The People Vs. Democracy Profile Books

A word-of-mouth phenomenon that's changing lives around the world--a journey into your true self and amazing potential. Do you want to change your life? Well, who says you can't? A moment came in Daniel Chidiac's life when he realized he wasn't living his truth. His work didn't fulfill him, his relationships hurt him, and he was making choices that didn't align with his true values. But he did have the ability to know his own purpose--a gift we all have--and thus his journey began. Daniel studied the lives of great achievers, sought guidance from spiritual leaders, and discovered the secrets for shaping one's own destiny. He used his personal experience of changing his life to create this powerful seven-step guide to discovering your true self, committing to your own life, and pushing beyond your known limits. Standing out for his incisive wisdom and complete lack of gimmicks, Daniel Chidiac is an inspiring, insightful, and honest guide. His empowering system has spread organically, and it has already changed the lives of legions of readers. With practical exercises and interactive tools, this book challenges you to ask hard questions and make life-changing decisions--and ultimately guides you to the fulfillment you have been seeking. Get ready to be intrigued, fascinated, and amazed. Not by this book, but by your own power.

The Angel Experiment Llewellyn Worldwide

She fears the dark. He rules it. Her dresses are too tight, her heels too tall. She laughs too loudly, eats without decorum, and mixes up most sayings in the book. Little do most know it's just a sparkly disguise, there to hide one panic attack at a time. Nobody can crack Gianna's facade . . . no one anyway, until he comes along. Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . . One winter night and their lives intertwine. She hates him--his stone-cold demeanor, his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his--his frustration, his fascination. His maddest obsession. *Can be read as a standalone

The Maddest Obsession Simon and Schuster

"Remarkable . . . Scott Lynch's first novel, *The Lies of Locke Lamora*, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining." —The Times (London) An orphan's life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the tutelage of a gifted con artist. As leader of the band of light-fingered brothers known as the

Gentleman Bastards, Locke is soon infamous, fooling even the underworld's most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying. Praise for *The Lies of Locke Lamora* "Fresh, original, and engrossing . . . gorgeously realized." —George R. R. Martin "Right now, in the full flush of a second reading, I think *The Lies of Locke Lamora* is probably in my top ten favorite books ever. Maybe my top five. If you haven't read it, you should. If you have read it, you should probably read it again." —Patrick Rothfuss, New York Times bestselling author of *The Name of the Wind* "A unique fantasy milieu peopled by absorbing, colorful characters . . . Locke's wit and audacity endear him to victims and bystanders alike." —The Seattle Times "A true genre bender, at home on almost any kind of fiction shelf . . . Lynch immediately establishes himself as a gifted and fearless storyteller, unafraid of comparisons to Silverberg and Jordan, not to mention David Liss and even Dickens." —Booklist (starred review) "High-octane fantasy . . . a great swashbuckling yarn of a novel." —Richard Morgan

Wrath Aegitas

"The award-winning author of *Lust, Envy, and Greed*—soon to be Lifetime movies—delivers a passionate and unforgettable exploration of a marriage caught in the crossroads of rage. When Chastity Butler and Xavier Owens first meet, they instantly connect and they quickly marry. As time goes on, Xavier is slowly overcome with resentment about his past. Soon, Chastity finds herself on the receiving end of his increasing rage. It starts with

verbal abuse and escalates. When his rage explodes at a level Chastity has never seen, will their marriage survive or is this finally the last straw?"--

A Lover's Discourse Penguin

Tales selected and adapted from The Chinese fairy book, published in 1921.

From Poverty to Power Penguin

The Brothers Karamazov, also translated as The Karamazov Brothers, is the final novel by the Russian author Fyodor Dostoyevsky. Dostoyevsky spent nearly two years writing The Brothers Karamazov, which was published as a serial in The Russian Messenger and completed in November 1880. The author died less than four months after its publication. The Brothers Karamazov is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature.

Blood Sugar CreateSpace

C. M. McKenna's compelling voice has earned a devoted audience and multiple awards for her erotic fiction. Her page-turning literary debut, *Badger*, disturbs and titillates with the story of a recovering pill addict whose compulsive fascination with a Boston antihero spirals out of control. Nearly twelve months sober, Adrian Birch feels like a nobody. But when her wrist is broken in a hit-and-run accident,

she's avenged by the Badger, a secretive street vigilante. Instantly obsessed, Adrian takes to staging suicide and constructing chance meetings to get his attention. Their resulting affair is harsh and needy, wrought with McKenna's signature dark eroticism—until the connection gets out of hand and ignites the violent passions of the city. Hailed for her "evocative," "intense," "realistic," and "engrossing" stories by reviewers at *Publisher's Weekly*, *USA Today*, and *Romantic Times*, McKenna now establishes herself as a rising star in neo-noir. *Badger* challenges the reader to imagine how an impulsive young man is killed, offering only the perspective of the fascinating and unreliable Adrian Birch.

