Merely said, the Augustus The Life Of Romes First Emperor Anthony Everitt is universally compatible behind any devices to read.

[Creating the Roman Empire](#) Yale University Press

After defeating enemies in battle, Roman citizens celebrate in the streets as Julius Caesar and his entourage make their way through the city. As Caesar passes a soothsayer, he receives an ominous warning: "Beware the ides of March," which he immediately disregards. Meanwhile, some of his closest followers are convinced their leader has become too powerful and plot his removal. Plutarch's Lives of the Noble Grecians and Romans was Shakespeare's primary source for Julius Caesar. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks. Ancient Rome Createspace Independent Publishing Platform New York Times Bestseller A New York Times Notable Book Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews Finalist for the National Book Critics Circle Award (Nonfiction) Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (Atlantic). In SPQR, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (Wall Street Journal). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life" (Economist) in a way that makes "your hair stand on end" (Christian Science Monitor) and spanning nearly a thousand years of history, this "highly informative, highly readable" (Dallas Morning News) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, SPQR will shape our view of Roman history for decades to come. Ten Caesars Mitchell Lane Publishers, Inc.

Augustus, born Gaius Octavius Thurinus in 63 BCE, was the first emperor of Rome. From the moment his great uncle and adoptive father, Julius Caesar, died when he was eighteen, his life was one action-packed conflict after another. From the unexpected inheritance of a hefty fortune and a heap of responsibilities, to fighting off a foe who should be a friend, to seeking revenge on Caesar's assassins, he had his work cut out for him. Throw in an affair with a beautiful woman who happened to be pregnant and married to an aristocrat, an unruly daughter, and roomful of Senators who just didn't know how to get things done, and you've got one heck of a life. Augustus succeeded at many things during his nearly forty-year run as the leader of the Roman world. He reinvented the skyline of Rome, had the sewer system cleaned out and made to function, conquered Egypt and routed their plentiful grain to a starving Roman Empire, and promoted traditional Roman family values-not to be confused with traditional modern American or Western European family values-by giving attractive benefits to those who got married and had multiple children. Along with revitalizing the city, Augustus sought to promote great writers like Virgil and Horace and encourage a renewal of religious piety. Changing laws was easy enough, but changing hearts proved to be a rather difficult matter. In his book entitled Augustus: The Life And Times Of Rome's Greatest Emperor author Simon T. Bailey brilliantly captures the true essence of Augustus as well as the time period in which he ruled in ancient Rome.

Julius Caesar e-artnow

Richard Foreman, the author of the bestselling 'Raffles: The Gentleman Thief' books, blends the political intrigue of Robert Harris' series of Cicero novels with the action and adventure of Simon Scarrow in this sweeping historical epic. 'Augustus: Son of Rome' tells the story of the assassination of Julius Caesar and the rise of his heir, Gaius Octavius, as he journeys to Rome from Apollonia. We see a boy grow into a man as Octavius develops the moral courage, intelligence and ruthlessness that will finally see him become Augustus, Emperor of Rome. The pen and sword will be employed to defeat his enemies and Octavius will earn the name of "Caesar." Yet Rome will exact its price - and triumph will be accompanied by tragedy. Julius Caesar, Cicero, Cleopatra, Mark Antony, Brutus and Marcus Agrippa all feature in this epic adventure, which will appeal to fans of Shakespeare,

Plutarch and Conn Iggulden alike. Richard Foreman is the author of the Raffles series of books and the historical novel 'A Hero of Our Time'. He has worked as a literary consultant and publicist to a number of bestselling authors, including Tom Holland, Conn Iggulden and Simon Scarrow. He lives in London. 'Augustus: Son of Rome' forges action and adventure with politics and philosophy. This superb story is drenched in both blood and wisdom - and puts Foreman on the map as the coming man of historical fiction'. (Saul David, Author of the Zulu Hart series)

The First Emperor Minotaur Books

In this concise biography, Professor Werner Eck, one of the world's leading experts on the Roman empire, tells the extraordinary story of Augustus, Rome's first emperor. A concise and gripping account of Augustus and his age. Written by one of the world's foremost experts on the Roman Empire. Examines the transformation of Rome from a republic to a monarchy. Covers domestic and foreign policy, constitutional developments, and cultural achievements. Compares Augustus' own account of his life to other historical narratives and archaeological records. Includes a new translation of Augustus' Res Gestae with a short introduction and a substantial bibliography to aid further study.

