Jewish Backgrounds of the New Testament Wm. B. Eerdmans Publishing
This is the second volume of Ferguson's collected essays, and includes some of his most memorable work, especially on "laying on of hands."
Early Christian Doctrines Westminster John Knox Press

"These essays, spanning four decades of Ferguson's scholarship, sum up major discussions of ministry and

canon in early Christianity. Especially useful for exploring the terminology surrounding ordination, these essays are vintage Ferguson." --Elizabeth A. Clark, Duke University, Durham, NC For Volume 2: "This volume is another great contribution by Everett Ferguson toward a better understanding of the practices of the early church. Because of his vast and thorough knowledge of the original documents, as well as scholarly studies that contribute to one's understanding of their context, Ferguson's essays in this volume are an indispensable contribution to this field of study. Ferguson's

style of weaving his commentary with original and supporting sources is masterful. I look forward to using this and the first volume in several graduate courses I teach in historical and present-day ecclesiology." --Earl D. Lavender, Lipscomb University, Nashville, TN Everett Ferguson is Distinguished Scholar in Residence at Abilene Christian University. He was editor of *The Encyclopedia of Early Christianity* (2nd edition 1997) and is author of many works including *Early Christians Speak* (2 volumes 1999, 2002); *Backgrounds of Early Christianity* (3rd ed.,

2003); *Inheriting Wisdom: Readings for Today from Ancient Christian Writers* (2004); *Church History, vol. 1: From Christ to Pre-Reformation* (2005); and *Baptism in the Early Church: History, Theology, and Liturgy in the First Five Centuries* (2009). Ferguson received the "Distinguished Service Award" from the North American Patristics Society (2008) and the "Vestigia Award for Excellence in Early Christian Studies and Service to the Church" from the Wheaton Center for Early Christian Studies (2020).

Exploring Biblical

Backgrounds Routledge
Having long served as a standard introduction to the world of the early church, Everett Ferguson's *Backgrounds of Early Christianity* has been expanded and updated in this third edition. The book explores and unpacks the Roman, Greek, and Jewish political, social, religious, and philosophical backgrounds necessary for a good historical understanding of the New Testament and the early church. New to this edition are revisions of Ferguson's original material, updated bibliographies, and fresh discussions of first-century social life, of Gnosticism, and of the Dead Sea Scrolls and other Jewish literature.

Interpreting the Prophetic Word

Zondervan
For anyone who's ever pondered what everyday life was like during the time of Jesus comes a lively and illuminating portrait of the nearly unknown world of daily life in first-century Palestine. What was it like to live during the time of Jesus? Where did people live? Who did they marry? And what was family life like? How did people survive? These are just some of the questions that Scott Korb answers in this engaging new book, which explores what everyday life entailed two thousand years ago in first-century Palestine, that tumultuous era when the Roman Empire was at its zenith and a new religion-Christianity-was born. Culling information from primary sources, scholarly research, and his own travels and observations, Korb explores the nitty-gritty of real life back then-from how people fed, housed, and groomed themselves to how they kept themselves healthy. He guides the contemporary reader through the maze of customs and traditions that dictated life under the numerous groups, tribes, and peoples in the eastern Mediterranean that Rome governed two thousand years ago, and he illuminates the intriguing details of marriage, family life, health, and a host of other aspects of first-century life. The result is a book for everyone, from the armchair traveler to the amateur historian. With surprising revelations about politics and medicine, crime and personal hygiene, this book is smart and accessible popular history at its very best.

The World of the New Testament

InterVarsity Press

This collection of 21 essays in honor of Professor Everett Ferguson focuses on a variety of aspects of the early church and the environment.

The Early Church in Its Context Wipf and Stock Publishers
This title takes into account Qumran material and Gnostic literature, including the Nag Hammadi texts, chapters on Josephus, the Targums and Apocalyptic as well as material from the Greek tragedians, in order to provide a background to the New Testament.

Christianity in the Greco-Roman World Baker Books
Presents evidence and information, aside from the Christian scriptures, on the life and teaching of Jesus Christ. Features excerpts in Roman correspondence and the early Christian writings known as the "New Testament Apocrypha."

