**Silent Mercy** Light Technology Publishing  
The New York Times bestselling author of *Devil's Bridge* and renowned former Manhattan prosecutor delivers a mesmerizing Alexandra Cooper novel set at the crossroads of big money, high culture, and murder... *The Bone Vault* begins in the Metropolitan Museum of Art's glorious Temple of Dendur, where wealthy donors have gathered to celebrate a controversial new exhibit. An uneasy mix of scholarship, showbiz, and aggressive marketing, "A Modern Bestiary" will be a joint venture of the Met and the American Museum of Natural History. With its IMAX time trips and Rembrandt refrigerator magnets, the "Bestiary" has raised fierce opposition from some of New York's museum elite. Assistant DA

Alexandra Cooper, off duty for the evening, observes the developing tensions with bemused interest until Met director Pierre Thibodaux pulls her aside. He needs her advice. There's an urgent problem out at a loading dock on a New Jersey pier. A Twelfth Dynasty mummified princess, enclosed for eternity in a huge stone sarcophagus, is about to take a long voyage to Cairo as part of a routine museum exchange. But Cleopatra is missing, and in her place is the not-so-mummified body of a woman many centuries younger than her royal predecessor. Who is this woman with the small physique, the dark hair, and the shiny barrette? What is her connection, if any, to the rarefied world of priceless art and objects? And how and when did she become entombed in the

---

sarcophagus? Teaming with cops Mike Chapman and Mercer Wallace, Alex must explore behind the scenes at the elegant but severe Metropolitan, travel uptown to the remote setting of the Cloisters and its medieval trove of funerary art, and on to the massive array of beasts and bones at the Museum of Natural History. Somewhere deep within the bowels of one of these great cultural centers, a killer may wait. Atmospheric, chilling, and rich with the kind of procedural authenticity that only Linda Fairstein can provide, *The Bone Vault* is a page-turning tour de force from one of crime writing's brightest stars.

*Sabers in the Wind* McFarland  
This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could

patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Final Jeopardy Grand  
Central Publishing  
NEW YORK TIMES  
BESTSELLER ONE OF  
TIME ' S 100 BEST  
BOOKS OF THE YEAR  
Sex and the City meets Bad  
Blood and Catch Me if You  
Can in the astonishing true  
story of Anna Delvey, a  
young con artist posing as  
an heiress in New York  
City—as told by the former  
Vanity Fair photo editor  
who got seduced by her  
friendship and then  
scammed out of more than  
\$62,000. Rachel DeLoache

Williams ' s new friend Anna  
Delvey, a self-proclaimed  
German heiress, was worldly  
and ambitious. She was also  
generous—picking up the  
tab for lavish dinners at Le  
Coucou, infrared sauna  
sessions at HigherDOSE,  
drinks at the 11 Howard  
Library bar, and regular  
workout sessions with a  
celebrity personal trainer.  
When Anna proposed an all-  
expenses-paid trip to  
Marrakech at the five-star La  
Mamounia hotel, Rachel  
jumped at the chance. But  
when Anna ' s credit cards  
mysteriously stopped  
working, the dream vacation  
quickly took a dark turn.  
Anna asked Rachel to begin  
fronting costs—first for  
flights, then meals and  
shopping, and, finally, for  
their \$7,500-per-night  
private villa. Before Rachel  
knew it, more than \$62,000

---

had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she 'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city ' s most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, *My Friend Anna* is an unforgettable true story of “glamour, greed, lust for power” (The New York Times), and female friendship.

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non – Celtic influence on Scotland ' s history has been largely ignored for centuries? This book argues that much of Scotland ' s history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland ' s identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors ' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble

---

genealogies, family crests, portraiture, and geographic place names.

Killer Look Simon and Schuster  
"A wild heart beats within New York City. Amid concrete and skyscrapers, the Wildlife Conservation Society works to preserve and protect the animal kingdom both within and beyond the borders of the five boroughs. But dangerous creatures don't always have claws and fangs, as Assistant DA Alexandra Cooper and NYPD detectives Mike Chapman and Mercer Wallace know all too well. Predators lurk close to home, and in the aftermath of the shocking drive-by murder of an important city employee--someone Alex has worked with for years--the trio must discover who the bigger snake is: the killer or the victim."--

