Hadrian and the Triumph of Rome Createspace Independent Publishing Platform

Richard Foreman, the author of the bestselling 'Raffles: The Gentleman Thief' books, blends the political intrigue of Robert Harris' series of Cicero novels with the action and adventure of Simon Scarrow in this sweeping historical epic. 'Augustus: Son of Rome' tells the story of the assassination of Julius Caesar and the rise of his heir, Gaius Octavius, as he journeys to Rome from Apollonia. We see a boy grow into a man as Octavius develops the moral courage, intelligence and ruthlessness that will finally see him become Augustus, Emperor of Rome. The pen and sword will be employed to defeat his enemies and Octavius will earn the name of "Caesar." Yet Rome will exact its price - and triumph will be accompanied by tragedy. Julius Caesar, Cicero, Cleopatra, Mark Antony, Brutus and Marcus Agrippa all feature in this epic adventure, which will appeal to fans of Shakespeare, Plutarch and Conn Iggulden alike. Richard Foreman is the author of the Raffles series of books and the historical novel 'A Hero of Our Time'. He has worked as a literary consultant and publicist to a number of bestselling authors, including Tom Holland, Conn Iggulden and Simon Scarrow. He lives in London. 'Augustus: Son of Rome forges action and adventure with politics and philosophy. This superb story is drenched in both blood and wisdom - and puts Foreman on the map as the coming man of historical fiction'. (Saul David, Author of the Zulu Hart series) Handbook to Life in Ancient Rome Createspace Independent Publishing Platform

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE KANSAS CITY STAR From Anthony Everitt, the bestselling author of acclaimed biographies of Cicero, Augustus, and Hadrian, comes a riveting, magisterial account of Rome and its remarkable ascent from an obscure agrarian backwater to the greatest empire the world has ever known. Emerging as a market town from a cluster of hill villages in the eighth and seventh centuries B.C., Rome grew to become the ancient world's preeminent power. Everitt fashions the story of Rome's rise to glory into an erudite page-turner filled with lasting lessons for our time. He chronicles the clash between patricians and plebeians that defined the politics of the Republic. He shows how Rome's shrewd strategy of offering citizenship to her defeated subjects was instrumental in expanding the reach of her burgeoning empire. And he outlines the corrosion of constitutional norms that accompanied Rome's imperial expansion, as old habits of political compromise gave way, leading to violence and civil war. In the end, unimaginable wealth and power corrupted the traditional virtues of the Republic, and Rome was left triumphant everywhere except within its own borders. Everitt paints indelible portraits of the great Romans—and non-Romans—who left their mark on the world out of which the mighty empire grew: Cincinnatus, Rome's George Washington, the very model of the patrician warrior/aristocrat; the brilliant general Scipio Africanus, who turned back a challenge from the Carthaginian legend Hannibal; and Alexander the Great, the invincible Macedonian conqueror who became a role model for generations of would-be Roman rulers. Here also are the intellectual and philosophical leaders whose observations on the art of government and "the good life" have inspired every Western power from antiquity to the present: Cato the Elder, the famously incorruptible statesman who spoke out against the decadence of his times, and Cicero, the consummate orator whose championing of republican institutions put him on a collision course with Julius Caesar and whose writings on justice and liberty continue to inform our political discourse today. Rome's decline and fall have long fascinated historians, but the story of how the empire was won is every bit as compelling. With *The Rise of Rome*, one of our most revered chroniclers of the ancient world tells that tale in a way that will galvanize, inform, and enlighten modern readers. Praise for *The Rise of Rome* "Fascinating history and a great read." —Chicago Sun-Times "An engrossing history of a relentlessly pugnacious city's 500-year rise to empire." —Kirkus Reviews "Rome's history abounds with remarkable figures. . . . Everitt writes for the informed and the uninformed general reader alike, in a brisk, conversational style, with a modern attitude of skepticism and realism." —The Dallas Morning News "[A] lively and readable account . . . Roman history has an uncanny ability to resonate with contemporary events." —Maclean's "Elegant, swift and faultless as an introduction to his subject." —The Spectator "[An] engaging work that will captivate and inform from beginning to end." —Booklist

