Incubator The Standards
Australia Incubator is a

sandpit for playing with new ideas and testing concepts. It's a place for you to share your vision of how we could develop standards better and how they could add greater value to Australian society by being delivered in more user focused ways.

The Wall Bracket drawing shows the Drafting Standard used within the title block. AS1100 is the drawing standard that is used within Australia. It defines every aspect of the drawing. AS1100 provides a standard

that (if followed by all companies), allows for a clarity, understanding and uniformity across all drawings generated nation wide.
