**#1 NEW YORK TIMES BESTSELLER • More than one million copies sold!** A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

“ How does it feel to be a problem? ” asked W. E. B. Du Bois of black Americans in his classic *The Souls of Black Folk*. A hundred years later, Vijay Prashad asks South Asians “ How does it feel to be a solution? ” In this kaleidoscopic critique, Prashad looks into the complexities faced by the members of a “ model minority ” -one, he claims, that is consistently deployed as “ a weapon in the war against black America. ” On a vast canvas, *The Karma of Brown Folk* attacks the two pillars of the “ model minority ” image, that South Asians are both inherently successful and pliant, and analyzes the ways in which U.S. immigration policy and American Orientalism have perpetuated these stereotypes. Prashad uses irony, humor, razor-sharp criticism, personal reflections, and historical research to challenge the arguments made by Dinesh D ’ Souza, who heralds South Asian success in the U.S., and to question the quiet accommodation to racism made by many South Asians. A look at Deepak Chopra and others whom Prashad terms “ Godmen ” shows us how some South Asians exploit the stereotype of inherent spirituality, much to the chagrin of other South Asians. Following the long engagement of American culture with South Asia, Prashad traces India ’ s effect on thinkers like Cotton Mather and Henry David Thoreau, Ravi Shankar ’ s influence on John Coltrane, and such essential issues as race versus caste and the connection between antiracism activism and anticolonial resistance. *The Karma of Brown*

Folk locates the birth of the “ model minority ” myth, placing it firmly in the context of reaction to the struggle for Black Liberation. Prashad reclaims the long history of black and South Asian solidarity, discussing joint struggles in the U.S., the Caribbean, South Africa, and elsewhere, and exposes how these powerful moments of alliance faded from historical memory and were replaced by Indian support for antiblack racism. Ultimately, Prashad writes not just about South Asians in America but about America itself, in the tradition of Tocqueville, Du Bois, Richard Wright, and others. He explores the place of collective struggle and multiracial alliances in the transformation of self and community—in short, how Americans define themselves. **AWARDS Village Voice Favorite Books of 2000** **Venture Deals Less Than Three Press, LLC** Captain Calli Chase races against time to thwart a plot that leaves the fate of humanity hanging in the balance in this new thriller from international bestselling author Patricia Cornwell. Bangkok, rich in history and spirituality, crowded with temples, markets and canals, is also a city shrouded in shadows. Polluted, corrupt, infamous as the sex capital of the world, it is a place where wealth, poverty and unimaginable evil walk hand in hand. In District 8, the underbelly of Bangkok's crime world, a dramatically mutilated body is found in a hotel bedroom. It looks bad: the corpse - who's been flayed - is CIA. And it gets worse when the self-confessed murderer is the beautiful Chanya - the best 'working girl' at The Old Man's Club, a brothel owned jointly by Sonchai's mother and his boss, Police Colonel Vikorn. Alerted by Sonchai, Vikorn quickly concocts a cover-up that involves an Al-Qaeda terrorist cell located in a southern Thai border-town where, since 9/11, the CIA has also had a covert presence. So far so good: but the truth will be harder to come by, and it will require Sonchai to find an ever more delicate balance between his ambition (western) and his Buddhism (eastern), while he runs the gamut of Bangkok's drug-dealers, prostitutes, bad cops, even worse military generals, and the pitfalls of his own melting heart. Crowded with astonishing characters, redolent with the authentic, hallucinogenic atmosphere of Bangkok, with needle-sharp observations about the clash of cultures when East meets West, this is a literary thriller like no other.