Nero Caesar Augustus Cambridge University Press

Caesar Augustus is the single man who had the most influence over the story of our world. Caesar was a strong personality. He's intriguing, intelligent, strategic, smart and ambitious. His life is full of drama, gambles, risks and success. A true leader of men. In this book we will discover the life of Caesar Augustus, his major accomplishments and the man behind the emperor. A truly unique biography.

Augustus Routledge

Propelled to power by the age of 17 by an ambitious mother, self-indulgent to the point of criminality, inadequate, paranoid and the perpetrator of heinous crimes including matricide and fratricide, and deposed and killed by 31, Nero is one of Rome's most infamous Emperors. But has history treated him fairly? Or is the popular view of Nero as a capricious and depraved individual a travesty of the truth and a gross injustice to Rome's fifth emperor? This new biography will look at Nero's life with fresh eyes. While showing the man 'warts and all', it also casts a critical eye on the 'libels' which were perpetrated on him, such as claiming he was a madman, many of which were most probably made up to suit the needs of the Flavians, who had overthrown his dynasty.

Tiberius Caesar St. Martin's Press

A definitive history of the great commanders of ancient Rome, from bestselling author Adrian Goldsworthy. "In his elegantly accessible style, Goldsworthy offers gripping and swiftly erudite accounts of Roman wars and the great captains who fought them. His heroes are never flavorless and generic, but magnificently Roman. And it is especially Goldsworthy's vision of commanders deftly surfing the giant, irresistible waves of Roman military tradition, while navigating the floating logs, reefs, and treacherous sandbanks of Roman civilian politics, that makes the book indispensable not only to those interested in Rome and her battles, but to anyone who finds it astounding that military men, at once driven and imperiled by the odd and idiosyncratic ways of their societies, can accomplish great deeds." —J. E. Lendon, author of Soldiers and Ghosts: A History of Battle in Classical Antiquity

In the Name of Rome Standard Ebooks

This astute and fair-minded biography of the reign of Tiberius Caesar (42 BC - 37 AD), second emperor of Rome, balances the portrait of an upright soldier-statesman - austere, just, and capable - with the infamy of the murderous tyrant known for his vices and depraved appetites.

The Age of Augustus Pen and Sword

Augustus He was the first emperor of one of the greatest empires ever known to man. He commanded unmatched authority in the ancient world and was always one step ahead of his opponents. He had an intellect and a sharp wit that could cut down his foes just as easily as the steel of his sword. The life of Octavian-later known as Augustus-is so rich and full, it would take several volumes to cover all of his exploits. Although he lived and died over 2,000 years ago, this founder of the Roman Empire is as intriguing as ever. Inside you will read about... The Adoptive Son of Julius Caesar Defeating Mark Antony The Second Triumvirate

The Suicide Pact The First Roman Emperor And much more! Learn the riveting history and the inspirational life of the most noble Roman of them all-Augustus.

Augustus Pen and Sword

The acclaimed historian and author of Caesar presents "a first-rate popular biography" of Rome's first emperor, written "with a storyteller's brio" (Washington Post). The story of Augustus' life is filled with drama and contradiction, risky gambles and unexpected success. He began as a teenage warlord whose only claim to power was as the grand-nephew and heir of the murdered Julius Caesar. Mark Antony dubbed him "a boy who owes everything to a name," but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC. Over the next half century, Augustus created a new system of government—the Principate or rule of an emperor—which brought peace and stability to the vast Roman Empire. In this highly anticipated biography, Goldsworthy puts his deep knowledge of ancient sources to full use, recounting the events of Augustus' long life in greater detail than ever before. Goldsworthy pins down the man behind the myths: a consummate manipulator, propagandist, and showman, both generous and ruthless. Under Augustus' rule the empire prospered, yet his success was constantly under threat and his life was intensely unpredictable.

Augustus W. W. Norton & Company

Caesar Augustus is the single man who had the most influence over the story of our world. Caesar was a strong personality. He's intriguing, intelligent, strategic, smart and ambitious. Augustus Caesar CreateSpace

During the Roman Civil War, as the forces of Pompey and Julius Caesar fight a series of battles in the provinces over control of the Republic, Rome itself is a hotbed of intrigue as those left behind wait for word. In this tentative and treacherous environment, a beautiful young seeress is murdered in the marketplace. Possibly mad and claiming no memory of her own past, Cassandra - like her namesake - is reputed to have had the true gift of prophecy and, as a result, she became a confidante of the rich and powerful. Gordianus the Finder, who had become obsessed with the woman and her mystery, starts to investigate her murder. As the political situation in Rome continues to decay, the citizenry veers towards ruin, and everyone waits for word out in the far off fields of war, Gordianus begins to peel away the veils of secrecy that surround Cassandra's life and death. What lies underneath involves one, possibly many, of the most powerful women in Rome and the truth could not only put Gordianus's life in danger but affect the very future of Rome itself.

