This Newbery Honor Book will challenge young men to consider their own decisions as they come of age in a complex and often frustrating society. Pushed by a bully to fight and nagged by his principal, Jamal is having a difficult time staying in school. His home life is not much better, with his mother working her fingers to the bone to try to earn the money for an appeal for Jamal's jailed older brother, Randy. Jamal wants to do the right thing and help earn the money to free his brother by working, but he's afraid to go against the Scorpions. Jamal eventually pulls free of the gang's bad influence, but only through the narrowest of escapes. Walter Dean Myers, five-time winner of the Coretta Scott King Award, sensitively explores the loyalty and love between friends faced with hard choices. Scorpions is 25 years old, but the issues of poverty and violence make it a timeless powerful read—sadly as relevant as ever.

From a fresh new voice on the contemporary YA scene, My Life with the Walter Boys centers on the prim, proper, and always perfect Jackie Howard. When her world is turned upside down by tragedy, Jackie must learn to cut loose and be part of a family again. Jackie does not like surprises. Chaos is the enemy! The best way to get her successful, busy parents to notice her is to be perfect. The perfect look, the perfect grades-the perfect daughter. And then... Surprise #1: Jackie's family dies in a freak car accident. Surprise #2: Jackie has to move cross-country to live with the Walters-her new guardians. Surprise #3: The Walters have twelve sons. (Well, eleven, but Parker acts like a boy anyway) Now Jackie must trade in her Type A personality and New York City apartment for a Colorado ranch and all the wild Walter boys who come with it. Jackie is surrounded by the enemy-loud, dirty, annoying boys who have no concept of personal space. Okay, several of the oldest guys are flat-out gorgeous. But still annoying. She's not stuck-up or boring-no matter what they say. But proving it is another matter. How can she fit in and move on when she needs to keep her parents' memory alive by living up to the promise of perfect? Ali Novak wrote My Life with the Walter Boys when she was just 15 years old. First a hit on the online community Wattpad, this debut novel has already been read over 33 million times and is loved by readers around the world.

Lockdown is the powerful tale of fourteen-year-old Reese Anderson, who has spent 22 months in a tiny cell at a "progress center." Living in fear and isolation, Reese begins looking within himself to find a way out of the prison system. Acclaimed author Walter Dean Myers offers an honest story about finding a way to make it without getting lost in the shuffle. Told with compassion and truth, Lockdown is also a compelling first-person read that "could resonate with teens on a dangerous path."* When I first got to Progress, it freaked me out to be locked in a room and unable to get out. But after a while, when you got to thinking about it, you knew nobody could get in, either. It seems as if the only progress that's going on at Progress juvenile facility is moving from juvy jail to real jail.

Reese wants out early, but is he supposed to just sit back and let his friend Toon get jumped? Then Reese gets a second chance when he's picked for the work program at a senior citizens' home. He doesn't mean to keep messing up, but it's not so easy, at Progress or in life. One of the residents, Mr. Hooft, gives him a particularly hard time. If he can convince Mr. Hooft that he's a decent person, not a criminal, maybe he'll be able to convince himself. Darnell Rock Reporting Harper Collins

Printz Award winner Walter Dean Myers deftly draws a compassionate portrait of a boy's odyssey of self-discovery and the acceptance and empathy for others he learns along the way. David doesn't know what to make of his father, Reuben. His older brother, Tyrone, says Reuben is crazy. But Tyrone is acting like someone David doesn't know anymore. Then David meets Mr. Moses, a mysterious man who tells him that dreams might be the only things we have that are real. And it is Mr. Moses' gift of dreams that gives David a new way to see inside his father's heart. I wonder what kind of dreams Reuben has. When I thought about him dreaming, I thought of him having a storm in his head, with lightning and far-off thunder and the wind blowing big raindrops and a bigger storm coming just down the street, just around the corner, like a monster waiting for you. I thought Reuben dreamed of monsters that scared him. They scared me too.

Long ago, when the earth had not settled in its turning and the stars had not found their places in the night sky, there were three kingdoms. The first was the kingdom of the forest, ruled by the mighty Elephant. The second was the kingdom of the sea, ruled by the ferocious Shark. And the third was the kingdom of the air, ruled by the powerful Hawk. And then there were the People, who needed the forest and sea and air for survival. But they were small and weak--no match for the beast who dominated the kingdoms. Yet the People had a gift--the gift of storytelling. With powerful prose and bold illustrations, Walter Dean Myers and Ashley Bryan tell how the People used their gift to outwit the rulers of the three kingdoms, making this triumphant story one worth reading again and again.
