As a technical trainer on the 737, I splashed out

(what I consider to be) rather a lot of cash on the 'B737 Technical Guide' a few years ago. In the intervening years I think I have opened it less than 10 times, and have been disappointed every time.

The Boeing 737 Technical Site "Written by a maintenance test pilot on the B737 who is currently employed by

a leading European budget airline, this technical guide offers facts, tips, photographs and points of interest about the type to supplement existing airline and manufacturers manuals.
