An "inherently governmental function" is one that, as a matter of law and policy, must be performed by federal government employees and cannot be contracted out because it is "intimately related to the public interest". This book provides background, issues and options for Congress on defining inherently governmental functions within the context of DOD operations. It situates contemporary debates over which functions are inherently governmental within the context of the broader debate about the proper roles of the public and private sectors.

[Mary Had a Little Jam](#)

Shocking revelations about family secrets propel this warmhearted story of three lifelong friends facing the future after cancer. Kathy's husband is a serial cheater, Eileen's mother keeps telling her she's not wonderful like her sister, and Charlotte still aches from losses of years ago. This is their second chance, the moment when they can make important life changes. As they take up the challenge of finding hidden treasures at a family beach house in Cape May and back home in the affluent Washington, DC, suburb of Bethesda, Maryland, these Baby Boomer best friends discover surprising truths as well as new strengths in themselves. Steve, an old friend with his own mystery to solve, and much younger Brian, whose army career has always been his whole focus, become their partners in self-discovery and change. *Life Is Too Short* is a meaty, emotional read featuring mature characters making big life changes after cancer throws them a curve.
