Tales of the City ; More Tales of the City ; Further Tales of the City Harper Collins
Inspiration for the Netflix Limited Series, Tales of the City The fifth novel in the beloved Tales of the City series, Armistead Maupin's best-selling San Francisco saga. Tranquillity reigns in the ancient redwood forest until a women-only music festival sets up camp downriver from an all-male retreat for the ruling class. Among those entangled in the ensuing mayhem are a lovesick nurseryman, a panic-stricken philanderer, and the world's most beautiful fat woman. Significant Others is Armistead Maupin's cunningly observed meditation on marriage, friendship, and sexual nostalgia.

Maybe the Moon Harper Perennial

Inspiration for the Netflix Limited Series, Tales of the City The second novel in the beloved Tales of the City series, Armistead Maupin's best-selling San Francisco saga. The tenants of 28 Barbary Lane have fled their cozy nest for adventures far afield. Mary Ann Singleton finds love at sea with a forgetful stranger, Mona Ramsey discovers her doppelgänger in a desert whorehouse, and Michael Tolliver bumps into his favorite gynecologist in a Mexican bar. Meanwhile, their venerable landlady takes the biggest journey of all—without ever leaving home.

Night Listener, The tie-in HarperCollins

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of Crazy Rich Asians
Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix
Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.
The Start of Something Penguin

Episode 4: The Anniversary Tango
In which Mary Anna volunteers at the Crisis Switchboard whilst Mouse has a crisis of his own. DeDe visits a fat farm and Mona makes a surprising discovery about Barbary Lane.
Welcome to Tales of the City. San Francisco 1976: a golden city of freedom, adventure and possibility. But, as naïve small-town girl Mary Ann finds out, it can be hard to find your place in a strange new city - especially when the supermarket is a pick up joint and a Jockey Shorts dance contest can make or break a relationship. Luckily for Mary Ann, she finds the perfect home at 28 Barbary Lane where the dysfunctional residents form an unconventional family of waifs and strays. Mona the

cynic, Michael 'Mouse' Tolliver the romantic looking for love and DeDe the jaded debutante, all watched over by the eccentric and mysterious Anna Madrigal. Get addicted to these characters in six short, funny and heartbreaking episodes.

Baghdad-By-The-Bay Harper Collins

Armistead Maupin's uproarious and moving Tales of the City novels—the first three of which are collected in this omnibus volume—have earned a unique niche in American literature and are considered indelible documents of cultural change from the seventies through the first two decades of the new millennium.

"These novels are as difficult to put down as a dish of pistachios. The reader starts playing the old childhood game of 'Just one more chapter and I'll turn out the lights,' only to look up and discover it's after midnight." —Los Angeles Times Book Review
Originally serialized in the San Francisco Chronicle, Armistead Maupin's Tales of the City (1978), More Tales of the City (1980), and Further Tales of the City (1982) afforded a mainstream audience of millions its first exposure to straight and gay characters experiencing on equal terms the follies of urban life. Among the cast of this groundbreaking saga are the lovelorn residents of 28 Barbary Lane: the bewildered but aspiring Mary Ann Singleton, the libidinous Brian Hawkins; Mona Ramsey, still in a sixties trance, Michael "Mouse" Tolliver, forever in bright-eyed pursuit of Mr. Right; and their marijuana-growing landlady, the indefatigable Mrs. Madrigal. Hurdling barriers both social and sexual, Maupin leads them through heartbreak and triumph, through nail-biting terrors and gleeful coincidences. The result is a glittering and addictive comedy of manners that continues to beguile new generations

of readers.

Back to Barbary Lane Random House

Twenty years have passed since Mary Ann Singleton left her husband and child in San Francisco to pursue her dream of a television career in New York. Now, a pair of personal calamities has driven her back to the city of her youth and into the arms of her oldest friend, Michael "Mouse" Tolliver, a gay gardener happily ensconced with his much-younger husband. Mary Ann finds temporary refuge in the couple's backyard cottage, where, at the unnerving age of 57, she licks her wounds and takes stock of her mistakes. Soon, with the help of Facebook and a few old friends, she begins to reengage with life, only to confront fresh terrors when her speckled past comes back to haunt her in a way she could never have imagined.