Ulysses Oxfam

In his highly acclaimed debut, *The Lies of Locke Lamora*, Scott Lynch took us on an adrenaline-fueled adventure with a band of daring thieves led by con artist extraordinaire Locke Lamora. Now Lynch brings back his outrageous hero for a caper so death-defying, nothing short of a miracle will pull it off. After a brutal battle with the underworld that nearly destroyed him, Locke and his trusted sidekick, Jean, fled the island city of their birth and landed on the exotic shores of Tal Verrar to nurse their wounds. But even at this westernmost edge of civilization, they can't rest for long—and are soon back to what they do best: stealing from the undeserving rich and pocketing the proceeds for themselves. This time, however, they have targeted the grandest prize of all: the Sinspire, the most exclusive and heavily guarded gambling house in the world. Its nine floors attract the wealthiest clientele—and to rise to the

top, one must impress with good credit, amusing behavior...and excruciatingly impeccable play. For there is one cardinal rule, enforced by Requin, the house's cold-blooded master: it is death to cheat at any game at the Sinspire. Brazenly undeterred, Locke and Jean have orchestrated an elaborate plan to lie, trick, and swindle their way up the nine floors...straight to Requin's teeming vault. Under the cloak of false identities, they meticulously make their climb—until they are closer to the spoils than ever. But someone in Tal Verrar has uncovered the duo's secret. Someone from their past who has every intention of making the impudent criminals pay for their sins. Now it will take every ounce of cunning to save their mercenary souls. And even that may not be enough.... Praise for *Red Seas Under Red Skies* "Lynch hasn't merely imagined a far-off world, he's created it, put it all down on paper—the smells, the sounds, the people, the feel of the place. The novel is a virtuoso performance, and sf/fantasy fans will gobble it up."—Booklist (starred review) "Red Seas Under Red Skies firmly proves that Scott Lynch isn't a one-hit wonder. . . . It'll only be a matter of time before Scott Lynch is mentioned in the same breath as George R. R. Martin and Steven Erikson."—Fantasy Book Critic "Grand, grandiose, grandiloquent . . . No critic is likely to fault Lynch in his overflowing qualities of inventiveness, audacious draftsmanship, and sympathetic characterization."—Locus
Work in the 21st Century Simon and Schuster #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing"

(USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting.

Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

What Rose Forgot Riverhead Books
This engaging and clearly written textbook/reference provides a must-have introduction to the rapidly emerging interdisciplinary field of data science. It focuses on the principles fundamental to becoming a good data scientist and the key skills needed to build systems for collecting, analyzing, and interpreting data. The Data Science Design Manual is a source of practical insights that highlights what really matters in analyzing data, and provides an intuitive understanding of how these core concepts can be used. The book does not emphasize any particular programming language or suite of data-analysis tools, focusing instead on high-level discussion of important design principles. This easy-to-read text ideally serves the needs of undergraduate and early graduate students embarking on an "Introduction to Data Science" course. It reveals how this discipline sits at the intersection of statistics, computer science, and machine learning, with a distinct heft and character of its own. Practitioners in these and related fields will find this book perfect for self-study as well. Additional learning tools: Contains "War Stories," offering perspectives on how data science applies in the real world Includes "Homework Problems," providing a wide range of exercises and projects for self-study Provides a complete set of lecture slides and online video lectures at www.data-manual.com Provides "Take-Home Lessons," emphasizing the big-picture concepts to learn from each chapter Recommends exciting "Kaggle Challenges" from the

online platform Kaggle Highlights "False Starts," revealing the subtle reasons why certain approaches fail Offers examples taken from the data science television show "The Quant Shop" (www.quant-shop.com)

The Brothers Karamazov Simon and Schuster
* POPSUGAR's "New Thrillers That Should Be on Your Radar This Year" * Women.com's "12 New September Books Worth Canceling Plans For" In New York Times bestselling author Nevada Barr's gripping standalone, a grandmother in her sixties emerges from a mental fog to find she's trapped in her worst nightmare Rose Dennis wakes up in a hospital gown, her brain in a fog, only to discover that she's been committed to an Alzheimer's Unit in a nursing home. With no memory of how she ended up in this position, Rose is sure that something is very wrong. When she overhears one of the administrators saying about her that she's "not making it through the week," Rose is convinced that if she's to survive, she has to get out of the nursing home. She avoids taking her medication, putting on a show for the aides, then stages her escape. The only problem is—how does she convince anyone that she's not actually demented? Her relatives were the ones to commit her, all the legal papers were drawn up, the authorities are on the side of the nursing home, and even she isn't sure she sounds completely sane. But any lingering doubt Rose herself might have had is erased when a would-be killer shows up in her house in the middle of the night. Now Rose knows that someone is determined to get rid of her. With the help of her computer hacker/recluse sister Marion, thirteen-year old granddaughter Mel, and Mel's friend Royal, Rose begins to gather her strength and fight back—to find out who is after her and take back control of her own life. But someone out there is still determined to kill Rose, and they're holding all the cards.

