Amazon.com: Customer reviews: Bad Apple

The student denies it. The teacher denies it. Nonetheless, it seems that everyone in Tola Riley's high school believes that she is carrying on with her art instructor, Mr. Mymer. And now, Mr. Mymer has been suspended, and Tola,

a junior, doesn't know how to stop the rumors that are traveling through the hallways by day and in cyberspace after hours. It's a provocative premise, and the story ...

Down The Rabbit Hole: Book Review: Bad Apple by Laura Ruby

Ebook Free Bad Apple, by Laura Ruby. It is not secret when hooking up the writing skills to reading.

Reading Bad Apple, By Laura Ruby will make you get even more sources and also sources. It is a way that can improve just

Laura Ruby is the author of twelve books, including Bone Gap, winner of the 2016 Printz Award and finalist for the 2015 National Book Award.. Bone Gap is a coming-of-age mystery about a kidnapping in a small Midwestern town, and it incorporates elements of mythology and magical realism. The New York Times Book Review called it a "lush and original

young adult novel".

Bad Apple Laura Ruby For Ray of Sunshine Shine on The way to read a fairy tale is to throw yourself in. —W.

H. Auden All children are artists.

Editions of Bad Apple by Laura Ruby -

Goodreads I own all of Laura Ruby ' s books (Good Girls, Bad Apple, & Play Me) but haven ' t read any until Play Me. The

narrator was male, which made me like the book a little better. I don't think I would have liked it as much if Lucinda or Gina was the narrator. [Laura Ruby - Wikipedia](#)

After reading and loving Ruby's earlier YA novel Good Girls, getting my hands on Bad Apple was a must. The woman can write, write well, and write great relationships between girls. That's exactly what I need more of in YA.

Raised in the wilds of suburban New Jersey, Laura Ruby now lives in Chicago with her family. Her short fiction for adults has appeared in various literary magazines, including Other Voices, The

Florida Review, Sycamore Review and Nimrod. A collection of these stories, I'M NOT JULIA ROBERTS, was published by Warner Books in January 2007.

For this reason alone, I was both interested and repulsed by Bad Apple. Then I opened the book and meet a cast of very real and unique characters and a narrator as confused and interesting as she was real. Bad Apple was a treat from page one to the last. Tola wants someone to understand her.

Bad Apple by Laura Ruby - PDF free download eBook
I liked this book. The ending was absolutely fabulous, probably the best part of the book, and had me in fits of laughter. I look forward to checking out Laura Ruby's other books and I highly suggest you check out BAD APPLE when you are looking for some very realistic teen fiction.
