The Return of Zita the Spacegirl A&C Black

**NEW YORK TIMES BESTSELLER** Jason M. Hough's pulse-pounding debut combines the drama, swagger, and vivid characters of Joss Whedon's *Firefly* with the talent of sci-fi author John Scalzi. In the mid-23rd century, Darwin, Australia, stands as the last human city on Earth. The world has succumbed to an alien plague, with most of the population transformed into mindless, savage creatures. The planet's refugees flock to Darwin, where a space elevator—created by the architects of this apocalypse, the Builders—emits a plague-suppressing aura. Skyler Luiken has a rare immunity to the plague. Backed by an international crew of fellow “immunes,” he leads missions into the dangerous wasteland

beyond the aura's edge to find the resources Darwin needs to stave off collapse. But when the Elevator starts to malfunction, Skyler is tapped—along with the brilliant scientist, Dr. Tania Sharma—to solve the mystery of the failing alien technology and save the ragged remnants of humanity. Praise for *The Darwin Elevator* “A hell of a fun book.”—James S. A. Corey, *New York Times* bestselling author of *Abaddon's Gate* “[Jason M.] Hough's first novel combines the rapid-fire action and memorable characters associated with Joss Whedon's short-lived *Firefly* TV series with the accessibility and scientific acumen of [James S. A.] Corey's ‘*Expanse*’ series.”—*Library Journal* (starred review) “The best part about alien stories is their mystery, and Jason Hough understands that like no other. Full of compelling characters and thick with tension, *The Darwin Elevator* delivers both despair and hope along with a gigantic dose of wonder. It's a brilliant debut, and Hough can take my money whenever he writes anything from now on.”—Kevin Hearne, *New York Times* bestselling author of *The Iron Druid Chronicles* “Newcomer Hough displays a talent for imaginative plotting and realistic dialogue, and the brisk pacing and cliffhanger ending will keep readers enthralled and eagerly awaiting the next installment.”—*Publishers Weekly* “Jason M. Hough does a great job with this huge story. The world of Darwin and the Elevator is deliciously complex and satisfying. Skyler, Tania, and all the other characters are delightfully drawn and fun to spend time with. . . . The story unfolds with just the right balance of high adventure, espionage, humor, and emotional truth. . . . As soon as you finish, you'll want more.”—*Analog* “A

debut novel unlike any other . . . This is something special. Something iconic. The Darwin Elevator is full of majesty and wonder, mystery and mayhem, colorful characters and insidious schemes.”—SF Signal “Fun, action-packed and entertaining . . . a sure contender for science fiction debut of the year!”—Pat’s Fantasy Hotlist “Claustrophobic, intense, and satisfying . . . I couldn’t put this book down. The Darwin Elevator depicts a terrifying world, suspends it from a delicate thread, and forces you to read with held breath as you anticipate the inevitable fall.”—Hugh Howey, New York Times bestselling author of *Wool*

### **The Thinking Woman's Guide to Real Magic** Dynamite Entertainment

In the tradition of Rich Cohen’s *Sweet and Low* and Sean Wilsey’s *Oh the Glory of it All*, a memoir of a city, an industry, and a dynasty in decline, and the story of a young artist’s struggle to find her way out of the ruins. Frances Stroh’s earliest memories are ones of great privilege: shopping trips to London and New York, lunches served by black-tied waiters at the Regency Hotel, and a house filled with precious antiques, which she was forbidden to touch. Established in Detroit in 1850, by 1984 the Stroh Brewing Company had become the largest private beer fortune in America and a brand emblematic of the American dream itself; while Stroh was coming of age, the Stroh family fortune was estimated to be worth \$700 million. But behind the beautiful façade lay a crumbling foundation. Detroit’s economy collapsed with the retreat of the automotive industry to the suburbs and abroad and likewise the Stroh family found their wealth and legacy disappearing. As their fortune dissolved in little over a decade, the family was torn apart internally by divorce and one family member’s drug bust; disagreements over the management of the business; and disputes over the remaining money they possessed. Even as they turned against one another,

---

looking for a scapegoat on whom to blame the unraveling of their family, they could not anticipate that even far greater tragedy lay in store. Featuring beautiful evocative photos throughout, Stroh's memoir is elegantly spare in structure and mercilessly clear-eyed in its self-appraisal—at once a universally relatable family drama and a great American story.

In the wake of an infection that has left Baton

Rouge unsettled and roiling with the 'undead', three young friends – Mazoch, Vermaelen and Rachel – band together to search for Mazoch's missing father. Their mission is to visit all the places he once lingered: his favourite fast food restaurants, the movie theatre he frequented with his son and the city park. As hurricane season looms, uncertainty and suspicion of each other's motives threatens to pull the group apart, but still, the friends' search continues. Over the course of a week, day after day, they haunt the places Mazoch's father once haunted, confronting the same persistent hope that faces all who grieve: that whomever, whatever they have lost, will return to them, in one shape or another. Turning typical zombie fare on its head, Bennett Sims delivers a wise and philosophical rumination on the nature of memory and loss in this remarkable debut novel.

*Beer Money* Peter Lang

A dazzling novel from one of our finest writers—an epic yet intimate family saga about three generations of all-American radicals At the center of Jonathan Lethem's superb new novel stand two extraordinary women: Rose

Zimmer, the aptly nicknamed Red Queen of Sunnyside, Queens, is an unreconstructed Communist who savages neighbors, family, and political comrades with the ferocity of her personality and the absolutism of her beliefs. Her precocious and willful daughter, Miriam, equally passionate in her activism, flees Rose's influence to embrace the dawning counterculture of Greenwich Village. These women cast spells over the men in their lives: Rose's aristocratic German Jewish husband, Albert; her cousin, the feckless chess hustler Lenny Angrush; Cicero Lookins, the brilliant son of her black cop lover; Miriam's (slightly fraudulent) Irish folksinging husband, Tommy Gogan; their bewildered son, Sergius. Flawed and idealistic, Lethem's characters struggle to inhabit the utopian dream in an America where radicalism is viewed with bemusement, hostility, or indifference. As the decades pass—from the parlor communism of the '30s, McCarthyism, the civil rights movement, ragged '70s communes, the romanticization of the Sandinistas, up to the Occupy movement of the moment—we come to understand through Lethem's extraordinarily vivid storytelling that the personal may be political, but the political, even more so, is personal. Lethem's characters may pursue their fates within History with a capital H, but his novel is—at its mesmerizing, beating heart—about love.
