You know you're addicted to adventure when you can't think of anything else. It's all you want to do ... it's all you want to feel ... it's all you want to be. Imagine your life if all of your dreams of adventure came true. For some, that's exactly what happens. It can happen to you ... nothing is impossible ... as long as you let yourself imagine. Below ancient Egypt's peaceful surface lurks a danger ready to pounce. It silently waits for the moment it will end the reign of the Pharaonic blood-line, and take control forever. The very thing that legend says keeps the Pharaoh safe is in danger of falling into the wrong hands, and time to defeat the evil threat is running out fast. Axel, Linc, and Rani must face their most dangerous challenges so far. The danger in this deadly new mission has been turned up a notch ... or ten. This incredible fast-paced adventure weaves its thrills and mystery through the very crossroads of time. From ancient Egypt ... to the center of time ... to modern Paris, it's a ride that only the brave can survive. Who is the enemy? Only time will tell. Praise for AXEL RHODES and the FALLEN PHARAOH "Wow! This third book is absolutely awesome." - GOODREADS Once you've caught your breath, continue to ride the amazing Axel Rhodes Adventures series: AXEL RHODES and the GOLDEN SCARAB (Book 1) Readers' Favorite Book Award Finalist "This tale is a great adventure ... Praise for AXEL RHODES and the GOLDEN SCARAB "This tale is a great adventure ... I was enthralled ..." - READERS' FAVORITE "This story is unique, action-packed and exciting ... I was totally hooked ..." - THIS KID REVIEWS BOOKS Adventure dwells quietly like a shadow in all of us, waiting to launch us into something spectacular. We all dream of incredible places. We all dream of incredible heroes. We all dream of incredible lives. Sometimes, those dreams become real. Axel Rhodes has that same yearning. To break free from the norm ... to be the best he can be ... to save the world ... to be a hero. Enter, the Museum of Grandovia, home to a million incredible secrets. Axel has a curious encounter amid a trove of ancient treasures. Someone is calling him. Someone needs him. It's time for a new hero to rise. A long-time feud between two powerful brothers, Seth and Horus, threatens the fragile peace in ancient Egypt. Axel and his best friend, Linc, must transcend time to save the day. Joined by new ally, Rani, they embark on a perilous race through scorching deserts and temples full of hidden chambers primed with deadly traps. All the while, an army of deadly statues (Uberdiles) are determined to stop them. It's up to Axel and his friends to find the mysterious Golden Scarab, defeat the threat of evil, and save history. If they fail, the impact on the future will be a disaster. Once you've caught your breath, continue to ride the incredible AXEL RHODES series: AXEL RHODES and the CURSED NILE (Book 2) - Due later in 2020 "...absolutely wonderful - even better than the first." - MOTHER DAUGHTER BOOK REVIEWS AXEL RHODES and the FALLEN PHARAOH (Book 3) - Due later in 2020 "Wow! This third book is absolutely awesome." - GOODREADS AXEL RHODES and the MISSING LINK (Book 4) - Due later in 2020 Note: The original edition of this book was known as The Golden Scarab. *The Canadian Patent Office Record and Register of Copyrights and Trade Marks* Motorbooks International Fully updated and in line with latest specifications, this textbook integrates vehicle maintenance procedures, making it the indispensable first classroom and workshop text for all students of motor vehicle engineering, apprentices and keen amateurs. Its clear, logical approach, excellent illustrations and step-by-step development of theory and practice make this an accessible text for students of all abilities. With this book, students have information that they can trust because it is written by an experienced practitioner and lecturer in this area. This book will provide not only the information required to understand automotive engines but also background information that allows readers to put this information into context. The book contains flowcharts, diagnostic case studies, detailed diagrams of how systems operate and overview descriptions of how systems work. All this on top of step-by-step instructions and quick reference tables. Readers won't get bored when working through this book with questions and answers that aid learning and revision included.

How the World Rides Vintage

Fate hasn't always been friends with Isabelle West. In fact, fate has been a downright bitch. Isabelle has learned the hard way how hard life can be when fate isn't by your side. It can hand you dreams on silver platters, but it can snatch them right back and hand you nightmares. One thing Isabelle knew for sure fate was consistent with was taking away everything she ever loved. For the last two years Isabelle has been slowly clearing the clouds of her past. Happiness is finally on the horizon. She has a thriving business, great friends, and her life back. All she has to do is jump over the last hurdle...her ex-husband. When problems start causing her to fear her new life, and memories that are better left forgotten start rushing to the surface the last thing she needs is a ghost from her past to come knocking on her door. Axel never thought he would look into the eyes of Isabelle West again, and he wasn't sure he wanted to now. He's carried his anger for so long he isn't sure he can just turn it off, but when he is faced with protecting her and an unexpected desire to have her again, life gets a little more complicated. How will Axel and Isabelle deal when all their cards are put on the table and everything they thought was true blows up in their faces?