Prominent Families of New York Penguin  
New York Times bestselling author Linda Fairstein delivers a

heart-pounding thriller that explores the dark secrets of Manhattan's iconic fashion scene in this Alexandra Cooper novel. New York City is one of the fashion capitals of the world, well-known for its glamour and style. Yet high fashion means high stakes, as Alex Cooper quickly discovers when businessman and designer Wolf Savage is found dead in an apparent suicide, mere days before the biggest show of his career. When the man's daughter insists Savage's death was murder, the case becomes more than a media sensation: It is a race to find a killer in a world created entirely out of fantasy and illusion. With her own job at the DA's office in jeopardy, and the temptation to self-medicate her PTSD with alcohol almost too strong to resist, Alex is not anyone's first choice for help. But she is determined to uncover the grime--and the possible homicide--beneath the glitz. Along with detectives Mike

---

Chapman and Mercer Wallace, Alex must penetrate the twisted roots and mixed motives among the high-profile players in the Garment District--just as things are about to get deadly on the catwalk.

Talking Book Topics Anchor  
A quick reference to basic science for anaesthetists, containing all the key information needed for FRCA exams.

My Friend Anna Simon and Schuster

This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies.

Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation.

This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products.

Fish in a Tree Penguin

In “ a brilliant antidote to all the...false narratives about pot ” (American Thinker), an award-winning author and former New York Times reporter reveals the link between teenage marijuana use and mental illness, and a hidden epidemic of violence caused by the drug—facts the media have ignored as the United States rushes to legalize cannabis. Recreational marijuana is now legal in nine states. Advocates argue cannabis can help everyone from veterans to cancer sufferers. But legalization has been built on

---

myths—that marijuana arrests fill prisons; that most doctors want to use cannabis as medicine; that it can somehow stem the opiate epidemic; that it is beneficial for mental health. In this meticulously reported book, Alex Berenson, a former New York Times reporter, explodes those myths, explaining that almost no one is in prison for marijuana; a tiny fraction of doctors write most authorizations for medical marijuana, mostly for people who have already used; and marijuana use is linked to opiate and cocaine use. Most of all, THC—the chemical in marijuana responsible for the drug ’ s high—can cause psychotic episodes. “ Alex Berenson has a reporter ’ s tenacity, a novelist ’ s imagination, and an outsider ’ s knack for asking intemperate questions ” (Malcolm Gladwell, *The New Yorker*), as he ranges from the London institute that is home to the scientists who helped prove the cannabis-psychosis link to the Colorado prison where a man now serves a thirty-year sentence after eating a THC-laced candy bar and killing his wife. He sticks to the facts, and they are

devastating. With the US already gripped by one drug epidemic, *Tell Your Children* is a “ well-written treatise ” (Publishers Weekly) that “ takes a sledgehammer to the promised benefits of marijuana legalization, and cannabis enthusiasts are not going to like it one bit ” (Mother Jones).

### Cold Hit Penguin

New York Times bestselling author Linda Fairstein explores the depths of Manhattan's secretive Rockefeller University in this timely, captivating thriller about the deep--and often deadly--reverberations of past sins. Assistant DA Alexandra Cooper of the Manhattan Sex Crimes Unit is finally back at work following a leave of absence,

---

and not a moment too soon. Within Manhattan's Rockefeller University, a premier research institute, hospital, and cornerstone of higher learning. But not even the greatest minds in the city can help her when unearthed secrets begin to collide in dangerous ways . . . and unless she can uncover the truth, the life-saving facility just may become her grave.

With more women feeling empowered to name their abusers, Alex is eager to return to the courtroom to do what she does best. But even she can't anticipate the complexity of her first case when she meets Lucy, a young woman who testified years earlier at a landmark federal trial . . . and now reveals that she was sexually assaulted by a prominent official during that time. Yet Lucy's isn't the only secret Alex must uncover, with rumors swirling about one colleague's abusive conduct behind closed doors and another's violent, mysterious collapse. As the seemingly disparate cases of her client, adversary, and friend start to intertwine, Alex, along with NYPD detectives Mike Chapman and Mercer Wallace, finds herself in uncharted territory

Cold Hit Simon and Schuster It's August in New York, and the only thing that's hotter than the pavement is Manhattan D.A. Alex Cooper's personal and professional life. Just as she's claiming an especially gratifying victory in a rape case, she gets the call: the body of a young woman has been found in an abandoned building. The brutality of the murder is disturbing enough, but when a second body is found in Brooklyn, beaten and disposed of in the exact same manner, the city's top brass want the killer found fast. Relying on razor sharp instincts, a whip-smart partner, and one big break Alex races to

