Do you think that no one has the right to stand between you and your published writer dreams? That the publishing industry is going down in flames and self-publishers are going to rise like a 99c phoenix from the ashes? That all literary agents are interested in doing is blogging sarcastically about the rhetorical question at the start of your query letter, that editors will just use your submitted manuscript for kindling and that you'll be senile before you hear back from either of them? That once you've uploaded the book you finished yesterday afternoon to Amazon, it'll be mere minutes before the money starts rolling in and you can quit your day job? Do you say things like "gatekeepers", "The Big Six", "E.L. James", "legacy publishing" and "indie author" a lot? Are you self-publishing to "show them all"? If you've answered yes to one or more of these questions then I do apologise, but this isn't the book for you. This book is for writers who consider self-publishing to be a good Plan B, or even a sideline to traditional publication. Who want to do it the cheapest and easiest way possible while still producing a quality product. Who understand that much like Starbucks outlets and Nespresso coffee machines, traditional and self-publishing can peacefully co-exist. Writers who know that they don't have to sell a million copies of their book to start earning a living from their writing, but that they do have to work hard and treat it like a business. Who are blessed with common sense and live in the real world at least most of the time. Who find my jokes funny. If this sounds like you, then **SELF-PRINTED: THE SANE PERSON'S GUIDE TO SELF-PUBLISHING** may be just the "How To..." guide you were looking for. It will tell you everything you need to know in order to publish a Print On Demand paperback and e-book, and (crucially) sell them, without sounding like anti-Big Publishing propaganda produced by the Ministry of Truth. Be warned: you are now entering a No Saying "Gatekeepers" Zone... **PRAISE FOR SELF-PRINTED:** "An exceptional breath of realism, real knowledge and hard experience-don't dream of self-publishing your book without it. This is

the self-publishing guide to read if you actually care about the quality of your writing and your readers." --Nicola Morgan, award-winning author of 90 books- including the Carnegie-nominated **WASTED** and **WRITE TO BE PUBLISHED**- and the blog **Help! I Need a Publisher!** "The best thing about Catherine is that she not only lives the dream, but offers you a stepladder up to join her. The advice she gives is utterly practical-because she's done what she describes-and the whole [book] is suffused with humour. I am a fan." --Alison Baverstock, author of **IS THERE A BOOK IN YOU...?** and senior lecturer on the Publishing MA at Kingston University (UK) "The **BEST** book on self-publishing ... Seriously, **GET THIS NOW!**"-David Wright, co-author of the bestselling **YESTERDAY'S GONE** series

As Sergeant Oscar Wylton, a six-foot-two, 196-pound marine lines up to exit the rear door of a CH-53S Sea Dragon helicopter, he knows that he has less than a 10 percent chance of surviving his assignment. As he parachutes into a pit of darkness over the rough terrain near the Afghanistan-Pakistan border, Wylton has no idea that what he thinks is his final mission as an assassin will not be his last. Wylton has served his country well, distinguishing himself in high-risk conflicts in Bosnia and Afghanistan; but after he retires from the Marines and begins a business with his wife, she suddenly divorces him and severs their professional partnership. Left jobless and out of options, Wylton reluctantly becomes a hired hit man targeting society's miscreants who, through legal flukes, have avoided prosecution. But when the stakes are raised and he is assigned to kill a well-protected Mafia boss, Wylton must rely on his training and quick-thinking skills to avoid capture by the FBI or worse yet, his intended victim. *A Reluctant Assassin* is a powerful story about one man's battle with morality, ethical choices, and personal loss as he faces the greatest challenge of his life.

Museum security expert Desiree Jacobs is back in this sequel to *Reluctant Burglar*, and only she can unearth the horrifying secret that links together stolen Indian artifacts, a murdered museum guard, a missing woman, and a baby in danger. Desiree "Desi" Jacobs doesn't mean to get in danger's path. Really she doesn't. But when a friend is in trouble you don't just walk away, no matter what your overprotective FBI agent boyfriend says. So when Desi and Tony's date at a presidential ball is interrupted by a frantic Maxine Webb, Desi doesn't hesitate to jump in. Soon Desi is neck-deep in a confusing array of villains. Did Maxine's niece run away or was she taken? Is she still alive or the victim of a perverse ritual? And who wants her infant son--and why? Then Tony's organized crime case collides with Desi's investigation, throwing them both into the path of something dark and sinister. Something that craves blood. From the streets of Desi's beloved Boston to the mountain desert of New Mexico, Desi and Tony must rely on God to thwart unseen forces and save a young woman and her baby from a villain more evil than any of them can imagine.

Hi, I'm Stella Stella, and I journaled my epic and personal pilgrimage backpacking through the Camino De Santiago. Originally intended to share this only with a few close friends, my detailed journal is real, and raw (and funny). This beautiful, life altering experience will stay with you forever. I include the Good, the Bad, and the Ugly. Triumphant over setbacks, this writing captures why everyone has their own Camino. Be ready, as this may not be what you expect. PS – If you are planning a Camino, also check out my Packing List. Buen Camino

Buying a sailboat is not something generally done on a whim. When Gwen and her husband Dan tired of their small powerboat, they decided to buy a sailboat large enough to sail across the Atlantic. Their "shake-down cruise" involved sailing from their home port in Rhode Island over 700 miles to Bermuda. Along the way, they encountered severe weather, 30-foot-high waves, nasty seasickness, and lots of equipment failures. With undampened spirits, the Riggs set course for Europe three years later. Duke, a spirited young Lhasa Apso, joined them for their adventure across the Atlantic. Their sails would bring them to ports all around the Mediterranean, to the Scandinavian countries and northern Europe. Author Gwen Riggs's breathtaking journey across the Atlantic is dutifully recorded in her own words in *A Reluctant First Mate's Journal*. You won't have to leave the comfort of your home to re-live every exciting moment
