From Amina Akhtar comes a viciously funny thriller about wellness--the smoothies, the secrets, and the deliciously deadly impulses. Lifelong New Yorker Ronnie Khan never thought she'd leave Queens. She's not an "aim high, dream big" person--until she meets socialite wellness guru Marley Dewhurst. Marley isn't just a visionary; she's a revelation. Seduced by the fever dream of finding her best self, Ronnie makes for the desert mountains of Sedona, Arizona. Healing yoga, transcendent hikes, epic juice cleanses...Ronnie consumes her new bougie existence like a fine wine. But is it, really? Or is this whole self-care business a little sour? When the glam gurus around town start turning up gruesomely murdered, Ronnie has her answer: all is not well in wellness town. As Marley's blind

ambition veers into madness, Ronnie fears for her life.

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded

with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

The 5AM Club SAGE

The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived “in the now.” In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and

uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.

Low Town AK Press

“The Ultimate guide to unarmed self defense covers a comprehensive combination of techniques, training methods, and strategies designed to provide practitioners with highly efficient and effective self defense skills. In addition to physical techniques, non-physical awareness and prevention are also covered in great detail. The progression of techniques and training methods are presented as they would be taught in private lessons, and hundreds of easy to follow photos with directional arrows and ghost imaging make learning easier than ever” -- page [4] of cover.

SUMMARY Of Disloyal: A Memoir Riverhead Books

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of Furiously Happy. “Gaspingly funny and wonderfully inappropriate.” —O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent Let’s Pretend This Never Happened, Lawson’s long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

The Art of Being Human Penguin UK

NATIONAL BESTSELLER • The astonishing and hugely entertaining story that completely changed the way we run. An epic adventure that began with one simple question: Why does my foot hurt? “ Equal parts quest, physiology treatise, and running history.... The climactic race reads like a sprint.... It simply makes you want to run. ”

—Outside Magazine Isolated by Mexico's deadly Copper Canyons, the blissful Tarahumara Indians have honed the ability to run hundreds of miles without rest or injury. In a riveting narrative, award-winning journalist and often-injured runner Christopher McDougall sets out to discover their secrets. In the process, he takes his readers from science labs at Harvard to the sun-baked valleys and freezing peaks across North America, where ever-growing numbers of ultra-runners are pushing their bodies to the limit, and, finally, to a climactic race in the Copper Canyons that pits America's best ultra-runners against the tribe. McDougall's incredible story will not only engage your mind but inspire your body when you realize that you, indeed all of us, were born to run. Look for *Born to Run 2*, coming in December!

Psychic self-defense: The Classic Instruction Manual for Protecting Yourself Against Paranormal Attack Lulu.com

Jack worked hard to obtain a normal life. He might not love it, but it's better than the criminal life he left behind—even if it cost literally everything, and he really does hate being a damned delivery man. On the bright side, his route includes a friendly old lady who makes the world's best cookies and regales him with tales of her hot, jet-setting son. Normalcy definitely has perks. Then he walks in on her and her son arguing with men at gunpoint.

Let's Pretend This Never Happened Penguin

“ An eerie, tense, and finely written novel...Readers will grip their chairs ” (SFGate.com) as they try to unravel this tale of psychological suspense from the award-winning New York Times bestselling author of *Turn of Mind*. Jane loses everything when her teenage daughter is killed in a senseless accident. Devastated, she manages

to make one tiny stab at a new life: she moves from San Francisco to the seaside town of Half Moon Bay. Jane is inconsolable, and yet, as the months go by, she is able to cobble together some version of a job, of friends, of the possibility of peace. And then, children begin to disappear. And soon, Jane sees her own pain reflected in all the parents in the town. She wonders if she will be able to live through the aching loss, the fear all around her. And as the disappearances continue, she begins to see that what her neighbors are wondering is if it is Jane herself who has unleashed the horror of loss. Alice LaPlante's “ well-crafted novel of psychological suspense ” is a chilling story about a mother haunted by her past, a “ brooding suspense novel...dark, starkly beautiful...LaPlante uses a seductively dangerous landscape to mirror her heroine's inner life ” (Kirkus Reviews). Work in the 21st Century Yoga Publications Trust

Allison Weiss has a great job, a handsome husband, an adorable daughter and a secret. Allison Weiss is a typical working mother, trying to balance a business, aging parents, a demanding daughter, and a marriage. But when the website she develops takes off, she finds herself challenged to the point of being completely overwhelmed. Her husband's becoming distant, her daughter's acting spoiled, her father is dealing with early Alzheimer's, and her mother's barely dealing at all. As she struggles to hold her home and work life together, and meet all of the needs of the people around her, Allison finds that the painkillers she was prescribed for a back injury help her deal with more than just physical discomfort. However, when Allison's use gets to the point that she can no longer control or hide it, she ends up in a world she never thought she'd experience outside of a movie

theater: rehab. Amid the teenage heroin addicts, the alcoholic grandmothers, the barely-trained "recovery coaches," and the counselors who seem to believe that one mode of recovery fits all, Allison struggles to get her life back on track, even as she's convincing herself that she's not as bad off as the women around her.

