Sam and Dean Winchester know all the secrets their father recorded in his journal. Now you can, too. On November 2, 1983, Sam and Dean Winchester lost their mother to a demonic supernatural force. In the wake of the

Rebel of the Sands Jennifer

tragedy, their father, John, set out to learn everything he could about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. In his personal journal, he not only compiled folklore, legend, and superstition about all manner of otherworldly enemies but he also recorded his experiences—hunting the creature that killed his wife even as he raised his two sons. Part prequel, part resource guide, John Winchester's Journal finally gives fans the ultimate companion book for Supernatural. It's all here: the exorcism Sam and Dean used in "Phantom Traveler," John's notes on everything from shape-shifters to Samuel Colt, Dean's first hunt, Sam's peewee soccer team . . . and John's single-minded pursuit of a growing and deadly evil.

Bad Moon Rising Simon and Schuster

The world falls from beneath me—literally—one winter night when I'm racing down the road on my beloved motorcycle. I tumble into a huge sinkhole, followed by the sheriff, who's doggedly chasing me. I find myself in a cavern covered with evil petroglyphs that are intent on killing me ... From that harrowing situation I go to another even more dire: A hotel inspector who seems bent on putting me out of business. Add to this, my evil little sister has surfaced to tangle with me, and now Mick, my dragon boyfriend, is acting mysterious and scary. Only the magic mirror, my interfering grandmother, and my new cook seem to know what's going on, all of them telling me that Mick has been touched by shadows. I have to figure out what that means and wrest him free of dark forces

before the Dragon Council sticks their smoldering noses in and a new witch in town destroys everything I love.

SHE KILLS WITHOUT

MERCY On her thirteenth

birthday, Thalliya had watched her entire family get slaughtered. The humans had cut off their fins and hung their heads from their Viking ships. Left cradling what few pieces remained of her twin, Thalliya had screamed to the gods for vengeance. Having been answered by the Goddess of Love and War, Thalliya now guards the seas without mercy. **HE FIGHTS**

WITHOUT FEAR Ragnor is hired to take care of the mermaid terrorising the western seas. With seventeen kills under his belt, he thinks little of venturing into the Mouth of Hel. It'll be a quick job with a quick pay... But when his ship is wrecked and the majority of his crew is drowned, Ragnor realises that

it's not a mermaid he's hunting. It's a morgen, a dark mermaid, that's hunting him. And there's only one way to kill one of those. You have to get her to fall in love. And then use the fork of the gods to dig out her newly beating heart.

encounters with mysterious creatures of old. The monsters of ancient mythology, folklore, and more contemporary urban legend have long captured the popular imagination. While most people in America today relegate monsters to just that--our imaginations--we continue to be fascinated by the unknown. Linda Godfrey is one of the country's leading authorities on modern-day monsters and has interviewed countless eyewitnesses to strange phenomena. Monsters evolve, taking on both new and familiar forms over time and across cultures. In this well-researched book,

Godfrey explores uncanny encounters with werewolves, goatmen, Bigfoot, and more. In more than twenty-five years spent "chasing" monsters, Godfrey has found that it often remains unclear whether the sightings are simply mistaken animals, hoaxes, or coincidence. When all the speculation is said and done, one question remains for fans and researchers: Are the creatures "real," or are they entirely "other-world?" Godfrey suspects that it isn't an either/or question--our reality operates on a scale from dense matter to realms the human eye cannot see. As Godfrey investigates

unexplained phenomena, her search for answers will fascinate casual observers and enthusiasts alike.