The Jefferson Bible Baker Books
In this volume of essays the Graeco-Roman background and context of early Christianity are explored for significant parallels. From the athlete metaphor in 1 Corinthians 9 to the role of Aphrodite as the goddess of love and sexuality, the important cultural symbols and terminology that the first Christians employed are examined. Garrison maintains that the Graeco-Roman setting of early Christianity is essential to our understanding of the New Testament and the Apostolic Fathers.

Early History of the

Christian Church Zondervan Academic

What can we learn from early Christian imagery about the theological meaning of baptism? Robin Jensen, a leading scholar of early Christian art and worship, examines multiple dimensions of the early Christian baptismal rite. She explores five models for understanding baptism--as cleansing from sin, sickness, and Satan; as incorporation into the community; as sanctifying and illuminative; as death and regeneration; and as the beginning of the new creation--showing how visual images, poetic language, architectural space, and symbolic actions signify and convey the theological meaning of this ritual practice. Considering image and action together, Jensen offers a holistic and integrated understanding of the power of baptism. The book is illustrated with photos.

Baptismal Imagery in Early Christianity BRILL

In this fast-paced fictional account, we follow Appius, a Roman centurion, and Tullus, his Jewish slave, from battles to the gladiator arena and finally to the village of Capernaum where they encounter a Jewish prophet from Nazareth. Seeing Galilee of Jesus' day through

Roman eyes, we learn much about the culture and social world of Romans and Jews. [Loving the Poor, Saving the Rich](#) Wm. B. Eerdmans Publishing Church History, Volume One offers a unique contextual view of how the Christian church spread and grew from its development in the days of Jesus to the years leading up to the Reformation. Looking closely at the integral link between the history of the world and that of the church, Church History paints a portrait of God's people within its setting of times, cultures, and events that both influenced and were influenced by the church. FEATURES: Maps, charts, and illustrations spanning the time from the first through the thirteenth centuries. Overviews of the Roman, Greek, and Jewish worlds and how they developed or declined. Insights into the church's relationship to the Roman Empire, with glimpses into pagan attitudes toward Christians.

Explanations of the role of art, architecture, literature, and philosophy—both sacred and secular—in the Church.

Details on the major theological controversies of the periods. Each chapter also contains callout passages from Scripture to assist in understanding the narrative of the Church, even to the present day, as part of the

greater narrative of the Bible. AUTHOR'S PERSPECTIVE: Scholar and writer Everett Ferguson wrote this history of the church from the perspective that such a history is the story of the greatest movement and community the world has known. It's a human story of a divinely called people who wanted to live by a divine revelation. It's a story of how they succeeded and how they failed or fell short of their calling. From the Apostle Paul to the apologists and martyrs of the second century to Martin Luther, the historical figures detailed are people who have struggled with the meaning of the greatest event in history—the coming of the Son of God—and with their role in that event and in the lives of God's people.

A Week in the Life of a Roman Centurion Baker Academic

First published in 1997. What's new in the Second Edition: Some 250 new entries, twenty-five percent more than in the first edition, plus twenty-five new expert contributors.

Bibliographies are greatly expanded and updated throughout; More focus on biblical books and philosophical schools, their influence on early Christianity and their use by patristic writers; More information about the Jewish

and pagan environment of early Christianity; Greatly enlarged coverage of the eastern expansion of the faith throughout Asia, including persons and literature; More extensive treatment of saints, monasticism, worship practices, and modern scholars; Greater emphasis on social history and more theme articles; More illustrations, maps, and plans; Additional articles on geographical regions; Expanded chronological table; Also includes maps.

Jesus Outside the New Testament
Society for Promoting Christian Knowledge

In this important collection of studies, copublished by Eerdmans and Brill, one of the world's foremost experts on the Dead Sea Scrolls outlines a comprehensive theory that reconstructs the complex development of the ancient texts that eventually came to form the Old Testament.

Backgrounds of Early Christianity
Wm. B. Eerdmans Publishing
Marriage and Sexuality in Early Christianity is part of Ad Fontes: Early Christian Sources, a series designed to present ancient Christian texts essential to an understanding of Christian theology, ecclesiology, and practice. The books in the series make the wealth of early Christian thought available to new generations

of students of theology and provide a valuable resource for the church. Developed in light of recent patristic scholarship, the volumes provide a representative sampling of theological contributions from both East and West. The series provides volumes that are relevant for a variety of courses: from introduction to theology to classes on doctrine and the development of Christian thought. The goal of each volume is not to be exhaustive but rather to be representative enough to denote for a nonspecialist audience the multivalent character of early Christian thought, allowing readers to see how and why early Christian doctrine and practice developed the way it did.

