What Is an Autobiographical
Essay? (with pictures)

An autobiographical research
paper is a text that blends the
writer's own experience with
scholarly research in order to
present an idea, point, or
argument about a particular
topic. Autobiographical research
papers aren't common

assignments outside of a student's
English composition course;
however, they're a common form
of writing that's frequently found
in popular magazines and
journals.

In general, an autobiographical essay focuses on you, your life, and your experience. But this type of paper can be a challenge for students due to its “ self-focused ” nature. As a rule, an autobiographical essay is an inescapable part of many applications for scholarships, universities, colleges, contests, or even job applications.
Autobiographical Research Papers

An autobiographical research paper is different from writing the other types of research papers. This type of a research paper is primarily based on the personal experiences of writers rather than on research. An autobiographical research paper is either based on the life of the author or a particular incident which has greatly influenced the life of the writer.