A New Earth Random House

Is there life after death or do we simply cease to exist? Renowned scholar Paul Edwards has compiled *Immortality*, a superb group of philosophical selections featuring the work of both classical and contemporary authors who address the topics of immortality, soul and body, transmigration, materialism, epiphenomenalism, physical research and parapsychology, reincarnation, disembodied existence, and much more. In addition to a 70-page editorial introduction offering an in-depth discussion of the forms which belief in immortality has taken, this volume includes selections from Thomas Aquinas, A.J. Ayer, Paul and Linda Badham, John Beloff, C.D. Broad, Joseph Butler, Rene Descartes, C.J. Ducasse, Paul Edwards, Hugh Elliot, Antony Flew, John Foster, Peter Geach, John Hick, John Hospers, David Hume, William James, Raynor Johnson, Immanuel Kant, John Locke, Lucretius, Donald MacKay, John Stuart Mill, Derek Parfit, Plato, H.H. Price, Joseph Priestley, Thomas Reid, Tertullian, Peter van Inwagen, and Voltaire. Also included is a detailed annotated bibliography.

Emergent Strategy Scribner

#1 NEW YORK TIMES BESTSELLER • More

than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten." —*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award

- Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist*

Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconditional, unconditional love.

Catch of the Day Anchor

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

The Brothers Karamazov Simon and Schuster
An engaging guide to excelling in today's venture capital arena Beginning in 2005, Brad Feld and Jason Mendelson, managing directors at Foundry Group, wrote a long series of blog posts describing all the parts of a typical venture capital Term Sheet: a document which outlines key financial and other terms of a proposed investment. Since this time, they've seen the series used as the basis for a number of college courses, and have been thanked by thousands of people who have used the information to gain a better understanding of the venture capital field. Drawn from the past work Feld and Mendelson have written about in their blog and augmented with newer material, Venture Capital Financings puts this discipline in perspective and lays out the strategies that allow entrepreneurs to excel in their start-up companies. Page by page, this book discusses all facets of the venture capital fundraising process. Along the way, Feld and Mendelson touch on everything from how valuations are set to what externalities venture capitalists face that factor into entrepreneurs' businesses. Includes a breakdown analysis of the mechanics of a Term Sheet and the tactics needed to negotiate Details the different stages of the venture capital process, from starting a venture and seeing it through to the later stages Explores the entire venture capital ecosystem including those who invest in venture capitalist Contain standard documents that are used in these transactions Written by two highly regarded experts in the world of venture capital The venture capital arena is a complex and competitive place, but with this book as your guide, you'll discover what it takes to make your way through it.

Something Borrowed Avery

Kellan Murphy is a successful car dealer in

Chicago, but he isn't happy with his life. He finds his job boring and wants a change. After the sudden death of his lover he decides to move someplace warm. He sees an ad for the Florida Keys in a magazine and packs everything and moves to the Keys. Kellan starts his new life as a fisherman and tour guide. He has his own home and boat, but the one thing missing is someone to share his life with. On a rare day off he decides to go fishing and what he finds at the end of his fishing line changes his life forever.

Spin Graphic Arts Books

“ How does it feel to be a problem? ” asked W. E. B. Du Bois of black Americans in his classic *The Souls of Black Folk*. A hundred years later, Vijay Prashad asks South Asians “ How does it feel to be a solution? ” In this kaleidoscopic critique, Prashad looks into the complexities faced by the members of a “ model minority ” -one, he claims, that is consistently deployed as “a weapon in the war against black America.” On a vast canvas, *The Karma of Brown Folk* attacks the two pillars of the “ model minority ” image, that South Asians are both inherently successful and pliant, and analyzes the ways in which U.S. immigration policy and American Orientalism have perpetuated these stereotypes. Prashad uses irony, humor, razor-sharp criticism, personal reflections, and historical research to challenge the arguments made by Dinesh D ’ Souza, who heralds South Asian success in the U.S., and to question the quiet accommodation to racism made by many South Asians. A look at Deepak Chopra and others whom Prashad terms “ Godmen ” shows us how some South Asians exploit the stereotype of inherent spirituality, much to the chagrin of other South Asians. Following the long engagement of American culture with South Asia, Prashad traces India ’ s effect on thinkers like Cotton Mather and Henry

David Thoreau, Ravi Shankar ' s influence on John Coltrane, and such essential issues as race versus caste and the connection between antiracism activism and anticolonial resistance. The Karma of Brown Folk locates the birth of the “ model minority ” myth, placing it firmly in the context of reaction to the struggle for Black Liberation. Prashad reclaims the long history of black and South Asian solidarity, discussing joint struggles in the U.S., the Caribbean, South Africa, and elsewhere, and exposes how these powerful moments of alliance faded from historical memory and were replaced by Indian support for antiblack racism. Ultimately, Prashad writes not just about South Asians in America but about America itself, in the tradition of Tocqueville, Du Bois, Richard Wright, and others. He explores the place of collective struggle and multiracial alliances in the transformation of self and community-in short, how Americans define themselves.

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.

In the last few decades, yoga has helped millions of people to improve their concepts of themselves. Yoga realises that man is not only the mind, he is

body as well. Yoga has been designed in a such a way that it can complete the process of evolution of the personality in every possible direction.

Kundalini yoga is a part of the tantric tradition.

Even though you may have already been introduced to yoga, it is necessary to know something about tantra also. Since the dawn of creation, the tantrics and yogis have realised that in this physical body there is a potential force. It is not psychological or transcendental; it is a dynamic potential force in the material body, and it is called Kundalini. This Kundalini is the greatest discovery of tantra and yoga. Scientists have begun to look into this, and a summary of the latest scientific experiments is included in this book.