The First Emperor Random House Trade Paperbacks

He found Rome made of clay and left it made of marble. As Rome's first emperor, Augustus transformed the unruly Republic into the greatest empire the world had ever seen. His consolidation and expansion of Roman power two thousand years ago laid the foundations, for all of Western history to follow. Yet, despite Augustus's accomplishments, very few biographers have concentrated on the man himself, instead choosing to chronicle the age in which he lived. Here, Anthony Everitt, the bestselling author of Cicero, gives a spellbinding and intimate account of his illustrious subject. Augustus began his career as an inexperienced teenager plucked from his studies to take center stage in the drama of Roman politics, assisted by two school friends, Agrippa and Maecenas. Augustus's rise to power began with the assassination of his great-uncle and adoptive father, Julius Caesar, and culminated in the titanic duel with Mark Antony and Cleopatra. The world that made Augustus—and that he himself later remade—was driven by intrigue, sex, ceremony, violence, scandal, and naked ambition. Everitt has taken some of the household names of history—Caesar, Brutus, Cassius, Antony, Cleopatra—whom few know the full truth about, and turned them into flesh-and-blood human beings. At a time when many consider America an empire, this stunning portrait of the greatest emperor who ever lived makes for enlightening and engrossing reading. Everitt brings to life the world of a giant, rendered faithfully and sympathetically in human scale. A study of power and political genius, Augustus is a vivid, compelling biography of one of the most important rulers in history.

Julius Caesar Mitchell Lane Publishers, Inc.

This is a concise but comprehensive biography of Augustus, the man who implemented the Roman Empire and served as its

most famous emperor. From the intro: "To those who have no more than a general idea of the history of Rome, the name Augustus, or even Octavian, conveys little more than the memory of a man who followed Julius Caesar, who won the battle of Actium against Mark Antony, and who was the first Emperor of Rome. And indeed Roman history itself, without some degree of study, does not seem to present more than the rise of a big republic from a small town on the hills, then a general confusion of wars and horrors, then one great luminous figure, Julius Caesar, and after him a long succession of emperors, some good and many bad, and, at the last, a general overthrow, an inrush of savage Northern tribes and the beginning of the Dark Ages. But when we look more closely into the history of Rome we begin to see that one thing seems to lead into another, that there is a certain chain of events and consequences, almost inevitable in their occurrence and development, and that certain changes that came about were essential to Rome's development."

Augustus

AugustusHe was the first emperor of one of the greatest empires ever known to man. He commanded unmatched authority in the ancient world and was always one step ahead of his opponents. He had an intellect and a sharp wit that could cut down his foes just as easily as the steel of his sword. The life of Octavian—later known as Augustus—is so rich and full, it would take several volumes to cover all of his exploits. Although he lived and died over 2,000 years ago, this founder of the Roman Empire is as intriguing as ever. Inside you will read about...? The Adoptive Son of Julius Caesar ? Defeating Mark Antony ? The Second Triumvirate ? The Suicide Pact ? The First Roman Emperor And much more! Learn the riveting history and the inspirational life of the most noble Roman of them all—Augustus.

Dio's Roman History Createspace Independent Publishing Platform

Suetonius' Life of Augustus is the most commonly read ancient account of the life of Rome's first emperor, presenting a mass of historical and biographical detail about both his public and personal lives. This volume provides the first large-scale commentary on Suetonius' work in English, drawing out what is unique about Suetonius' information, discussing how it relates to other ancient accounts, and assessing its historical reliability. The commentary is the first to be accessible to readers without any knowledge of Latin or Greek due to its use of English lemmata, while the new translation remains faithful to the original Latin. Accompanied by an introduction which investigates the career of Suetonius, the date of the Lives of the Caesars, the structure of the Life of Augustus, the various sources utilized by Suetonius, and the way in which the reader should approach this complex text, the commentary also looks to examine Suetonius' work not just as a repository of facts, but as a literary artefact carefully constructed by its author.

Germanicus Cambridge University Press

Augustus Caesar was Rome's first emperor, but exactly how he came to claim that title is a long and exciting story. It begins in Rome in 63 BCE when a baby boy named Gaius Octavius Thurinus is born. During his lifetime he would be known by several other names, but none so celebrated as Augustus. The nephew of Julius Caesar, Augustus inherited his role as leader of Rome. But blood would not be enough to retain the title. He would have to fight for it—and fight he did. Emerging victorious against all those who tried to usurp his power, Augustus became one of the most powerful men in not just Rome, but the Juvenile Nonfiction / History / General [BISAC] of the world.

Cicero Minotaur Books

New York Times Bestseller A New York Times Notable Book Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews Finalist for the National Book Critics Circle Award (Nonfiction) Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (Atlantic). In SPQR, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (Wall Street Journal). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life" (Economist) in a way that makes "your hair stand on end" (Christian Science Monitor) and spanning nearly a thousand years of history, this "highly informative, highly readable" (Dallas Morning News) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, SPQR will to shape our view of Roman history for decades to come.

