Nora Roberts Land Harlequin

In the tradition of Octavia Butler, here is radical self-help, society-help, and planet-help to shape the futures we want. Change is constant. The world, our bodies, and our minds are in a constant state of flux. They are a stream of ever-mutating, emergent patterns. Rather than steel ourselves against such change, Emergent Strategy teaches us to map and assess the swirling structures and to read them as they happen, all the better to shape that which ultimately shapes us, personally and politically. A resolutely materialist spirituality based equally on science and science fiction: a wild feminist and afro-futurist ride! adrienne maree brown, co-editor of Octavia's Brood: Science Fiction from Social Justice Movements, is a social justice facilitator, healer, and doula living in Detroit.

*A Darkness Absolute* Oxford University Press

Radical Intuition reveals an all new understanding of intuition and how to use it to live an extraordinary life. This practical guide will teach you to go beyond thinking and discover higher awareness with the power of intuition — a revolutionary force at the threshold of a new era of consciousness. Kim Chestney gives clear guidance for tuning in to your own process of insight, backed by voices from successful insight leaders who recognize intuition as the source of genius in all aspects of life. Learn how to tap into your inner wisdom and create the life you are made for. Featuring contributions from Kelly Noonan Gores (writer/director of the documentary HEAL), Steve Kilbey (singer-songwriter of the Church), Brett Larkin (Uplifted Yoga), Day Schildkret (author of Morning Altars), Jesse Schell (author of The Art of Game Design).

*Crow Del Rey*

In Thomas Ligotti's first nonfiction outing, an examination of the meaning (or meaninglessness) of life through an insightful, unsparring argument that proves the greatest horrors are not the products of our imagination but instead are found in reality. "There is a signature motif discernible in both works of philosophical pessimism and supernatural horror. It may be stated thus: Behind the scenes of life lurks something pernicious that makes a nightmare of our world." His fiction is known to be some of the most terrifying in the genre of supernatural horror, but Thomas Ligotti's first nonfiction book may be even scarier. Drawing on philosophy, literature, neuroscience, and other fields of study, Ligotti takes the penetrating lens of his imagination and turns it on his audience, causing them to grapple with the brutal reality that they are living a meaningless nightmare, and anyone who feels otherwise is simply acting out an optimistic fallacy. At once a guidebook to pessimistic thought and a relentless critique of humanity's employment of self-deception to cope with the pervasive suffering of their existence, *The Conspiracy against the Human Race* may just convince readers that there is more than a measure of truth in the despairing yet unexpectedly liberating negativity that is widely considered a hallmark of Ligotti's work.

*The Christmas Compromise* Wattpad Books

The classic book on the development of human language by the world's leading expert on language and the mind. In this classic, the world's expert on language and mind lucidly explains everything you always wanted to know about language: how it works, how children learn it, how it changes, how the brain computes it, and how it evolved. With deft use of examples of humor and wordplay, Steven Pinker weaves our vast knowledge of language into a compelling story: language is a human instinct, wired into our brains by evolution. *The Language Instinct* received the William James Book Prize from the American Psychological Association and the Public Interest Award from the Linguistics Society of America. This edition includes an update on advances in the science of language since *The Language Instinct* was first published.

Traditional understandings of the genesis of the separation of church and state rest on assumptions about "Enlightenment" and the republican ethos of citizenship. In *The Religious Roots of the First Amendment*, Nicholas P. Miller does not seek to dislodge that interpretation but to augment and enrich it by recovering its cultural and discursive religious contexts--specifically the discourse of Protestant dissent. He argues that commitments by certain dissenting Protestants to the right of private judgment in matters of Biblical interpretation, an outgrowth of the doctrine of the priesthood of all believers, helped promote religious disestablishment in the early modern West. This movement climaxed in the disestablishment of religion in the early American colonies and nation. Miller identifies a continuous strand of this religious thought from the Protestant Reformation, across Europe, through the English Reformation, Civil War, and Restoration, into the American colonies. He examines seven key thinkers who played a major role in the development of this religious trajectory as it came to fruition in American political and legal history: William Penn, John Locke, Elisha Williams, Isaac Backus, William Livingston, John Witherspoon, and James Madison. Miller shows that the separation of church and state can be read, most persuasively, as the triumph of a particular strand of Protestant nonconformity--that which stretched back to the Puritan separatist and the Restoration sects, rather than to those, like Presbyterians, who sought to replace the "wrong" church establishment with their own, "right" one. *The Religious Roots of the First Amendment* contributes powerfully to the current trend among some historians to rescue the eighteenth-century clergymen and religious controversialists from the enormous condescension of posterity.

When experienced homicide detective Casey Duncan first moved to the secret town of Rockton, she expected a safe haven for people like her, people running from their past misdeeds and past lives. She knew living in Rockton meant living off-the-grid completely: no cell phones, no Internet, no mail, very little electricity, and no way of getting in or out without the town council's approval. What she didn't expect is that Rockton comes with its own set of secrets and dangers. Now, in *A Darkness Absolute*, Casey and her fellow Rockton sheriff's deputy Will chase a cabin-fevered resident into the woods, where they are stranded in a blizzard. Taking shelter in a cave, they discover a former resident who's been held captive for over a year. When the bodies of two other women turn up, Casey and her colleagues must find out if it's an outsider behind the killings or if the answer is more complicated than that...before another victim goes missing. Casey Duncan returns in another heart-racing thriller from #1 New York Times bestselling author Kelley Armstrong.