Penguin

Peggy Knickerbocker, a native San Franciscan, and daughter of a drama critic and a political activist, had a long and charmed career in the world of food. She taught cooking, ran a catering business in the 1970's and co-owned, with her childhood friend, Flicka McGurrin, two colorful restaurants, one still thrives on the waterfront with McGurrin as sole owner. In 1989 she left the business to write about food. At first she wrote steadily for magazines such as *Saveur*, *Food and Wine* and *Gourmet* and then went on to write four cookbooks, the last won a James Beard Award. She'd eaten her way through every continent by the time she was done writing about food. Along the way, Knickerbocker had the greatest friends and a fascinating life, including years in Paris. She'd wrestled most of her demons to the mat, but with men, she'd faltered. After an early divorce and one or two good relationships, she repeatedly under-served herself with her choices. Late in middle age, Peggy realized that she was quite satisfied with her life. That was when the man appeared. She'd never considered a businessman, let alone one originally from the Midwest. Since Knickerbocker had come of age in San Francisco's Bohemian North Beach during 70's, she'd gone for unconventional and often unavailable men. Robert Fisher, a widower, a man with innumerable attractions, pursued her hotly. She clung to

her independence only to realize she could have it all.

She discovered the man with whom she'd spend her life, and, along the way, the subject of this book.

Further Tales of the City Harper Collins

Episode 2: Confession in the Nude In which a heartbroken Michael 'Mouse' Tolliver arrives at Barbary Lane. DeDe takes an unusual delivery and Anna Madrigal reveals a piece of her past. Welcome to Tales of the City. San Francisco 1976: a golden city of freedom, adventure and possibility. But, as a naïve small-town girl Mary Ann finds out, it can be hard to find your place in a strange new city - especially when the supermarket is a pick up joint and a Jockey Shorts dance contest can make or break a relationship. Tales of the City Episode 6: Three Men at the Tubs Abrams
Now a major Netflix series starring Ellen Page and Laura Linney . . . 'May well be the funniest series of novels currently in progress' THE TIMES The divinely human comedy that began with Tales of the City rolls recklessly along . . . Michael Tolliver pursues his favourite gynaecologist. Mona Ramsey uncovers her roots in a desert whorehouse. And Mary Ann Singleton finds love at sea with the amnesiac of her dreams.

Tales of the City Random House

Raymond Gunt likes to think of himself as a pretty decent guy—he believes in karma, and helping his fellow man, and all that other good stuff. Sure, he can be foulmouthed, occasionally misogynistic, and can just generally rub people the wrong way—through no fault of his own! So with all the positive energy he's creating, it's a little perplexing to consider the recent downward spiral his life has taken...Could the universe be trying to tell him something? A B-unit cameraman with no immediate employment prospects, Gunt decides to accept his ex-wife Fiona's offer to shoot a Survivor-style reality show on an obscure island in the Pacific. With his upwardly failing sidekick, Neal, in tow, Gunt somehow suffers multiple comas and unjust imprisonment, is forced to reenact the "Angry Dance" from the movie Billy Elliot, and finds himself at the center of a nuclear war—among other tribulations and humiliations. A razor-sharp portrait of a morally bankrupt, gleefully wicked modern man, Worst. Person. Ever. is a side-splittingly funny and gloriously filthy new novel from acclaimed author Douglas Coupland. A deeply unworthy book about a dreadful human being with absolutely no redeeming social value, it's guaranteed to brighten up your day.

More Tales of the City Serpent's Tail

Inspiration for the Netflix Limited Series, Tales of the City The seventh novel in the beloved Tales of the City series, Armistead Maupin's best-selling San Francisco saga. Nearly two decades after ending his groundbreaking Tales of the City saga of San Francisco life, Armistead Maupin revisits his all-too-human hero Michael Tolliver—the fifty-five-year-old sweet-spirited gardener and survivor of the plague that took so many of his friends and lovers—for a single day at once mundane and extraordinary... and filled with the everyday

miracles of living.