The NHL's been at my door since I was 18. But I'd never leave the Swedish Hockey League—Not while raising my little brother. But now he's grown and the Carolina Reapers show up with my greatest weakness: Langley Pierce, their new head of PR. I've never been able to say no to her. She's fierce, independent, and the sexiest woman I've ever met. She also has a stubborn streak wider than my entire country. One comment from her smart mouth about never dating again, and I propose. No, really, I actually propose: A six-month marriage contract in exchange for signing with the Reapers. I want to date this woman so badly that I'm going to marry her first. I'll use each day to show her how a queen should be treated. Our wedding day started a countdown I'm powerless to stop, and the faster the months fly, the harder I fall. She's sworn she'll never choose a man over her career, and I promised never to ask her to. Until I'm forced to. How can we move forward when we started this whole thing backwards? If I can't convince her this marriage is anything but fake—The next document we sign will crush us both. Welcome to the Carolina Reapers, Samantha Whiskey's newest hockey series where the chill of the ice meets sultry southern nights. --Back cover.

Can she tempt him to take a second chance? As the oldest brother, pro bull rider Axel Wolf has always worn the yoke of family responsibility. Seven years ago when he was at the top of his career, he gave it all up to return home to Last Stand, Texas, to raise his youngest brother and take over the reins of their massive cattle ranch. But his career wasn't the only thing he left behind. A chance meeting with the woman he never stopped loving, Cruz, blows apart his work-only life, and he starts to want more than just his ranch. Axel's never backed down from a challenge, but this is one risk, the cowboy's not sure he can take. Former barrel racer and now single mom Cruz Lopez excels at staring down obstacles and winning. A newly certified physician's assistant, she's determined to build her career and create a new life for herself and her son in Texas just as long as it's far from one sexier than sin Last Stand cowboy, who once nearly derailed her dreams and goals. Only it's not. Luckily it's temporary, and Cruz is confident she can avoid Axel for a month except a horrific accident throws them together when they both stop to help. Axel was her first and only love, and now she's struggling to remember all the reasons he's wrong when he feels so right. He told her once he never wanted a family. So why is he inviting them both on picnics and teaching her son to ride and rope? Axel is her past, but she's starting to hope for a future with him. Can she trust him when it's not just her heart at risk this time?

[Room on the Broom](#) Schwartz & Wade

A special book and CD edition of the bestselling Room on the Broom. "How the cat purred and how the witch grinned, As they sat on their broomstick and flew through the wind." The witch and her cat fly happily over forests, rivers and mountains on their broomstick until a stormy wind blows away the witch's hat, bow and wand. Luckily, they are retrieved by a dog, a bird and a frog, who are all keen for a ride on the broom. It's a case of the more, the merrier, but the broomstick isn't used to such a heavy load and it's not long before. . . SNAP! It breaks in two! And with a greedy dragon looking for a snack, the witch's animal pals better think fast. A very funny story of quick wits and friendship, Room on the Broom is another smash hit from the unparalleled picture-book partnership of Julia Donaldson and Axel Scheffler, creators of The Gruffalo. Room on the Broom Book and CD Pack features the classic story with a stunning redesigned cover and finish, and a story CD read aloud by actress and comedienne Josie Lawrence, making it a must-have addition to the bookshelves of all Donaldson and Scheffler fans - big and small! Other available book and CD packs with redesigned covers are The Gruffalo, The Gruffalo's Child, The Snail and the Whale, The Smartest Giant in Town, Monkey Puzzle, Charlie Cook's Favourite Book, and A Squash and a Squeeze.

[Axel's Promise](#) Candlewick Press

Set against a background of unrivaled beauty and mystical fascination in the ancient kingdom of Siam. The drama begins on the first page of The Falcon of Siam with a sea adventure as Constantine Phaulkon is betrayed by the crew he hired to help him smuggle Dutch made cannons to the Queen of Pattani. The fate of Phaulkon's grand plan, not to mention his life rests on the successful completion of this sale. At stake is not only the vast trading opportunities of this rich opulent kingdom but Phaulkon has fallen in love with the beautiful and exotic country of Siam and its people and he understands the serious threat the Dutch pose to an independent Siam. If the Dutch control Siam they would also control the vital Mergui Crossing and be able to exert a monopoly on virtually all of the European trade with Asia. Setting at the controls of this whirlwind of deceit, treachery and betrayal is King Narai. The revenue to run Siam came from trade and the King knew the Arab traders who were put in positions to control the trade with the outside world by his ancestors were cheating the Siam treasury. The King hoped to use the Dutch as a balance to bring the Arab traders back in line. At first the Dutch with their superior technology seemed to offer a solution but the Dutch were so efficient they soon wanted to take control and run the whole country. The latest foreigners to arrival were the British, and among them was one with a name impossible to pronounce but he had learned to speak Siam. None of the other foreigners except for a few Jesuit priests had learned to speak Siamese. The King had his spies keep a close watch on this strange newcomer.