My day bursts into chaos when a Changer charges into my hotel, attacking me with a message spell. I have to obey the message, whether I like it or not. But that's okay, because it's from

Mick, my dragon boyfriend, guiding me to Death Valley where he's been imprisoned by the Dragon Council. Rescuing him takes all my strength, not to mention the wild magics I inherited from my evil-goddess mom, plus Nash, the sheriff who's impervious to magic. But once Mick is free, he tells me he's bound to the Dragon Council to appear at a trial for breaking dragon law. He's already been found guilty, and now they'll sentence him, and maybe, just maybe, they'll let him live. Forget that. I'll do anything in my power to keep Mick safe from the sticks-up-their-dragon-tails Council, even if it means letting forth my goddess power, and challenging the likes of Coyote, all my new

friends, and even Mick himself. On top of this, a stranger who stayed at my hotel got himself murdered, and I have to figure out who did it as well as stop the guy, who keeps stubbornly coming back to life. It's always something at my Crossroads hotel, where magic is real, and the paranormal is normal. *Skinwalker Del Rey Skinwalkers - Song of Wolves Volume 1 & 2.* Get both volumes together. The only thing stronger than the wolf's savage hunger, is his love for one girl. Mya and David's story climaxes in *Skinwalkers - Song of Wolves*. This book will be released in volumes. In volumes one and two, the final book of the *Skinwalkers* series, Mya, Donny and Wilson are fighting for their lives, while Mya searches for a way back from her nightmare and into David's arms. David disappears after the Changing, no longer taking his human form. This leaves Mya to wonder if she has lost him to the world of the beast. Mya isn't about to give up. She is determined to spend the rest of her life with the man she loves, no matter if he is human or wolf. A strange fog has descended over the Navajo Reservation, bringing with it unspeakable horrors and possibly the end of everything and everyone Mya loves. *Skinwalkers Series Bad Moon Rising Witching the Wolf Song of Wolves Volume 1 & 2* [Leaphorn & Chee](#) Createspace

Witches, Wolves and

Romance! Witching the Wolf is the second book in the Skinwalkers Series. Mya Reynolds was conceived in a world of witches and demons, but it's a world she doesn't know, not until her ill-fated summer on the Navajo Indian Reservation. There she discovers a world that exists just below the surface of reality, and like many before her, she also discovers that loving the wolf can have disastrous consequences. David Bray is the alpha of the wolf people, known to the Native Americans as the Sinapu. His destiny is with the wolves. This is a fate he has always accepted, until the day he set eyes on Mya. David and Mya share a forbidden love, a love destined

to bring them heartache and despair. After being separated from David for months, Mya is lured back the reservation by the Sinapu's enemies. They will use David's love for her to destroy the wolves. If Mya can uncover the mysterious circumstances surrounding her birth, she might be able to stop the Skinwalkers from destroying her lover, but will it be enough to stop a predestined fate?

that threatens to

destroy her and everyone near her. David Bray has sworn to do everything he can to protect the people. But when his duty requires that he kill the one woman that has managed to capture his heart, he is torn between love and what he knows must be done. The skinwalkers are an ancient race - practitioners of the dark arts and the living vessels of demons. They have the ability to take the shape of animals and humans alike, and never for good. The Sinapu are the earthly incarnations of the wolf spirit. It is their duty to protect the heart of the people, but the skinwalkers want access to the heart and will stop at nothing to get it.

When Mya Reynolds agrees to take an internship with the tribal police, she unwittingly steps into the middle of an epic battle between good and evil, but too often the lines are blurred and she cannot be sure whom she can trust.

First Moon Red Wheel/Weiser
Dammit, just how many toes was she going to have to stomp on before people realized she was a Delicate Freakn' Flower? Naomi doesn't want to follow tradition and settle down with a violence-loving, chest thumping shapeshifter. She grew up in a household with

five, testosterone laden brothers where none of the dishes ever matched, the ugly-as-sin furniture could withstand any catastrophe, and where crazy glue was bought by the case. When fate-with a snicker-makes her meet not one, but two mates, Naomi digs her heels in and refuses to do what her wolf-and her body-demands. No way is she voluntarily allowing herself to get hitched to a pair of dumbass-totally hot and muscled-lacrosse players. Can Ethan, Meet the towering Kodiak bear, and Javier, the sexy, tanned jaguar convince this she-wolf that life with them won't be all chaos? And can this delicate freakn' flower unbend her prejudices enough to recognize she needs a pair of men who can handle her thorns-and her passion? Author's Note: In this story, all the sexual focus is on her--with delicious results. Also be warned, large doses of sarcasm abound, so a sense of humor is required.