[28 Barbary Lane](#) Comstock Editions

Inspiration for the Netflix Limited Series, *Tales of the City* The eighth novel in the beloved *Tales of the City* series, Armistead Maupin's best-selling San Francisco saga. Following the success of his New York Times bestseller *Michael Tolliver Lives*, Armistead Maupin's *Mary Ann in Autumn* is a touching portrait of friendship, family, and fresh starts, as the *City by the Bay* welcomes back Mary Ann Singleton, the beloved *Tales of the City* heroine who started it all. A new chapter begins in the lives of both Mary Ann and Michael "Mouse" Tolliver when she returns to San Francisco to rejoin her oldest friend after years in New York City... the reunion that fans of Maupin's beloved *Tales of the City* series have been awaiting for years.

Mary Ann in Autumn LP Harper Collins

"A book for any of us, gay or straight, who have had to find our family. Maupin is one of America's finest storytellers."—Neil Gaiman "I fell in love with Maupin's effervescent *Tales of the City* decades ago, and his genius turn at memoir is no less compelling. *Logical Family* is a must read."—Mary Karr In this long-awaited memoir, the beloved author of the bestselling *Tales of the City* series chronicles his odyssey from the old South to freewheeling San Francisco, and his evolution from curious youth to ground-breaking writer and gay rights pioneer. Born in the mid-twentieth century and raised in the heart of conservative North Carolina, Armistead Maupin lost his virginity to another man "on the very spot where the first shots of the Civil War were fired." Realizing that the South was too small for him, this son of a traditional lawyer packed his earthly belongings into his Opel GT (including a beloved portrait of a Confederate ancestor), and took to the road in search of adventure. It was a journey that would lead him from a homoerotic Navy initiation ceremony in the jungles of Vietnam to that strangest of strange lands: San Francisco in the early 1970s. Reflecting on the profound impact those closest to him have had on his life, Maupin shares his candid search for his

"logical family," the people he could call his own.

"Sooner or later, we have to venture beyond our biological family to find our logical one, the one that actually makes sense for us," he writes. "We have to, if we are to live without squandering our lives." From his loving relationship with his palm-reading Grannie who insisted Maupin was the reincarnation of her artistic bachelor cousin, Curtis, to an awkward conversation about girls with President Richard Nixon in the Oval Office, Maupin tells of the extraordinary individuals and situations that shaped him into one of the most influential writers of the last century. Maupin recalls his losses and life-changing experiences with humor and unflinching honesty, and brings to life flesh-and-blood characters as endearing and unforgettable as the vivid, fraught men and women who populate his enchanting novels.

What emerges is an illuminating portrait of the man who depicted the liberation and evolution of America's queer community over the last four decades with honesty and compassion—and inspired millions to claim their own lives. *Logical Family* includes black-and-white photographs.

Tales Of The City Harper Collins

"I'm a fabulist by trade," warns Gabriel Noone, a late-night radio storyteller, as he begins to untangle the skeins of his tumultuous life: his crumbling ten-year love affair, his disaffection from his Southern father, his longtime weakness for ignoring reality. Gabriel's most sympathetic listener is Pete Lomax, a thirteen-year-old fan in Wisconsin whose own horrific past has left him wise and generous beyond his years. But when this virtual father-son relationship is rocked by doubt, a desperate search for the truth ensues. Welcome to the complex, vertiginous world of *The Night Listener*.

[Michael Tolliver Lives Unabridged CD](#) Vintage

Bold and inventive in style, *City of Night* is the groundbreaking 1960s novel about male prostitution. Rechy is unflinching in his portrayal of one hustling 'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to

Lance O'Hara, once Hollywood's biggest star. Rechy describes this world with candour and understanding in a prose that is highly personal and vividly descriptive.

