Lexi911@yahoo.com Reply-To: mrbigshot69@gmail.com Re: Emergency Hey, is this Sexy Lexi? I got your email from John. I have a 9-1-1, and need your services. Big family dinner on Saturday at the ballroom, Cipriani Wall Street, and will be surrounded by family and business associates. John said you were really high class and brainy. In other words, not your usual escort. If you ' re available, wear something amazing but conservative. John showed me the menu. I ' ll take a standard date with no add-ons. The usual conditions apply. Cheers, MBS

" Oh, my God... " I was in awe that anyone could write an email and use an email address like that. " It ' s from — get this — Mr. Big Shot 69. You won ' t believe what this jerk wrote. " Candace, my BFF, my partner in crime and the one person who could talk me into almost anything, glanced over my shoulder and read it on the screen. "He thinks you're an escort and wants you to attend a family dinner? What kind of jerk invites an escort to a family dinner?" I chewed a nail and considered. "Should I write him back?" She smiled, an evil gleam in her eyes. How many times had the girl got me in trouble? Luckily, I emerged from my teenage years alive, relatively unscathed, and without a criminal record, but only just barely. So, I should have known to trust my own gut. But I didn ' t... Now, I have to give the performance of my life and play an escort to one of the hottest young billionaires in Manhattan so I can tell the story to my girlfriends at brunch on Sunday. When the performance starts to feel too real, will I get out with my heart intact? Will I want to?

Learning he's a closeted bisexual currently embroiled in a—by all accounts bogus—sexual harassment scandal? That's more of a fiasco. But having to sit outside the office of one of the sexiest men alive, day in, day out, knowing there's no chance of a repeat? That's what I'd call a disaster. My sexy-as-hell boss, Spencer Cox, has one rule: no messing around with the employees. And seeing as how I can't afford to give up this job, that kind of puts me between a rock and a hard place. A very hard place if you get my meaning... The way things are going, I'll be lucky to survive in this job a month. The Suits & Sevens series spins off from the Love & Luck

series, however it is not necessary to have read the Love & Luck books before reading Mr. Big Shot

Heath It's a classic story: Boy meets girl, girl breaks boy's heart, boy pretends to be gay to get back at girl, girl outs boy to everyone on Facebook... Okay, maybe it's not that classic. But it's what happened to me. When I bump into my cheating ex and catch sight of the moon-sized rock on her finger, there's only one option to save face: pretend to be dating my gay best friend, Declan. And when she outs me on Facebook and everyone I know sees it, there's still only one option: keep pretending to be dating Declan. And when Declan and I have to kiss to keep up the ruse and it turns out there's actually a spark between us (more like a blazing inferno, if truth be told) there's once again only one option... Warning: this book is not appropriate for anyone who doesn't like laughing, anyone who doesn't like dogs,

or anyone who doesn't like hot men having a lot of sex...with each other. *Happily Ever After included

#1 NEW YORK TIMES BESTSELLER • From the author of *Is Everyone Hanging Out Without Me?* and creator of *The*

Mindy Project and *Never Have I Ever* comes a hilarious collection of essays about her ongoing journey to find contentment and excitement in her adult life. "This is Kaling at the height of her power."—USA Today In *Why Not Me?*, Kaling shares insightful, deeply personal stories about falling in love at work, seeking new friendships in lonely places, attempting to be the first person in history to lose weight without any behavior modification whatsoever, and believing that you have a place in Hollywood when you're constantly reminded that no one looks like you. In "How to Look Spectacular: A Starlet's Confessions," Kaling gives her tongue-in-cheek secrets for surefire on-camera beauty, ("Your natural hair color may be appropriate for your skin tone, but this isn't the land of appropriate—this is Hollywood, baby. Out here, a dark-skinned woman's traditional hair color is honey blonde.") "Player" tells the story of Kaling being seduced and dumped by a female friend in L.A. ("I had been replaced by a younger model. And now they had matching bangs.") In "Unlikely Leading Lady," she muses on America's fixation with the weight of actresses, ("Most women we see onscreen are either so thin that they're walking clavicles or so huge that their only scenes involve them breaking furniture.") And in "Soup Snakes," Kaling spills some secrets on her relationship with her ex-boyfriend and close friend, B.J. Novak ("I will freely admit: my relationship with B.J. Novak is weird as hell.") *Mindy* turns the anxieties, the glamour, and the celebrations of her second coming-of-age into a laugh-out-loud funny collection

of essays that anyone who's ever been at a turning point in their life or career can relate to. And those who've never been at a turning point can skip to the parts where she talks about meeting Bradley Cooper.