Creating the Roman Empire e-artnow

The acclaimed historian and author of Caesar presents "a first-rate popular biography" of Rome's first emperor, written "with a storyteller's brio" (Washington Post). The story of Augustus' life is filled with drama and contradiction, risky gambles and unexpected success. He began as a teenage warlord whose only claim to power was as the grand-nephew and heir of the murdered Julius Caesar. Mark Antony dubbed him "a boy who owes everything to a name," but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC. Over the next half century, Augustus created a new system of government—the Principate or rule of an emperor—which brought peace and stability to the vast Roman Empire. In this highly anticipated biography, Goldsworthy puts his deep knowledge of ancient sources to full use, recounting the events of Augustus' long life in greater detail than ever before. Goldsworthy pins down the man behind the myths: a consummate manipulator, propagandist, and showman, both generous and ruthless. Under Augustus' rule the empire prospered, yet his success was constantly under threat and his life was intensely unpredictable.

In the Name of Rome BoD - Books on Demand

After defeating enemies in battle, Roman citizens celebrate in the streets as Julius Caesar and his entourage make their way through the city. As Caesar passes a soothsayer, he receives an ominous warning: "Beware the ides of March," which he immediately disregards. Meanwhile, some of his closest followers are convinced their leader has become too powerful and plot his removal. Plutarch's Lives of the Noble Grecians and Romans was Shakespeare's primary source for Julius Caesar. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Roman Empire CreateSpace

NATIONAL BESTSELLER • "An excellent introduction to a critical period in the history of Rome. Cicero comes across much as he must have lived: reflective, charming and rather vain."—The Wall Street Journal "All ages of the world have not produced a greater statesman and philosopher combined."—John Adams He squared off against Caesar and was friends with young Brutus. He advised the legendary Pompey on his botched transition from military hero to politician. He lambasted Mark Antony and was master of the smear campaign, as feared for his wit as he was for his ruthless disputations. Brilliant, voluble, cranky, a genius of political manipulation but also a true patriot and idealist, Cicero was Rome's most feared politician, one of the greatest lawyers and statesmen of all times. In this dynamic and engaging biography, Anthony Everitt plunges us into the fascinating, scandal-ridden world of ancient Rome in its most glorious heyday—when senators were endlessly filibustering legislation and exposing one another's sexual escapades to discredit the opposition. Accessible to us through his legendary speeches but also through an unrivaled collection of unguarded letters to his close friend Atticus, Cicero comes to life as a witty and cunning political operator, the most eloquent and astute witness to the last days of Republican Rome. Praise for Cicero " [Everitt makes] his subject—brilliant, vain, principled, opportunistic and courageous—come to life after two millennia."—The Washington Post " Gripping . . . Everitt combines a classical education with practical expertise. . . . He writes fluidly."—The New York Times "In the half-century before the assassination of Julius Caesar . . . Rome endured a series of crises, assassinations, factional bloodletting, civil wars and civil strife, including at one point government by gang war. This period, when republican government slid into dictatorship, is one of history's most fascinating, and one learns a great deal about it in this excellent and very readable biography."—The Plain Dealer "Riveting . . . a clear-eyed biography . . . Cicero's times . . . offer vivid lessons about the viciousness that can pervade elected government."—Chicago Tribune "Lively and dramatic . . . By the book's end, he's managed to put enough flesh on Cicero's old bones that you care when the agents of his implacable enemy, Mark Antony, kill him."—Los Angeles Times

Julius Caesar A little over 2000 years ago a man named Julius Caesar changed the world. Even if you had never heard of him his lasting legacy has no doubt had an impact on your life. No doubt, even the very calendar that you use is based upon the system he created, with the month of July bearing his name. So who was this man that singlehandedly changed the course of history? Inside you will read about... - The Underpinnings of a Republic - The Real Struggle Begins - When in Rome - The Ides of March This book follows the life and legacy of the man whose life stood as a footnote between Republic and Empire. The man who has inspired playwrights, governments, and the very days of the week, the life of Julius Caesar is an incredible journey to behold.

Augustus Standard Ebooks

"The story of a Roman Emperor that might have been" (Fighting Times). Germanicus was regarded by many Romans as a hero in the mold of Alexander the Great. His untimely death, in suspicious circumstances, ended the possibility of a return to a more open republic. This, the first modern biography of Germanicus, is in parts a growing-up story, a history of war, a tale of political intrigue, and a murder mystery. In this highly readable, fast paced account, historical detective Lindsay Powell details Germanicus's campaigns and battles in Illyricum and Germania; tracks him on his epic tour of the Eastern Mediterranean to Armenia and down the Nile; evaluates the possible causes of his death; and reports on the cruel fate his wife, Agrippina, and their children suffered at the hands of Praetorian Guard commander, and Tiberius's infamous deputy, Aelius Sejanus.

Julius Caesar Simon & Schuster

In this lively and concise biography Karl Galinsky examines Augustus' life from childhood to deification.

Augustus Mitchell Lane Publishers, Inc.