Tommy's Tale HarperCollins UK

From Sia to Elton John, from Billie Holiday to David Bowie, LGBT musicians have changed the course of modern music. But before their music—and the messages behind it—gained understanding and a place in the mainstream, how did the queer musicians of yesteryear fight to build foundations for those who would follow them? *David Bowie Made Me Gay* is the first book to cover the breadth of history of recorded music by and for the LGBT community. Darryl W. Bullock reveals the stories of both famous and lesser-known LGBT musicians, whose perseverance against the threat of persecution during decades of political and historical turmoil—including two world wars, Stonewall, and the AIDS crisis—has led to some of the most significant and soul-searching music of the last century. Bullock chronicles these struggles through new interviews and archival reports, dating from the birth of jazz in the red-light district of New Orleans, through the rock 'n' roll years, Swinging Sixties, and disco days of the '70s, right up to modern pop, electronica, and reggae. An entertaining treasure-trove of untold history for all music lovers, *David Bowie Made Me Gay* is an inspiring, nostalgic, and provocative story of right to be heard and the need to keep the fight for equality in the spotlight.

[City of Night](#) Harper Collins

By turns hilarious and heartbreaking, Armistead Maupin's bestselling *Tales of the City* novels—the final three of which are collected in this third omnibus volume—stand as an incomparable blend of great storytelling and incisive social commentary on American culture from the seventies through the first two decades of the new millennium. "These final days of his San Francisco friends and lovers, gay and straight, are seriously moving.... Maupin deftly illustrates how far America and the pioneering Anna have come, and nearly forty years into the series, his writing remains wildly addictive but is deeper and richer." —People The last three novels of Armistead Maupin's bestselling, critically-acclaimed *Tales of the City* are now available for the first time as an omnibus edition. The epic series, published between 1978 and 2014, spans the decade before the AIDS crisis through the era of marriage equality following an unforgettable set of characters, whose diverse sexual identities helped set the social stage for the ongoing sexual revolution. Goodbye

Barbary Lane—comprised of Michael Tolliver Lives (2007), Mary Ann in Autumn (2010), and The Days of Anna Madrigal (2014)—brings closure to the lives and legacies of the characters through which generations have found connection to America's larger cultural struggles over the past four decades. Joining two companion omnibus volumes, 28 Barbary Lane and Back to Barbary Lane, Goodbye Barbary Lane presents all of "Mr. Maupin's adeptness at fluid dialogue, his flair for shaping characters who thread the needle between pop archetypes and singular human beings, and his great gift for intricate if occasionally preposterous plotting" (New York Times).

Tales of the City Episode 2: Confessions in the Nude Harper Collins

By turns hilarious and heartbreaking, Armistead Maupin's bestselling Tales of the City novels—the fourth, fifth and sixth of which are collected in this second omnibus volume—stand as an incomparable blend of great storytelling and incisive social commentary on American culture from the seventies through the first two decades of the new millennium.

"Tearing through [the tales] one after the other, as I did, allows instant gratification; it also lets you appreciate how masterfully they're constructed. No matter what Maupin writes next, he can look back on the rare achievement of having built a little world and made it run." — Walter Kendrick, Village Voice Literary Supplement

Armistead Maupin's uproarious and moving Tales of the City novels have earned a unique niche in American literature and are considered indelible documents of cultural change from the seventies through the first two decades of the new millennium. The nine classic comedies, some of which originally appeared as serials in San Francisco newspapers, won Maupin critical acclaim around the world and enthralled legions of devoted fans. Back to Barbary Lane comprises the second omnibus of the series—Babycakes (1984), Significant Others (1987), and Sure of You (1989)—continuing the saga of the tenants, past and present, of Mrs. Madrigal's beloved apartment house on Russian Hill. While the first trilogy celebrated the carefree excesses of the seventies, this volume tracks its hapless, all-too-human cast across the eighties—a decade troubled by plague, deceit, and overweening ambition. Like its companion volumes, 28 Barbary Lane and Goodbye, Barbary Lane, Back to Barbary Lane is distinguished by what The Guardian of London has called "some of the sharpest and most speakable dialogue you are ever likely to read."
