustus Wiley-Blackwell

Archaeopress Publishing Ltd

A radical reexamination of the textual and archaeological evidence about Augustus and the Palatine Caesar Augustus (63 BC – AD 14), who is usually thought of as the first Roman emperor, lived on the Palatine Hill, the place from which the word “palace” originates. A startling reassessment of textual

and archaeological evidence, *The House of Augustus* demonstrates that Augustus was never an emperor in any meaningful sense of the word, that he never had a palace, and that the so-called "Casa di Augusto" excavated on the Palatine was a lavish aristocratic house destroyed by the young Caesar in order to build the temple of Apollo. Exploring the Palatine from its first occupation to the present, T. P. Wiseman proposes a reexamination of the "Augustan Age," including much of its literature. Wiseman shows how the political and ideological background of Augustus' rise to power offers a radically different interpretation of the ancient evidence about the Augustan Palatine. Taking a long historical perspective in order to better understand the topography, Wiseman

considers the legendary stories of Rome's origins—in particular Romulus' foundation and inauguration of the city on the summit of the Palatine. He examines the new temple of Apollo and the piazza it overlooked, as well as the portico around it with its library used as a hall for Senate meetings, and he illustrates how Commander Caesar, who became Caesar Augustus, was the champion of the Roman people against an oppressive oligarchy corrupting the Republic. A decisive intervention in a critical debate among ancient historians and archaeologists, *The House of Augustus* recalibrates our views of a crucially important period and a revered public space. *Augustus, His Life and His Work* Penguin UK In this concise biography, Professor Werner Eck, one of the world's leading experts on the Roman

empire, tells the extraordinary story of Augustus, Rome's first emperor. A concise and gripping account of Augustus and his age. Written by one of the world's foremost experts on the Roman Empire. Examines the transformation of Rome from a republic to a monarchy. Covers domestic and foreign policy, constitutional developments, and cultural achievements. Compares Augustus' own account of his life to other historical narratives and archaeological records. Includes a new translation of Augustus' Res Gestae with a short introduction and a substantial bibliography to aid further study.

The authoritative biography of the ancient Roman general and loyal deputy to Emperor Augustus by the acclaimed historian and author of Augustus at War. When Gaius Octavius became the first emperor of Rome, Marcus Agrippa was by his side. As the emperor 's loyal deputy, he waged wars, pacified provinces,

beautified Rome, and played a crucial role in establishing the Pax Romana—but he always served knowing that he would never rule in his own name. Why he did so, and never grasped power for himself, has perplexed historians for centuries. In this authoritative biography, historian Lindsay Powell offers a penetrating new assessment of Agrippa's life and achievements. Following Caesar's assassination, Agrippa was instrumental in asserting the rights of his friend Gaius Octavius as the dictator's heir, seeing him crowned Emperor Augustus. Agrippa then established a reputation as a bold admiral, defeating Marcus Antonius and Queen Cleopatra at the Battle of Actium, and ending bloody rebellions in the Cimmerian Bosphorus, Gaul, Hispania, and Illyricum. Agrippa was also an influential statesman and architect. He established the vital road network that turned Julius

Caesar's conquests into viable provinces, overhauled Rome's drains and aqueducts, and built the original Pantheon. Marrying Augustus's daughter, Julia the Elder, Agrippa became co-ruler of the Roman Empire until his death in 12 BC. His bloodline lived on in the imperial family, through Agrippina the Elder, his grandson Caligula, and great-grandson Nero.

Monumentum Ancyranum: The Deeds of Augustus
Yale University Press

Analyzes the ways in which Augustus was able to manipulate the mechanisms of power during his long reign (27 BC-14 AD). Considers his relationships with Maecenas, his political advisor; Agrippa, his military commander; and the poets Virgil and Ovid.

Augustus DigiCat

When a teenager named Octavian learned that he was the heir of Julius Caesar, the most powerful man in Rome, it seemed like a recipe for disaster. Caesar had

just been assassinated, and in the chaotic world of Roman politics the inexperienced young man would seem to have no chance against men two and three times his age. But Octavian had a genius for politics. Within a year he emerged as one of three leaders of Rome. Just over a decade later he took total control. Soon afterward, the Roman people gave him a new name, Augustus Caesar. It was the name which would make him immortal. He ushered in a period of peace and prosperity, ending decades of civil conflict that had cost thousands of lives. His reign was also characterized by a flourishing of art and architecture. He was the first ruler of the Roman Empire. He was almost certainly the best.

