IP Office VoiceMail Pro 11.1.0.0 adversely impacts Avaya Call Recording (Xima) and potentially other External Call Recording Applications stored call records May 22, 2020 1100 and 1200 Series Phone Transition to SHA-2 Compliant Firmware Signing Certificate April 27, 2020

first off, voicemail is not a means of recording a meeting, you should really find another alternative if you want to record meetings. Second if you system is setup correctly all VM's should go to the program files (x86)>Avaya>IP office>voicemailpro >VM>accounts folder> user or extension folder.