Dio's Roman History Random House Trade Paperbacks Rome is a subject of endless fascination, and in this new biography of the infamous Empress Livia, Matthew Dennison brings to life a woman long believed to be one of the most feared villainesses of history. Second wife of the emperor Augustus, mother of his successor Tiberius, grandmother of Claudius and great grandmother of Caligula, the empress Livia lived close to the center of Roman political power for eight turbulent decades. Her life spanned the years of Rome's transformation from Republic to Empire, and witnessed both its triumphs under the rule of Augustus and its lapse into instability under his dysfunctional successor. Livia was given the honorific title Augusta in her husband's will, and was posthumously deified by the emperor Claudius—but posterity would prove less respectful. The Roman historian Tacitus anathematized her as "malevolent" and a "feminine bully" and inspired Robert Graves's celebrated twentieth-century depiction of Livia in I, Claudius as the quintessence of the scheming matriarch, poisoning her relatives one by one to smooth her son's path to the imperial throne. Livia, Empress of Rome rescues the historical Livia from the crude caricature of popular myth to paint an elegant and richly textured portrait. In this rigorously researched biography, Dennison weighs the evidence found in contemporary sources to present a more nuanced assessment. Livia's true "crime," he reveals, was not murder but the exercise of power. The Livia who emerges here is a complex, courageous and gifted woman, and one of the most fascinating and perplexing figures of the ancient world.

[The Life and Times of Augustus Caesar](#) Mitchell Lane Publishers, Inc.

NATIONAL BESTSELLER • "An excellent introduction to a critical period in the history of Rome. Cicero comes across much as he must have

lived: reflective, charming and rather vain. " —The Washington Post " All ages of the world have not produced a greater statesman and philosopher combined. " —John Adams He squared off against Caesar and was friends with young Brutus. He advised the legendary Pompey on his botched transition from military hero to politician. He lambasted Mark Antony and was master of the smear campaign, as feared for his wit as he was for his ruthless disputations. Brilliant, voluble, cranky, a genius of political manipulation but also a true patriot and idealist, Cicero was Rome ' s most feared politician, one of the greatest lawyers and statesmen of all times. In this dynamic and engaging biography, Anthony Everitt plunges us into the fascinating, scandal-ridden world of ancient Rome in its most glorious heyday—when senators were endlessly filibustering legislation and exposing one another ' s sexual escapades to discredit the opposition. Accessible to us through his legendary speeches but also through an unrivaled collection of unguarded letters to his close friend Atticus, Cicero comes to life as a witty and cunning political operator, the most eloquent and astute witness to the last days of Republican Rome. Praise for Cicero " [Everitt makes] his subject—brilliant, vain, principled, opportunistic and courageous—come to life after two millennia. " —The Washington Post " Gripping . . . Everitt combines a classical education with practical expertise. . . . He writes fluidly. " —The New York Times " In the half-century before the assassination of Julius Caesar . . . Rome endured a series of crises, assassinations, factional bloodletting, civil wars and civil strife, including at one point government by gang war. This period, when republican government slid into dictatorship, is one of history ' s most fascinating, and one learns a great deal about it in this excellent and very readable biography. " —The Plain Dealer " Riveting . . . a clear-eyed biography . . . Cicero ' s times . . . offer vivid lessons about the viciousness that can pervade elected government. " —Chicago Tribune " Lively and dramatic . . . By the book ' s end, he ' s managed to put enough flesh on Cicero ' s old bones that you care when the agents of his implacable enemy, Mark Antony, kill him. " —Los Angeles Times

Julius Caesar Random House

Another in a series of superb biographies of ancient leaders, Baker tackles the life and times of Gaius Octavian Augustus, first emperor of Rome and founder of a Roman state that endured for centuries. Augustus Caesar Cooper Square Pub

In this lively and concise biography Karl Galinsky examines Augustus' life from childhood to deification. Augustus Augustus

