These car shop manuals are in-depth vehicle repair

guides which cover domestic cars ranging from the early teens to the late 1970s. You'll always find an array of DIY manuals and car repair books in stock at the best prices to help save you money completing your own auto services.

The auto repair manuals described above are for late-model vehicles. If you have a classic car or truck, you might think your only recourse for finding service information is scouring swap meets and flea markets, only to find old tattered, oil stained manuals with half the pages missing.