Bestselling classical historian Barry Strauss delivers "an exceptionally accessible history of the Roman Empire...much of Ten Caesars reads like a script for Game of Thrones" (The Wall Street Journal)—a summation of three and a half centuries of the Roman Empire as seen through the lives of ten of the most important emperors, from Augustus to Constantine. In this essential and "enlightening" (The New York Times Book Review) work, Barry Strauss tells the story of the Roman Empire from rise to reinvention, from Augustus, who founded the empire, to Constantine, who made it Christian and moved the capital east to Constantinople. During these centuries Rome gained in splendor and territory, then lost both. By the fourth century, the time of Constantine, the Roman Empire had changed so dramatically in geography, ethnicity, religion, and culture that it would have been virtually unrecognizable to Augustus. Rome's legacy remains today in so many ways, from language, law, and architecture to the seat of the Roman Catholic Church. Strauss examines this enduring heritage through the lives of the men who shaped it: Augustus, Tiberius, Nero, Vespasian, Trajan, Hadrian, Marcus Aurelius, Septimius Severus, Diocletian, and Constantine. Over the ages, they learned to maintain the family business—the government of an empire—by adapting when necessary and always persevering no matter the cost. Ten Caesars is a "captivating narrative that breathes new life into a host of transformative figures" (Publishers Weekly). This "superb summation of four centuries of Roman history, a masterpiece of compression, confirms Barry Strauss as the foremost academic classicist writing for the general reader today" (The Wall Street Journal).

Augustus New York Review of Books

The authoritative biography of the ancient Roman general and loyal deputy to Emperor Augustus by the acclaimed historian and author of Augustus at War. When Gaius Octavius became the first emperor of Rome, Marcus Agrippa was by his side. As the emperor's loyal deputy, he waged wars, pacified provinces, beautified Rome, and played a crucial role in establishing the Pax Romana—but he always served knowing that he would never rule in his own name. Why he did so, and never grasped power for himself, has perplexed historians for centuries. In this authoritative biography, historian Lindsay Powell offers a penetrating new assessment of Agrippa's life and achievements. Following Caesar's assassination, Agrippa was instrumental in asserting the rights of his friend Gaius Octavius as the dictator's heir, seeing him crowned Emperor Augustus. Agrippa then established a reputation as a bold admiral, defeating Marcus Antonius and Queen Cleopatra at the Battle of Actium, and ending bloody rebellions in the Cimmerian Bosphorus, Gaul, Hispania, and Illyricum. Agrippa was also an influential statesman and architect. He established the vital road network that turned Julius Caesar's conquests into viable provinces, overhauled Rome's drains and aqueducts, and built the original Pantheon. Marrying Augustus's daughter, Julia the Elder, Agrippa became co-ruler of the Roman Empire until his death in 12 BC. His bloodline lived on in the imperial family, through Agrippina the Elder, his grandson Caligula, and great-grandson Nero.

A Mist of Prophecies Random House Trade Paperbacks

Another in a series of superb biographies of ancient leaders, Baker tackles the life and times of Gaius Octavian Augustus, first emperor of Rome and founder of a Roman state that endured for centuries.

Augustus Caesar Yale University Press

Rome is a subject of endless fascination, and in this new biography of the infamous Empress Livia, Matthew Dennison brings to life a woman long believed to be one of the most feared villainesses of history. Second wife of the emperor Augustus, mother of his successor Tiberius, grandmother of Claudius and great grandmother of Caligula, the empress Livia lived close to the center of Roman political power for eight turbulent decades. Her life spanned the years of Rome's transformation from Republic to Empire, and witnessed both its triumphs under the rule of Augustus and its lapse into instability under his dysfunctional successor. Livia was given the honorific title Augusta in her husband's will, and was posthumously deified by the emperor Claudius—but posterity would prove less respectful. The Roman historian Tacitus anathematized her as "malevolent" and a "feminine bully" and inspired Robert Graves's celebrated twentieth-century depiction of Livia in I, Claudius as the quintessence of the scheming matriarch, poisoning her relatives one by one to smooth her son's path to the imperial throne. Livia, Empress of Rome rescues the historical Livia from the crude caricature of popular myth to paint an elegant and richly textured portrait. In this rigorously researched biography, Dennison weighs the evidence found in contemporary sources to present a more nuanced assessment. Livia's true "crime," he reveals, was not murder but the exercise of power. The Livia who emerges here is a complex, courageous and gifted woman, and one of the most fascinating and perplexing figures of the ancient world.

Livia, Empress of Rome CreateSpace

Describes the people, places, and events of Ancient Rome, describing travel, trade, language, religion, economy, industry and more, from the days of the Republic through the High Empire period and beyond.
