This interactive CD-ROM program is a powerful tool for beginning learners of Japanese. It is based on the popular textbook Japanese: The Spoken Language, Part I (Yale University Press, 1987). The two-disc set -- available in Macintosh and PC formats -- reflects JSL's sound methodology and, in a rich multimedia environment, complements the textbook with an innovative, interactive, and user-friendly design. It contains 125 "Core Conversation" video clips, activities for

practice in context, helpful explanations about language and culture, and tools for student review and assessment, with native conversation models throughout. Whether used in the classroom or for self-study, the CD-ROM program helps students to communicate successfully in Japanese and makes learning both enjoyable and rewarding. A User's Guide, included with the CD-ROMS (and also sold separately), offers clear, concise instructions for the program's most effective use. In addition, it provides comprehensive guidance for learners of Japanese and answers to some of their commonly asked questions. A Faculty Guide is also available to help instructors incorporate into their curricula the components of Japanese: The Spoken Language, Multimedia Collection -- a grouping of new and previously published text, audio, video, and CD-ROM materials that together form a complete package for learning and teaching spoken Japanese at the beginning level.

AP Spanish McDougal Littell

[The book] is intended to meet the need for a text to accompany the Advanced Placement Spanish Lanugae course. The

overall goal ... is to prepare students to perform at a high level of proficiency in the four basic language skills: listening, speaking, reading and writing. Upon completing the course, students are expected to be able to comprehend formal and informal Spanish, and also speak, read and write cohesively and precisely at the third-year college level. [The authors] have attempted to create a series of exercises that will both meet the general objectives of the course and help the students prepare for the Advanced Placement examination ... Although geared primarily to the AP course and examination, the book is also intended to provide an opportunity for advanced learning. The exercises are desgined not only to review and reinforce students' knowledge, but also to increase their vocabulary and sharpen their grammatical skills. [The book] can be used as a complementary text in any advanced course in Spanish.-Intro.

Unit Resource Book 8, Level 3 McDougal Littell/Houghton Mifflin

What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-

based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of *Understanding by Design*. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and

examples from all subject areas, the book demonstrates how the research-based principles of *Understanding by Design* apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of *Understanding by Design* offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

We Still Do 75th Anniversary Since Wedding Celebration 75th Wedding Anniversary Guest Book Prentice Hall

Precalculus McDougal Littell

In this elementary textbook, Philip S. Peek draws on his twenty-five years of teaching experience to present the ancient Greek language

in an imaginative and accessible way that promotes creativity, deep learning, and diversity. The course is built on three pillars: memory, analysis, and logic. Readers memorize the top 250 most frequently occurring ancient Greek words, the essential word endings, the eight parts of speech, and the grammatical concepts they will most frequently encounter when reading authentic ancient texts. Analysis and logic exercises enable the translation and parsing of genuine ancient Greek sentences, with compelling reading selections in English and in Greek offering starting points for contemplation, debate, and reflection. A series of embedded Learning Tips help teachers and students to think in practical and imaginative ways about how they learn. This combination of memory-based learning and concept- and skill-based learning gradually builds the confidence of the reader, teaching them how to learn by guiding them

from a familiarity with the basics to proficiency in reading this beautiful language. Ancient Greek I: A 21st-Century Approach is written for high-school and university students, but is an instructive and rewarding text for anyone who wishes to learn ancient Greek.

Amazing Classroom Essentials Penguin
PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. This absolutely essential language guide and workbook will expand your English vocabulary in no time. Spilling over with thousands of entries for useful words and phrases, this is the perfect study aid for any adult learning English as a foreign language. With 3,000 words across hundreds of pages, English Vocabulary Builder brings you everything you need to know and much, much more. From activities, family, holidays, science, and work to animals, feelings, health, sports, and weather, just about every subject in the English language is covered in eye-catching, illustrative detail. All the vocabulary is shown with both UK and US spellings, and every word can be heard with its own audio recording in the accompanying app available for download.

Additional interactive exercises ensure language learning is an easy, entertaining, and educational experience. This book is part of DK's best-selling English for Everyone series, which is suitable for all levels of English language learners and provides the perfect reading companion for study, exams, work, or travel. With audio material available on the accompanying website and Android/iOS apps, there has never been a better time to learn English.

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

En la Ocho Y la Doce | avancemos!

An excellent addition to intermediate or advanced-level Spanish language or literature courses, En la Ocho y la Doce is a collection of microfictions and longer stories that present diverse perspectives on the experience of Cuban emigration to the United States. Unlike many intermediate-level readers, which anthologize standard works, this volume presents outstanding, authentic literature and themes that are highly relevant to heritage speakers in this country.

Avancemos! Angela Watson
En español is a multi-level Spanish program for middle school and high school that provides a balanced approach to proficiency and grammar along with interdisciplinary features and projects to build confident communicators.