I Am Livia Simon & Schuster

NATIONAL BESTSELLER • “ An excellent introduction to a critical period in the history of Rome. Cicero comes across much as he must have lived: reflective, charming and rather vain. ” —The Wall Street Journal “ All ages of the world have not produced a greater statesman and philosopher

combined. ” —John Adams He squared off against Caesar and was friends with young Brutus. He advised the legendary Pompey on his botched transition from military hero to politician. He lambasted Mark Antony and was master of the smear campaign, as feared for his wit as he was for his ruthless disputations. Brilliant, voluble, cranky, a genius of political manipulation but also a true patriot and idealist, Cicero was Rome ’ s most feared politician, one of the greatest lawyers and statesmen of all times. In this dynamic and engaging biography, Anthony Everitt plunges us into the fascinating, scandal-ridden world of ancient Rome in its most glorious heyday—when senators were endlessly filibustering legislation and exposing one another ’ s sexual escapades to discredit the opposition. Accessible to us through his legendary speeches but also through an unrivaled collection of unguarded letters to his close friend Atticus, Cicero comes to life as a witty and cunning political operator, the most eloquent and astute witness to the last days of Republican Rome.

Praise for Cicero “ [Everitt makes] his subject—brilliant, vain, principled, opportunistic and courageous—come to life after two millennia. ” —The Washington Post “ Gripping . . . Everitt combines a classical education with practical expertise. . . . He writes fluidly. ” —The New York Times “ In the half-century before the assassination of Julius Caesar . . . Rome endured a series of crises, assassinations, factional bloodletting, civil wars and civil strife, including at one point government by gang war. This period, when republican government slid into dictatorship, is one of history ’ s most fascinating, and one learns a great deal about it in this excellent and very readable biography. ” —The Plain Dealer “ Riveting . . . a clear-eyed biography . . . Cicero ’ s times . . . offer vivid lessons about the viciousness that can pervade elected government. ” —Chicago Tribune “ Lively and dramatic . . . By the book ’ s end, he ’ s managed to put enough flesh on Cicero ’ s old bones that you care when the agents of his implacable enemy, Mark

Antony, kill him. ” —Los Angeles Times
Augustus Psychology Press
Describes the people, places, and events of Ancient Rome, describing travel, trade, language, religion, economy, industry and more, from the days of the Republic through the High Empire period and beyond.
The Ancient Romans Liverpool University Press
When we think of Augustus Caesar, the image of a young, handsome man spring to mind. The successor to Julius Caesar, we know that he became leader to the roman people at a very young age. And yet the man who was known by several names throughout his life was not a blood relative of Caesar. Although coming from fairly humble origins, this man propelled himself into the life of a fearsome

warrior; respected politician and model roman citizen. This book explores the life of Augustus and his rise to power, looking at the various influences and experiences throughout his life. What were the omens that suggested he was more than just an ordinary child? How did he become heir to Julius Caesar's fortune and power? Were all the decisions he made throughout his life politically motivated? How did his step-son Tiberius become his only heir, despite his struggle to ensure that he had a strong family line when he died? Augustus Caesar was a highly complex and intellectual individual who became one of the most powerful leaders of the time. The self-styled Father of Rome, he was truly destined towards divinity.

Wiley & Sons

Proceedings from the conference

' AUGUSTUS. 23 September 63 BC – 19

August 14 AD – 2000 years of divinity '

held in Kakow, 2014. Papers deal with a variety of topics ranging from architecture, urban issues and painting to fine art represented by glyptics and numismatics.

The Rise of Rome CreateSpace

The great modern biography of Augustus,

founder of the Roman Empire Born to a

plebeian family in 63 BC, Octavian was a

young soldier training abroad when he heard

news of Julius Caesar's brutal assassination -

and discovered that he was the dictator's sole

political heir. With the opportunism and

instinct for propaganda that were to

characterize his rule, Octavian rallied huge

financial, military and political backing to eliminate his opponents, end the bloody turmoil that had so long wracked Rome and, finally, take autocratic control of a state devoted to republicanism. He became Augustus - Rome's first Emperor, and the founder of the greatest empire the world had ever seen. In this monumental biography, translated into English for the first time by Anthea Bell, Jochen Bleicken tells the story of a man who found himself a demi-god in his own lifetime and paints a portrait of one of the most dramatic periods of Roman history.