---

find the killer and keep him from killing again, even if it's at her own peril. The Publishers Weekly Penguin “ A heartbreaking, finger-gnawing, and yet ultimately hopeful novel by the amazing Rene Denfeld. ” —Margaret Atwood, via Twitter

After captivating readers in *The Child Finder*, Naomi—the investigator with an uncanny ability for finding missing children—returns, trading snow-covered woods for dark, gritty streets on the search for her missing sister in a city where young, homeless girls have been going missing and turning up dead. From the highly praised author of *The Child Finder* and *The Enchanted* comes *The Butterfly Girl*, a riveting novel that ripples with truth, exploring the depths of love and sacrifice in the face of a past that cannot be left dead and buried. A year ago, Naomi, the investigator with an

uncanny ability for finding missing children, made a promise that she would not take another case until she finds the younger sister who has been missing for years. Naomi has no picture, not even a name. All she has is a vague memory of a strawberry field at night, black dirt under her bare feet as she ran for her life. The search takes her to Portland, Oregon, where scores of homeless children wander the streets like ghosts, searching for money, food, and companionship. The sharp-eyed investigator soon discovers that young girls have been going missing for months, many later found in the dirty waters of the river. Though she does not want to get involved, Naomi is unable to resist the pull of children in need—and the fear she sees in the eyes of a twelve-year old girl named Celia. Running from an abusive stepfather and an addict mother, Celia has nothing but hope in the butterflies—her guides and guardians on the dangerous streets. She sees them all around her, tiny iridescent wisps of hope that soften the edges of this hard world and illuminate a cherished memory from her childhood—the

---

Butterfly Museum, a place where everything is safe and nothing can hurt her. As danger creeps closer, Naomi and Celia find echoes of themselves in one another, forcing them each to consider the question: Can you still be lost even when you 've been found? But will they find the answer too late?

**Blood Legacy** Simon and Schuster

From the former chief of the sex crimes unit of the Manhattan District Attorney 's office comes the bestselling thriller featuring a New York City prosecutor unraveling a terrifying and brutal murder mystery.

**Alexandra Cooper**, Manhattan 's top sex crimes prosecutor, awakens one morning to shocking news: a tabloid headline announcing her own violent murder. Confused and horrified, Alex discovers that the actual victim was Isabella Lascar, a Hollywood film actress who

was staying at Alex 's Martha 's Vineyard retreat. This only raises more questions: was Isabella slain by a stalker or was Alex herself the intended target? In an investigation that twists from the alleys of lower Manhattan to the chic boutiques of the Upper East Side, Alex has to get inside the killer 's head before the killer gets to her.

“ With riveting authenticity ” (Vanity Fair), **Final Jeopardy** is a fast-paced and explosive thriller that only Linda Fairstein could write.

[Pre-Incident Indicators of Terrorist Incidents](#) Penguin

A defense attorney and his beloved Golden Retriever work solve a murder and clear a his girlfriend's name in this entertaining cozy mystery. No one can separate defense attorney Andy Carpenter from his golden retriever, Tara, who stands loyally beside him through every investigation, no

---

matter how dangerous or puzzling-and he is about to be confronted with one of his most difficult cases yet. When a cop's body is found burned and decapitated, the last thing Andy expects is for a stranger to waltz into his office and confess to the crime. For the wisecracking millionaire attorney suffering from "lawyer's block," the case looks like a no-brainer, that is until the cops pick up another suspect: Andy's lead P.I., Laurie Collins, who happens to be the love of his life. Soon Laurie's case is looking bleak and Andy is becoming increasingly desperate. All he had wanted was a case to sink his teeth into. Now he gets one that's a kick in the head . . . and the heart.

### The Butterfly Girl Simon and Schuster

Contraband cargo-young and female-from a wrecked Ukraine freighter washes up on Rockaway Beach. But one victim died before she even

hit the dark waters of the Atlantic. Only one other story has the power to grab New York ADA Alexandra Cooper's attention-that of a New York congressman's dive into disgrace following a sordid sex scandal. When Alexandra discovers that the freighter victim and the congressman's lover are connected in a way that simply can't be coincidence, it strikes her that these cases aren't as unrelated as they seem. She unearths a secret that will not only shatter the entire political landscape of New York, but expose Alexandra to the darkest, most dangerous, and most profoundly disturbing revelation of her career.
