Riegel is a soft-spoken woman
of routines. She must have order
in her life, and she does, until
one day she finds a letter in her
mailbox with her name on the
envelope and a clear threat
written in block capitals on the

sheet inside. With the arrival of the letter, and eventually others like it, Ragna's carefully constructed life begins to unravel into a nightmare--threatened by an unknown enemy, paranoid and unable to sleep, her isolation becomes all the more extreme. Ragna's distress does culminate in a death, but she is the perpetrator rather than the victim. The Whisperer shifts between Inspector Sejer's interrogation of Ragna and the shocking events that led up to her arrest. Sejer thinks it is an open-and-shut case, but is it? Compelling and unnerving, *The Whisperer* probes plausible madness in everyday life and asks us to question assumptions even in its final moments.

An inventively twisted psychological thriller from “a master of the slow build, the controlled burn” (Chicago Tribune). In the middle of the night, a man breaks into a woman’s house, finds her bedroom, and wakes her up. She’s the author who could save his soul by telling his story. He’s one of many characters waiting their turn—except now he’s cut the line. After all, she could die soon, leaving him lost forever. He refuses to leave until she gives him a name. And so his story begins . . . Alvar Eide, forty-two and single, works in an art gallery. He maintains a quiet life—until one icy winter morning when a drug-addicted young woman walks into his gallery to escape the cold. Alvar gives her a cup of coffee to warm her up. Soon after, she appears on his

doorstep. The author is finally telling his story . . . but she never promised a happy ending. Broken is an unconventional, disturbing, and thought-provoking mystery from a master of the form, and winner of the Los Angeles Times Book Prize for her crime novel *The Indian Bride*. “Fossum crafts remarkably incisive psychological suspense: novels that carry the headlong momentum of thrillers and the acuity and weight of literary fiction.” —The Washington Post Book World “I always eagerly await a new novel from Karin Fossum.” —Ruth Rendell “Claustrophobic and intense.” —The Independent (UK)

'Tense, atmospheric and unsettling, this book will stay with you long after you turn the last page, and long after you turn out the lights.' – Christian White
When a school group of teenage girls goes missing in the remote wilderness of Tasmania's Great Western Tiers, the people of Limestone Creek are immediately on alert. Three decades ago, five young girls disappeared in the area of those dangerous bluffs, and the legend of 'the Hungry Man' still haunts locals to this day. Now, authorities can determine that the teacher, Eliza Ellis, was knocked unconscious, so

someone on the mountain was up to foul play. Jordan Murphy, the local dealer and father of missing student Jasmine, instantly becomes the prime suspect. But Detective Con Badenhorst knows that in a town this size – with corrupt cops, small-town politics, and a teenage YouTube sensation – everyone is hiding something, and bluffing is second nature. When a body is found, mauled, at the bottom of a cliff, suspicion turns to a wild animal – but that can't explain why she was discovered barefoot, her shoes at the top of the cliff, laces neatly tied. 'This atmospheric, scenery-rich crime tale embodies both the beauty and brutality of nature – especially human nature...The Bluffs establishes Perry as a fierce new talent.' Apple Books 'The narrative races along, pulling the reader from page to page with a freight-train momentum that starts with the first word and ends with the final full stop.' Sunday Examiner 'A riveting story that will give even a seasoned thriller reader goosebumps... The Bluffs is a perfect winter read that will pull you in and won't let go. Perry has managed to exceed expectations for his debut novel. Full of mystery, crime and a certain hair-raising charm, you won't be disappointed.' Better Reading

City gang's nocturnal journey through the seedy, dangerous subways and city streets of the 1960s. "Warriors, come out to play-yay!" affiliation with their "family," The Warriors "goes to the core of the heart of darkness" as it weaves together social commentary with ancient legends for a classic coming-of-age tale (Flyer). This edition includes a new introduction by the author. "It seems to me the best novel of its kind I've ever read, an altogether perfect achievement. I'm sure that to many it will sound like sacrilege but I have to say that I think it a better novel than Lord of the Flies." —Warren Miller, author of *The Cool World*

Robinson's nineteenth Inspector Banks novel is a stunner. Handguns are illegal in the U.K., and whenever one is reported, the police swing into high gear. An “absorbing” and “chilling” historical mystery “dripping with evil atmosphere” (The Times, London). December 12, 1945. The Third Reich lies

in ruins as a British warplane lands in Bückeberg, Germany. A man carrying a small black bag quickly disembarks and travels to Hamelin, where he disappears behind the prison gates. Fifty-four years later, retired policeman Herbert Molin is found brutally slaughtered on his remote farm in Härjedalen, Sweden. puzzling investigation with no witnesses and no discernible motives. Terrified of the illness that could take his life, Lindman becomes more and more reckless as he uncovers the links between Molin's death, World War II, and an underground neo-Nazi network. Mankell's impeccably researched historical thriller is "a worthy successor to the Wallander whodunits" (The Sunday Telegraph). "[Mankell] never fails to find a deep vein of humanity within the perpetually furrowed brows of his troubled cops."

When the Devil Holds the Candle HarperCollins

"No one can thoroughly chill the blood the way Karin Fossum can." — Los Angeles Times Critically acclaimed across Europe, Karin Fossum's Inspector Sejer novels are masterfully constructed, psychologically convincing, and compulsively readable. They evoke a world that is at once profoundly

disturbing and terrifyingly familiar. The inaugural Inspector Sejer novels have been conveniently packaged together for your very own chilling reading experience. **EVA'S EYE** When the body of a man floats to the surface of a river, Inspector Sejer is called in. Sejer and his team determine that the man, Egil, died in a violent attack. But Egil has been missing for months, and the trail to his killer has gone cold. It's as puzzling as another unsolved case on Sejer's desk: the murder of a prostitute who was found dead just three days before Egil went missing. Sejer sets to work piecing together the fragments of these two impossible cases; soon enough he realizes that they might not be as separate as they had seemed. **DON'T LOOK BACK** At the foot of the

imposing Kollen Mountain lies a small, idyllic village where neighbors know neighbors and children play happily in the streets. But when the body of a teenage girl is found by the lake at the mountaintop, the town's tranquility is shattered forever. Annie was strong, intelligent, and loved by everyone. What went so terribly wrong? Doggedly, yet subtly, Inspector Sejer uncovers layer upon layer of distrust and lies beneath the town's seemingly perfect façade. **HE WHO FEARS THE WOLF** Inspector Sejer is hard at work again, investigating the murder of a woman who lived alone in the middle of the woods. The chief suspect is another loner, a schizophrenic recently escaped from a mental institution. The only witness is a twelve-year-old boy, overweight, obsessed with archery, and a resident

at a home for delinquents. Shrewdly, patiently, as is his way, Sejer confronts a case where the strangeness of the crime is matched only by the strangeness of the criminals, and where small-town prejudices warp every piece of information he tries to collect. “In spare, incisive prose, Fossum turns a conventional police procedural into a sensitive examination of troubled minds and a disturbing look at the way society views them . . . A superb writer of psychological suspense.” —
New York Times