Low Town Bombay : Chetana
"Our job is to lovingly and consciously cooperate with the forces at work on this globe at this time. Astrology provides a way to link the individual with a conscious attunement to the planetary forces that are part of and affect the whole." More than fifteen years ago, Alan Oken pioneered the

development of New Age astrology with the publication of three books collected in this comprehensive edition. Now, newly updated, Alan Oken's Complete Astrology charts the cosmological pathway to greater personal fulfillment and spiritual attunement through a deeper, more intuitive understanding of our own power--and the age we live in. Featuring state-of-the-art astrological charts and diagrams, line drawings, charts of contemporary celebrities, an exhaustive bibliography and much more, this new edition of the classic trilogy is one of the most accessible and informative guides to the heavens ever written. For beginners and experts alike, Alan Oken's Complete Astrology is your key to understanding the laws of the new planetary age.

Born a Crime Ember

Leading a life of crime in a back-alley region of the Thirteen Lands's finest city, the Warden discovers a murdered child and is catapulted back to his former life as a secret police agent before embarking on a dangerous game of deception between his former supervisor and dangerous underworld bosses. A first novel. 40,000 first printing.

Born to Run Little Brown Bks Young Readers

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought

they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

The Land of Stories: The Wishing Spell

Independently Published

A compelling vision of a new reality, a reconciliation of science and the human spirit for a future that will work The dynamics underlying the major problems of our time—cancer, crime, pollution, nuclear power, inflation, the energy shortage—are all the same. We have reached a time of dramatic and potentially dangerous change, a turning point for the planet as a whole. We need a new vision of reality, one that allows the forces transforming our world to flow together as a positive movement for social change. Now distinguished scientist Fritjof Capra gives us that vision, a holistic paradigm of science and spirit. "This splendid and thoughtful book is an essential guide for anyone inquiring about the place of science and metascience in our contemporary culture. Those who enjoyed Fritjof Capra's *Tao of Physics* should not expect a sequel; this is a much more ambitious book that attempts and succeeds in presenting a whole worldview from the viewpoint of a committed and experienced physicist who also writes from within the North American culture... It is unusually detailed and thorough in its inclusion of the conventional and the alternative approaches to topics ranging from ecology through medicine and psychology to economics. It is at once scholarly and easy to read."—Jim Lovelock, *New Scientist*

The Data Science Design Manual Del Rey

#1 New York Times bestselling author J. D. Robb presents the fifth thrilling novel in her futuristic *In Death* series—where even in an age of cutting-edge technology, old beliefs die hard. Conducting a top secret investigation into the death of a fellow police officer has Lieutenant Eve Dallas treading on dangerous ground. She must put professional ethics before personal loyalties. But when a dead body is placed outside her home, Eve takes the warning personally. With her husband, Roarke, watching her every move,

Eve is drawn into the most dangerous case of her career. Every step she takes makes her question her own beliefs of right and wrong—and brings her closer to a confrontation with humanity's most seductive form of evil...

Tolerance Courier Corporation

Narnia meets traditional Indigenous stories of the sky and constellations in an epic middle grade fantasy series from award-winning author David Robertson. Morgan and Eli, two Indigenous children forced away from their families and communities, are brought together in a foster home in Winnipeg, Manitoba. They each feel disconnected, from their culture and each other, and struggle to fit in at school and at their new home -- until they find a secret place, walled off in an unfinished attic bedroom. A portal opens to another reality, Askí, bringing them onto frozen, barren grounds, where they meet Ochek (Fisher). The only hunter supporting his starving community, Misewa, Ochek welcomes the human children, teaching them traditional ways to survive. But as the need for food becomes desperate, they embark on a dangerous mission. Accompanied by Arik, a sassy Squirrel they catch stealing from the trapline, they try to save Misewa before the icy grip of winter freezes everything -- including them.

The World Book Encyclopedia SAGE

A New York Times bestseller 'A sensation ... a rollicking tale well told' - The Times At the heart of *Born to Run* lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons

to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

Mexican WhiteBoy Penguin

A suspense-driven New Adult romance novel from the USA TODAY bestselling author of Ten Tiny Breaths and Burying Water. Luke Boone doesn't know exactly what his uncle Rust is involved in but he wants in on it—the cars, the money, the women. And it looks like he's finally getting his wish. When Rust hands him the managerial keys to the garage, they come with a second set—one that opens up the door to tons of cash and opportunity. Though it's not exactly legal, Luke's never been one to worry about that sort of thing. Especially when it puts him behind the wheel of a Porsche 911 and onto the radar of gorgeous socialite named Rain. Clara Bertelli is at the top of her game—at only twenty-six years old, she's one of the most successful undercover officers in the Washington, DC, major crime unit, and she's just been handed a case that could catapult her career and expose one of the West coast's most notorious car theft rings. But, in order to do it, she'll need to go deep undercover as Rain Martines. Her target? The twenty-four-year-old nephew of a key player who appears ready to follow in his uncle's footsteps. As Clara drifts deeper into the luxurious lifestyle of Rain, and further into the arms of her very attractive and charming target, the lines between right and wrong start to blur, making her wonder if she'll be able to leave it all behind. Or if she'll even want to.