[Chassis Handbook](#) Macmillan Digital Audio

"Thoroughly updated and expanded, 'Fundamentals of Medium/Heavy Duty Commercial Vehicle Systems, Second Edition' offers comprehensive coverage of basic

concepts building up to advanced instruction on the latest technology, including distributed electronic control systems, energy-saving technologies, and automated driver-assistance systems. Now organized by outcome-based objectives to improve instructional clarity and adaptability and presented in a more readable format, all content seamlessly aligns with the latest ASE Medium-Heavy Truck Program requirements for MTST." --Back cover.

When Posy sees Pip riding his scooter in the park, she grabs it from him and tries to ride it, but since she's never ridden a scooter before she falls down and Pip must decide what to do.

Axle Annie Tule Publishing

Something boils inside of me, making me lose control.All throughout my childhood, I was complacent vying for my father's approval. Of course, that never happened and I finally relinquished the fantasy when he attempted to kill my fated mate.Making matters worse, I learn that my life was a lie.The man who claims to be my father hunts me. After all, he has all the power and control. But I'm going to find myself and bring him to his knees.... Or die trying.

Red Army Weapons of the Second World War Jones & Bartlett Learning

Heartsick unpacks the destruction of love by following the true stories of three lives altered by a major heartbreak. I wrote this book for the person who doesn't want to be told that this too shall pass. Not yet. Who wants to sit with it. And see it for what it is. Who wants to know they're not alone. That their pain is at once unique and universal. Belonging to them and everyone. When we're thrown into the chaos of heartsickness, we focus so much on the end. The fact we are now unloved seems so much more important than the reality that we once were. This book was born in the hours I've waited for men to message me back and who never did... In the years full of almost-relationships, I thought, "I cannot handle another rejection," and then found myself turned down by someone I wasn't even sure I liked. I wrote this book because I know what it is to feel fundamentally unlovable. I knew when I was looking for Ana, Patrick, and Claire that their stories had to be true, because within them would be nuances I'd never noticed before and realities I couldn't have invented. I didn't want to be limited by what I happened to know about love and loss. I wanted to learn from people as I wrote, injecting wisdom from different places and genders and ages into this book. Weaving together these three true stories, Jessie Stephens captures the painful but wholeheartedly universal experience of heartbreak. Deeply relatable, addictive to the very last page, and powerfully human, Heartsick reminds us that emotional pain can make us as it breaks us and that storytelling has the ultimate healing power. In the solitude that reading a book demands, one is forced to reflect on one's own life. After all, every time we explore others, we're mostly just exploring ourselves. These are their stories—Ana's and Patrick's and Claire's. But it is also my story and our story. I trust within it you will find echoes of yourself.

Scientific Canadian Mechanics' Magazine and Patent Office Record Penguin

Matter and Interactions, 4th Edition offers a modern curriculum for introductory physics (calculus-based). It presents physics the way practicing physicists view their discipline while integrating 20th Century physics and computational physics. The text emphasizes the small number of fundamental principles that underlie the behavior of matter, and models that can explain and predict a wide variety of physical phenomena. Matter and Interactions, 4th Edition will be available as a single volume hardcover text and also two paperback volumes.

Always impatient and driving too fast, Rush Hotfoot learns the importance of safety from school bus driver Axle Annie and her bus full of kids.

Pontiac GTO Restoration Guide 1964-1972 Springer Science & Business Media

While the Red Army's arsenal at the start of the Second World War included weapons dating back to the Great War or earlier, the 1930s' modernization program had introduced the automatic Tokarev pistol and self-loading Tokarev rifle. Its small arms were soon replaced by mass-produced sub-machine guns, such as the PPSH 1941, nicknamed the 'PePeSha,'. Supplementing the submachine guns, the Degtyarev Light Machine Gun DP-27. Fitted with a circular pan magazine, it received the not-unsurprising nickname 'Record Player.' New mortars and towed artillery pieces, ranging from 76mm to 203mm, entered service in the pre-war years. In addition to a wide range of towed, self-propelled and anti-tank guns, the Soviets fielded the Katyusha rocket launchers in 1941, nicknamed the 'Stalin's organ' by the Germans. The 1930s saw the introduction of the BT light tank series. The iconic T-34 medium tank series came into service in late 1940, joined by the IS-2 heavy tank from early 1944, the prefix letters 'IS' translates to Joseph Stalin. These formidable AFVs led the Red Army to victory in May 1945 over Nazi Germany. All these weapons and more are covered with numerous images in this authoritative overview of the subject.
