Baby Bargains Prabhat Prakashan
"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

L. Frank Baum's Original Pebble Books
Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Range Conservationist Turtleback
This open access book highlights Singapore's development into a city in which water and greenery, along with associated environmental, technical, social and political aspects have been harnessed and cultivated into a liveable sustainable way of life. It is also a story about a unique and thoroughgoing approach to large-scale and potentially transferable water sustainability, within largely urbanized circumstances, which can be achieved, along with complementary roles of environmental conservation, ecology, public open-space management and the greening of buildings, together with infrastructural improvements.
The Shooting Star Cengage Learning
The book consists of high-interest reading passages on prominent regions across the United States. Each unit is divided into separate readings focusing on topics such as the history, geography, famous personalities, economics and culture of the particular region. Illustrations and photographs in each passage heighten students' interest. Puzzles and games at the end of each passage reinforce the topics and vocabulary. Regular discussion points encourage cross-cultural comparisons. Glossaries at the end of every unit provide students with concise, easy-to-understand definitions. Maps featured throughout the text help students locate the areas highlighted in the readings.

Inside the Controversial Study of Twins and Triplets Adopted Apart Shoes and Ships and Sealing Wax Limited

Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit.

Sync Grupo Editorial Norma

Toddler Bargains BoD – Books on Demand
The sixtieth anniversary edition of Frantz Fanon’s landmark text, now with a new introduction by Cornel West First published in 1961, and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West, Frantz Fanon’s *The Wretched of the Earth* is a masterfuland timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, *The Wretched of the Earth* is an eternal touchstone for civil rights, anti-colonialism,

psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West’s introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon’s most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said’s *Orientalism* and *The Autobiography of Malcolm X*.
Inside Job Penguin UK
At the heart of the universe is a steady, insistent beat, the sound of cycles in sync. Along the tidal rivers of Malaysia, thousands of fireflies congregate and flash in unison; the moon spins in perfect resonance with its orbit around the earth; our hearts depend on the synchronous firing of ten thousand pacemaker cells. While the forces that synchronize the flashing of fireflies may seem to have nothing to do with our heart cells, there is in fact a deep connection. Synchrony is a science in its infancy, and Strogatz is a pioneer in this new frontier in which mathematicians and physicists attempt to pinpoint just how spontaneous order emerges from chaos. From underground caves in Texas where a French scientist spent six months alone tracking his sleep-wake cycle, to the home of a Dutch physicist who in 1665 discovered two of his pendulum clocks swinging in perfect time, this fascinating book spans disciplines, continents, and centuries. Engagingly written for readers of books such as *Chaos* and *The Elegant Universe*, *Sync* is a tour-de-force of nonfiction writing.

Little Scientist Board Book Set Routledge
New York Times Bestseller: A history of the S&L scandal that caused a financial disaster for American taxpayers: “Hard to put down” (Library Journal). For most of the 20th century, savings and loans were an invaluable thread of the American economy. But in the 1970s, Congress passed sweeping financial deregulation at the insistence of industry insiders that allowed these once quaint and useful institutions to spread their taxpayer-insured assets into new and risky investments. The looser regulations and reduced federal oversight also opened the industry to an army of shady characters, white-collar criminals, and organized crime groups. Less than 10 years later, half the nation’s savings and loans were insolvent, leaving the American taxpayer on the hook for a large hunk of the nearly half a trillion dollars that had gone missing. The authors of *Inside Job* saw signs of danger long before the scandal hit nationwide. Decades after the savings and loan collapse, *Inside Job* remains a thrilling read and a sobering reminder that our financial institutions are more fragile than they appear.

15 Books in 1 Lulu Press, Inc
Presents more than sixty brief stories about Fozzie, Miss Piggy, Kermit, Gonzo, Rowlf, Robin, Beaker, and the Swedish Chef.
Easy Squeezy Saint Martin's Griffin
A stroller is almost an essential product for babies. Chances are that you will have to transport your baby to one place or another during its infancy, and a stroller is one of the best ways to do this. Not only do you not have to carry your child around, but it also allows your child to get a nice scenic view of where you are going. Basically, a baby stroller is a great investment regardless of what you plan on doing. You will find it useful whether you are taking strolls in the park or going shopping at the mall!