Mega-Pastor and media personality John Gray uses powerful Biblical principles to help you become your best self -- the person God created you to be. In *WIN FROM WITHIN*, John Gray helps readers identify how best to handle the most difficult, challenging and yet necessary battle that we all face--our inner struggle to overcome the worst versions of ourselves. He offers biblical lessons to aid in combatting bad habits and limiting patterns so that the best version of ourselves emerges. *WIN FROM WITHIN* gives practical application to the story recorded in Genesis of Jacob wrestling with the man at the River Jabbok, and through it readers will learn how to become the persons they were created to be. The persons God intended each of us to be develops as we face our inner battles. With examples from his own life as well as his ministerial counseling, Gray provides a pathway to awakening. He includes strategies for confronting the past, how we have been labeled, who people have said we are, even who we think we are, so that we can win the battle and be who God intends us to be. Jacob spent much of his life running and hiding from himself. At a certain point we, like Jacob, cannot run from our true selves anymore. We must stop and face ourselves if we are to become great. *WIN FROM WITHIN* helps us conquer our inner darkness and overcome such hindrances as fear, shame and guilt. This powerfully biblical self-help guide will push us toward victory over our inner struggles. Winning will make us the persons we have always wanted to be, the persons we have dreamed about becoming, the persons God created us to be.

*The Waking Land* Heather Boyd

#1 NEW YORK TIMES BESTSELLER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British

colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine's award-winning "1619 Project" issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world, and *Switched* is the book that started the phenomenon. Prepare to be enchanted... When Wendy Everly was six years old, her mother was convinced she was a monster and tried to kill her. Eleven years later, Wendy discovers her mother might have been right. She's not the person she's always believed herself to be, and her whole life begins to unravel—all because of Finn Holmes. Finn is a mysterious guy who always seems to be watching her. Every encounter leaves her deeply shaken...though it has more to do with her fierce attraction to him than she'd ever admit. But it isn't long before he reveals the truth: Wendy is a changeling who was switched at birth—and he's come to take her home. Now Wendy's about to journey to a magical world she never knew existed, one that's both beautiful and frightening. And where she must leave her old life behind to discover who she's meant to become... As a special gift to readers, this book contains a new, never-before-published bonus story, "The Vittra Attacks," set in the magical world of the *Trylle*.

*The Art of Fire Emblem: Awakening* Independently Published  
Ever since he went through his awakening at fifteen, Reginald Forsyth ("Reggie") had received mysterious notes on his bathroom mirror every birthday. Initially supportive, the notes got progressively more flirtatious as he got older. Now, one day from his twenty-fifth birthday, Reggie is about to be an adult in vampire terms, and ready to meet his admirer. After shouting off his big mouth, Dirkin spent ten years in the shadows, watching his mate grow from a teenager into a handsome and sensitive adult. Now all he wants is to see if holding the mans of his dreams is as good as he'd imagined. He could have done without some of Reggie's questionable friends, but with his mate by his side, there wasn't much Dirkin couldn't handle. Or so he thought. A sultry cat-shifter, a goth vampire, Dirkin's best friend Balthazar, and a karaoke machine all have to be dealt with before he and Reggie get their HEA. And an Italian chef gets a mention too. There's no question here if Dirkin and Reggie get their HEA - the only question is whether or not they'll have the energy left to enjoy it. Reggie's *Reasons* is the second book in the *Quirk of Fate* series. *Quirk of Fate* is a series of independent standalone stories that have no attachment to others in the series except by the quirky and different ways Fated Mates can end up meeting. This story is 46,000 words, and includes some violence, intimate situations between men, and adult language. It is intended for adults only. Please store your ebooks responsibly.

**Bonded to the Dragon** Vintage  
'Blown to Bits' is about how the digital explosion is changing everything. The text explains the technology, why it creates so many surprises and why things often don't work the way we expect them to. It is also about things the information explosion is destroying: old assumptions about who is really in control of our lives.

**The Arrival** Harper Collins  
Looking for love, four friends cast a spell. Thrust into a terrifying new world, they find themselves fighting for their lives, until help drops in. Now, alongside the Griffon Guard, they must learn to use powers they never knew they had, to save a world they never knew existed.

Win from Within Sounds True  
\*\*Nora Roberts gave her blessing for the use of her name in both the title and the premise in this suspenseful and emotional contemporary romance.\*\*  
International Bestselling Author Ava Miles presents the #1 National Bestseller NORA ROBERTS LAND. Selected as one of the Best Books of the Year (USA Today). #1 New York Times Bestselling Author Barbara Freethy says, "Ava's story is witty and charming." Journalist Meredith Hale's ex-husband claimed her Nora Roberts addiction gave her unrealistic expectations about marriage, and she believed him. All dreams of happily ever

after—or Nora Roberts Land as her mother calls it—went up in smoke. But when her family asks her to temporarily help their Dare Valley, Colorado newspaper, she decides it's time to change her life and prove her ex wrong. She's determined to find her own small-town Nora Roberts hero, prove that true love exists, and publish a story about her quest. War correspondent Tanner McBride has just returned stateside to work for a major newspaper, and the last thing he expects is blackmail. Yet, before he can even unpack, he's headed to Colorado. His assignment? Make his boss's ex-wife fall for him and then break her heart. Her article about discovering love à la Nora might air dirty laundry about her marriage to the media mogul, threatening his senate run. The mogul wants Meredith stopped, and he makes sure Tanner has no choice in the matter. When the two meet, the sparks between them are undeniable. Meredith, who vowed never to date another journalist, begins to succumb. Could Tanner be her Nora Roberts hero? As they work together to uncover the truth behind a suspicious death, the depth of their feelings unfolds and both realize they've kept their secrets for far too long. But before the truth can be revealed, their investigation takes a deadly turn, one that might make Meredith's personal Nora Roberts Land go up in flames.
