Get organizational results by

<p>nurturing commitment, integrity, and transparency. A healthy corporate culture is the secret to an organization's performance. The good news is that employees already embody the values needed to propel the organization to its goals, but institutional roadblocks get in the way. All too often leaders don't know how to diagnose their culture in order to clear these roadblocks to performance. The 3 Power Values presents a breakthrough model that permits leaders to measure and manage culture. To</p>	<p>create a fully aligned high-performing culture, leaders need only focus on nurturing three catalyst values: Commitment, Integrity, and Transparency. Offers an innovative values-centered model to help organizations achieve short-term goals without sacrificing long-run sustainability. Filled with lively case studies of major companies including Johnson & Johnson and Boeing. David Gebler is a recognized thought leader in the field of values-based ethics and culture risk management. The</p>	<p>3 Power Values offers leaders at all levels a unique and accessible approach to identifying the behavioral challenges that are hindering their corporate culture and to removing them effectively.</p> <p><u>Medical Records Specialist</u> Bloomsbury Publishing Covers receipts and expenditures of appropriations and other funds.</p> <p><u>On-line Cataloging</u> Sterling Publishing Company, Inc. Telikin 22 Quick Start Guide and User's Manual

This manual is aimed at helping medical record workers in the development and management of medical records services of health

care facilities in developing countries in an effective and efficient manner. It has not been designed as an introductory text to medical record management, but rather as an aid to medical record officers (MROs) and medical record clerks by describing appropriate systems for Medical Records Departments in developing countries. It covers manual procedures and may be used as an adjunct to computerized systems. It does not provide all of the options for medical record

management, but it does provide one option in each area for the management of medical records in developing countries. A list of the textbooks that provide detailed information on medical record management is also provided.
