A NEW YORK TIMES NOTABLE BOOK

• From an award-winning journalist, a poignant and gripping immersion in the life of a young, homeless single mother amid her quest to find stability and shelter in the richest city in America

LONGLISTED FOR THE PEN/JEAN STEIN BOOK AWARD • “Riveting . . . a remarkable feat of reporting.” —The New York Times Camila is twenty-two years old and a new mother. She has no family to rely on, no partner, and no home. Despite her intelligence and determination, the odds are firmly stacked against her. In this extraordinary work of literary reportage, Lauren Sandler chronicles a year in Camila's life—from the birth of her son to his first birthday—as she navigates the labyrinth of poverty and homelessness in New York City. In her attempts to secure a safe place to raise her son and find a measure of freedom in her life, Camila copes with dashed dreams, failed relationships, the desolation of abandonment, and miles of red tape with grit, humor, and uncanny resilience. Every day, more than forty-five million Americans attempt to survive below the poverty line. Every night, nearly sixty thousand people sleep in New York City-run shelters, 40 percent of

them children. In *This Is All I Got*, Sandler brings this deeply personal issue to life, vividly depicting one woman's hope and despair and her steadfast determination to change her life despite the myriad setbacks she encounters. *This Is All I Got* is a rare feat of reporting and a dramatic story of survival. Sandler's candid and revealing account also exposes the murky boundaries between a journalist and her subject when it becomes impossible to remain a dispassionate observer. She has written a powerful and unforgettable indictment of a system that is often indifferent to the needs of those it serves, and that sometimes seems designed to fail. Praise for *This Is All I Got* “A rich, sociologically valuable work that's more gripping, and more devastating, than fiction.” —Booklist “Vivid, heartbreaking. . . . Readers will be moved by this harrowing and impassioned call for change.” —Publishers Weekly “A closely observed chronicle . . . Sandler displays her journalistic talent by unerringly presenting this dire situation. . . . An impressive blend of dispassionate reporting, pungent condemnation of public welfare, and gritty humanity.” —Kirkus Reviews

With a new chapter on the birth of the royal baby and 17 new photos, the complete story of the romance and marriage of William and Kate and their son, George Alexander Louis

Windsor, His Royal Highness Prince George of Cambridge, as told by #1 New York Times bestselling author Christopher Andersen. I put it to William, particularly, that if you find someone you love in life, you must hang on to that love and look after it. . . . You must protect it. —Diana, Princess of Wales

The book that surprised the industry, now updated with a new chapter on the wedding and 15 wedding photographs. Theirs was destined from the start to be one of the most celebrated unions of the twenty-first century: he, the charismatic prince who would someday be crowned king of England; she, the stunningly beautiful commoner who won his heart. Prince William and Kate Middleton defied all odds to forge a storybook romance amid the scandals, power struggles, tragedies, and general dysfunction that are the hallmarks of Britain's Royal Family. In the process, they became the most written about, gossiped about, admired, and envied young couple of their generation. Yet for most of their nearly decade-long affair, William and Kate have remained famously quiet and kept their royal relationship a tantalizing mystery. Now, journalist and #1 New York Times bestselling author Christopher Andersen reveals the intimate details of their celebrated courtship and offers a mesmerizing glimpse of the man and wife—and future king and queen—they will become:

- William's lifelong role as confidant and adviser to his fragile mother, and how it has shaped his relationship with Kate
- The lengths the couple went to to keep their affair secret, from their first days together as university students (when he cheered her on as she modeled racy lingerie at a fashion show)
- William's romantic conquests before—and during—his decade-long romance with Kate
- The person who was really behind their headlinemaking breakup—and how Kate won back her prince
- The shocking sex-and-drugs scandals involving Kate's wild relatives, and how the would-be queen survived them
- The long-troubling influence of William's substance-abusing aristocrat friends and the depression Kate rescued him from
- Stunning new information on the threats to both their lives, the nightmare scenario that haunts William's dreams to this day, and their narrow escape from repeating Diana's fate
- Surprising details on the Queen's historic plans for William and Kate, which will forever change the face of the monarchy

For many, William and Kate's union represents an opportunity to recapture the magic—the compelling and complicated legacy—of his beloved mother Diana, Princess of Wales. Part glittering fairy tale, part searing family drama, part political potboiler, part heart-stopping cliff-hanger, theirs is, above all else, an affair to remember.

\*\*\* Theirs is the story of two young people who found each other in college, came perilously close to losing what they had forever, and pulled back from the brink at the last possible moment. Theirs is the story of private moments stolen for public consumption, of harrowing car chases, of scorching personal dramas played out behind the scenes, of calm heads prevailing in times of panic, and of a singular devotion made stronger by time. The saga of William and Kate is one thing above all else: a love story.

 school ' s enigmatic director, Vikt ó ria, encourages  
 the students to explore, to expand their minds, to find  
 themselves within the formidable iron gates of  
 Catherine. For Ines, it is the closest thing to a home  
 she ' s ever had. But the House ' s strange protocols  
 soon make this refuge, with its worn velvet and  
 weathered leather, feel increasingly like a gilded

 hallowed history, advanced theories, and controlled  
 decadence—might be hiding a dangerous agenda  
 within the secretive, tightly knit group of students  
 selected to study its most promising and mysterious  
 curriculum. Combining the haunting sophistication  
 and dusky, atmospheric style of Sarah Waters with the  
 unsettling isolation of Kazuo Ishiguro ' s *Never Let  
 Me Go*, Catherine House is a devious, deliciously  
 steamy, and suspenseful page-turner with shocking  
 twists and sharp edges that is sure to leave readers