The New Testament Background
InterVarsity Press

This book employs a methodology that I have found helpful in dealing with other topics. This procedure is to assemble the New Testament texts on the topic and interpret them, then check this interpretation against usage in early Christian literature outside the New Testament, and finally to examine the doctrinal considerations to determine if the interpretation rests on solid biblical theology. Rather than gathering quotations from secondary literature, my

approach is to read the source documents in the original and present the texts in their context. At the time of first edition of the book, mine was the fullest collection of historical statements on early church music readily available. Other studies since that time are largely supportive of the historical facts presented in my work, even if the authors do not consider the evidence normative for today. My conclusion is that the practice of unaccompanied congregational singing rests on good biblical, historical and doctrinal grounds.

Destroyer of the Gods

Routledge

Outreach Magazine 's 2021 Resource of the Year in the Church Category Christianity tends to focus on beliefs and choices as the keys for personal growth. But biblical evidence and modern brain science tell a different story. Combining faith with the latest developments in neuroscience and psychology, Renovated offers a groundbreaking and refreshing perspective of how our attachment to God impacts our minds and hearts. You ' ll find that our spiritual growth is about more than just what we believe—it ' s about who we love. Drawing from conversations he had with Dallas Willard shortly before Dallas ' s death, Jim Wilder shows how we can train our brains to relate to God.

Transformative and encouraging, this book offers practical insight for deepening your relationship with God

through the wondrous brain and soul that He has given you.

“Elegant, clear and bountiful in hope . . . if transformation for yourself and your community is what you seek, I can think of no better place to start.” —Curt Thompson, author of *Anatomy of the Soul*

“Jim Wilder offers genuine hope. He uniquely combines the truth of Scripture with the truth in developing brain science to give us a path of renewal and restoration.”

—Dudley Hall, president of Kerygma Ventures “A breakthrough on so many levels. Renovated is a must-read for everyone who is serious about discipling people and seeing life transformation.”

—Bob Roberts, pastor and founder of GlocalNet

The Church of Christ
Hendrickson Publishers
Background becomes foreground in Moyer Hubbard's creative introduction to the social and historical setting for the letters of the Apostle Paul to churches in Asia Minor and Europe. Hubbard begins each major section with a brief narrative featuring a fictional character in one of the great cities of that era. Then he elaborates on various aspects of the cultural setting related to each particular vignette, discussing the implications of those venues for understanding Paul's letters and applying their message to our lives today.

Addressing a wide array of cultural and traditional issues, Hubbard discusses: • religion and superstition • education, philosophy, and oratory • urban society • households and family life in the Greco-Roman world This work is based on the premise that the better one understands the historical and social context in which the New Testament (and Paul's letters) was written, the better one will understand the writings of the New Testament themselves. Passages become clearer, metaphors deciphered, and images sharpened.

Teachers, students, and laypeople alike will appreciate Hubbard's unique, illuminating, and well-researched approach to the world of the early church.

The Dynamics of Christian Mission
Baker Books
James S. Jeffers provides an informative tour of the various facets of the Roman world--class and status, family and community, work and leisure, religion and organization, city and country, law and government, death and taxes, and the events of Roman history.

The Graeco-Roman Context of Early Christian Literature
Baker Academic

The issue of wealth and poverty and its relationship to Christian faith is as ancient as the New Testament and reaches even further back to the Hebrew

Scriptures. From the beginnings of the Christian movement, the issue of how to deal with riches and care for the poor formed an important aspect of Christian discipleship. This careful study shows how early Christians adopted, appropriated, and transformed the Jewish and Greco-Roman moral teachings and practices of giving and patronage. As Helen Rhee illuminates the early Christian understanding of wealth and poverty, she shows how it impacted the formation of Christian identity. She also demonstrates the ongoing relevance of early Christian thought and practice for the contemporary church. *Baptism in the Early Church*
