Written by the 1913 winner of the Nobel Price in Literature, Rabindranath Tagore, 'The Home and the World' follows the characters of Nikhil and Sandip, who have very different ideals around using violence to reach their goals. The novel illustrates the battle Tagore had with himself, between the ideas of Western culture and revolution against the Western culture. This is ultimately shown through Nikhil and Sandip. Covering themes such as truth, love and union, religion vs nationalism, and the role of women, 'The Home and the World' gives a real insight into societal problems in the Bengal region following the turn of the 19th century. Rabindranath Tagore (1861 – 1941) was an Indian poet and philosopher. He was the first non-European to receive the Nobel Prize for Literature in 1913. Rebellious to classical studies, he was sent to England to study law. Back in India, he devoted himself to poetry and musical dramas, and in 1883 began writing his collection 'Chants de l'aurore'. Dreaming of harmony between men, he wrote in 1904 a political essay in favour of the Independence of India. In 1910, 'L'Offrande lyrique' was published, translated by Andr é Gide. At the end of his life, he supported Gandhi in his struggle.

“ What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to

India. ” —Anand Teltumbde, author of The Persistence of Caste B.R. Ambedkar ’ s

Annihilation of Caste is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system.

Ambedkar — a figure like W.E.B. Du Bois — offers a scholarly critique of Hindu scriptures,

scriptures that sanction a rigidly hierarchical and iniquitous social system. The world ’ s best-

known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was

never buried. Arundhati Roy introduces this extensively annotated edition of Annihilation of

Caste in “ The Doctor and the Saint, ” examining the persistence of caste in modern India,

and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to

the beginning of Gandhi ’ s political career in South Africa, where his views on race, caste

and imperialism were shaped. She tracks Ambedkar ’ s emergence as a major political figure

in the national movement, and shows how his scholarship and intelligence illuminated a

political struggle beset by sectarianism and obscurantism. Roy breathes new life into

Ambedkar ’ s anti-caste utopia, and says that without a Dalit revolution, India will continue

to be hobbled by systemic inequality.

"Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi

Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters

of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive

in a society that insists on a brutal conformity of behaviour. It is about individuals whose

spirits are paralysed because they cannot conform, and about history's inability to teach

mankind any worthwhile lessons." "Language plays an important part in this narrative,

operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop,

invokes the historical stand-off between the two languages. The novel also explores the culture

and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their

exotic confluence in Lucknow."--BOOK JACKET.