*Includes pictures *Includes ancient accounts *Includes online resources and a bibliography for further reading "His character too had its distinct periods...Again, while his mother lived, he was a compound of good and evil; he was infamous for his cruelty, though he veiled his debaucheries, while he loved or feared Sejanus. Finally, he plunged into every wickedness and disgrace, when fear and shame being cast off, he simply indulged his own inclinations." - A description of Tiberius written by the ancient historian Tacitus Throughout the history of the Roman Empire, many rulers held the reins of ultimate power. Some of them, like Octavian, Trajan, Hadrian, Constantine, and Marcus Aurelius, are still celebrated and considered among antiquity's great statesmen, generals and thinkers. Conversely, the Roman Empire also had its fair share of notorious villains, from the sadistic Nero to the debauched Commodus, and all of Rome's poor rulers pale in comparison to the record and legacy of Gaius Julius Caesar Augustus Germanicus, a young man remembered by posterity as Caligula. One of the most overlooked emperors was also one of the first, and he lived in chaotic times. Tiberius was born in 42 BCE, just as the Roman Republic was dissolving and a new Roman imperial power structure emerged under Octavian, who became Rome's first emperor as Caesar Augustus. Tiberius's life soon became caught up with Augustus's as the emperor worked to found and establish a dynasty, but it is unclear if Tiberius ever really wanted to be part of Augustus's plans or inherit imperial power - Tiberius was known as a man who schemed and planned, but he was also a scholar and showed a marked desire throughout his life to retreat and escape the demands of power. Partially due to this continual tension, Tiberius's life is enigmatic in many ways. Tiberius championed the Republic and seemed to desire its return, yet his acceptance of imperial power and his reign solidified Rome's transition to an empire. He was a skilled general who showed concern for the well-being of his troops, and he displayed a remarkable patience as a military tactician. After he rose to become emperor in 14 CE, he ruled for over 22 years, which would be the longest reign of a Roman emperor over the next 100 years, but he remained suspicious of everyone and eventually chose the wrong person to trust, being eventually misled and betrayed by a man whom he

thought was his closest friend. When he finally died, aged and lonely, he had become so hated that crowds celebrated his death. Not surprisingly, given Tiberius's lack of popularity, especially at the end of his life, many of the primary sources present a view of Tiberius that is skewed in one direction or other, usually negatively. For example, Tacitus explicitly aimed to display examples of morally good and evil characters for his audience, and described Tiberius as a man who undergoes moral decline to become a hypocritical leader and a cruel tyrant, an enemy of freedom and justice. Suetonius, likewise, is concerned with tying the story together under a moral theme, and he depicts Tiberius as a man with problems such as cruelty and hatred toward his family. Cassius Dio wrote later than the other authors, and his account has many similarities with Suetonius's and Tacitus's. On the other hand, the account of Velleius Paterculus, a contemporary of Tiberius's, gives a more positive viewpoint; Velleius celebrated the peace that was achieved under Augustus and the continuation of the benefits of Augustus's reign under Tiberius, as well as lauding Tiberius as a careful, brilliant, and courageous leader. Tiberius: The Life and Legacy of Ancient Rome's Second Emperor examines the history of one of the most famous fighting forces in the world. Along with pictures depicting important people, places, and events, you will learn about the emperor like never before. SPQR: A History of Ancient Rome Createspace Independent Publishing Platform

Julius Caesar A little over 2000 years ago a man named Julius Caesar changed the world. Even if you had never heard of him his lasting legacy has no doubt had an impact on your life. No doubt, even the very calendar that you use is based upon the system he created, with the month of July bearing his name. So who was this man that singlehandedly changed the course of history? Inside you will read about... - The Underpinnings of a Republic - The Real Struggle Begins - When in Rome - The Ides of March This book follows the life and legacy of the man whose life stood as a footnote between Republic and Empire. The man who has inspired playwrights, governments, and the very days of the week, the life of Julius Caesar is an incredible journey to behold.

Tiberius Simon & Schuster

" The story of a Roman Emperor that might have been " (Fighting Times). Germanicus was regarded by many Romans as a hero in the mold of Alexander the Great. His untimely death, in suspicious circumstances, ended the possibility of a return to a more open republic. This, the first modern biography of Germanicus, is in parts a growing-up story, a history of war, a tale of political intrigue, and a murder mystery. In this highly readable, fast paced account, historical detective Lindsay Powell details Germanicus ' s campaigns and battles in Illyricum and Germania; tracks him on his epic tour of the Eastern Mediterranean to Armenia and down the Nile; evaluates the possible causes of his death; and reports on the cruel fate his wife, Agrippina, and their children suffered at the hands of Praetorian Guard commander, and Tiberius ' s infamous deputy, Aelius Sejanus.
