"More than any other Vietnam book in recent years, *The Girl in the Picture* confronts us with the ceaseless, ever-compounding casualties of modern warfare." —The San Francisco Chronicle On June 8, 1972, nine-year-old Kim Phuc, severely burned by napalm, ran from her blazing village in South Vietnam and into the eye of history. Her photograph—one of the most unforgettable images of the twentieth century—was seen around the world and helped turn public opinion against the Vietnam War. This book is the story of how that photograph came to be—and the story of what happened to that girl after the camera shutter closed. Award-winning biographer Denise Chong's portrait of Kim Phuc—who eventually defected to Canada and is now a UNESCO spokesperson—is a rare

look at the Vietnam War from the Vietnamese point-of-view and one of the only books to describe everyday life in the wake of this war and to probe its lingering effects on all its participants.

"A modern classic of courage and excitement." —The New Yorker • The source for the iconic prison-escape film starring Steve McQueen Henri Charrière, nicknamed "Papillon," for the butterfly tattoo on his chest, was convicted in Paris in 1931 of a murder he did not commit. Sentenced to life

---

imprisonment in the penal colony of French Guiana, he became obsessed with one goal: escape. After planning and executing a series of treacherous yet failed attempts over many years, he was eventually sent to the notorious prison, Devil's Island, a place from which no one had ever escaped . . . until Papillon. His flight to freedom remains one of the most incredible feats of human cunning, will, and endurance ever undertaken. Charrière's astonishing autobiography, *Papillon*, was first published in France to instant acclaim in 1968, more than twenty years after his final escape. Since then, it has become a treasured classic--the gripping, shocking, ultimately uplifting odyssey of

an innocent man who would not be defeated. "A first-class adventure story." — New York Review of Books  
Papillon NYU Press

The next adventure of the Darcy family from the author of *Mr. Darcy's Daughters* -- the story of a reluctant heiress who has been left a widow by Darcy's cousin Christopher. It is a truth universally acknowledged that a single woman in possession of a good fortune must be in want of a husband. So say the friends and family of impoverished widow Octavia Darcy when she unexpectedly inherits a fortune, but she has a different view and looks forward to a new life of

---

independence. Escaping from the efforts of her half brothers and sisters to marry her off, Octavia goes to Yorkshire to find out more about the family she never knew, and while she is there she meets and crosses swords with landowner and politician Sholto Rutherford. When she returns to London to share a house with the dashing Lady Susan, Octavia, now secure in her new life, becomes caught up in the romantic problems of her niece. Then, the shadow of George Warren, the old nemesis of the Darcy family, falls over her, and she is threatened with the loss of both inheritance and reputation.

In 1978 Warren Fellows, Paul Hayward and William Sinclair were convicted of heroin trafficking between Thailand and Australia. They were sentenced to life imprisonment in Bangkok's notorious Bang Kwang men's prison, the Bangkok Hilton. For Warren Fellows, it was the beginning of twelve years of hell. The Damage Done takes you behind the bars of a Bangkok prison. A place where sewer rats and cockroaches are the only nutritious food, where autocratic prison guards giggle as they deliver pulverising blows and where the worst punishment by far is the khun deo - solitary confinement, Thai style. Brutally honest and repentant of his initial crime, Warren talks about the decade of his life he lost in leg irons. The Damage Done is a brave and compelling

An update of a popular work that takes on the myths of the Spanish Conquest of the Americas, featuring a new afterword. Seven Myths of the Spanish Conquest reveals how the Spanish invasions in the Americas have been conceived and presented, misrepresented and misunderstood, in the five centuries since Columbus first crossed the Atlantic. This book is a unique and provocative synthesis of ideas and themes that were for generations debated or perpetuated without question in academic and popular circles. The 2003 edition became the foundation stone of a scholarly turn since called The New Conquest History. Each of the book's seven chapters describes one myth, or one aspect of the Conquest that has been distorted or misrepresented, examines its roots, and explodes its fallacies and misconceptions. Using a wide array of primary and secondary sources, written in a scholarly but readable style, Seven Myths of the

---

Spanish Conquest explains why Columbus did not set out to prove the world was round, the conquistadors were not soldiers, the native Americans did not take them for gods, Cortés did not have a unique vision of conquest procedure, and handfuls of vastly outnumbered Spaniards did not bring down great empires with stunning rapidity. Conquest realities were more complex--and far more fascinating--than conventional histories have related, and they featured a more diverse cast of protagonists-Spanish, Native American, and African. This updated edition of a key event in the history of the Americas critically examines the book's arguments, how they have held up, and why they prompted the rise of a New Conquest History.

Astragal Penguin

The bestselling author of *Yellow Crocus* returns with a haunting and tender story of three women returning to the plantation they once called home. Oberlin, Ohio, 1868. Lisbeth Johnson was born into privilege in the antebellum South. Jordan Freedman was born

a slave to Mattie, Lisbeth's beloved nurse. The women have an unlikely bond deeper than friendship. Three years after the Civil War, Lisbeth and Mattie are tending their homes and families while Jordan, an aspiring suffragette, teaches at an integrated school. When Lisbeth discovers that her father is dying, she's summoned back to the Virginia plantation where she grew up. There she must face the Confederate family she betrayed by marrying an abolitionist. Jordan and Mattie return to Fair Oaks, too, to save the family they left behind, who still toil in oppression. For Lisbeth, it's a time for reconciliation. For Jordan and Mattie, it's time for liberation. As the Johnsons and Freedmans confront the injustice that binds them, as well as the bitterness and violence that seethes at its heart, the women must find the courage to free their families--and themselves--from the past.

Casino Royale W. W. Norton & Company  
This book focuses on the perception of the names, personae, performances and films of

---

three Hollywood megastars, Gregory Peck, Robert Mitchum and William Holden, as presented in the references and allusions encountered in American and foreign literature. Its secondary aim is to establish the 'impact factor' of the three actors and their major films and provide extensive data for further studies on the complex and bilateral relationships between film and literature. The pertinent quotations in 'Three Hollywood Stalwarts in Literature: A Study in Film Perception Through References to Peck, Mitchum and Holden' have been extracted from nearly 220 works by about 140 authors. The majority of the works were written by acclaimed authors; amongst them are some well-known American mainstream writers such as John Updike, John Irving, Fannie Flagg and Anne Tyler; some leaders of the mystery genre include Martha Grimes, Stuart Kaminsky, Elmore Leonard, Sara Paretsky; and a few masters of other popular genres, such as Stephen King and Dean Koontz. The global flavor of the citations is provided by international authors (e.g., Julio Cortázar, Elizabeth Hay, Henri Charrière, Sebastien Japrisot) and authors born to first-generation U.S. immigrants (e.g., Oscar Hijuelos). Almost seventy films referenced in world literature are discussed in the book, and those mentioned in the biggest number of works include 'Sunset Boulevard', 'The Wild Bunch', 'To Kill a Mockingbird', 'Roman Holiday', 'Spellbound', 'The Guns of Navarone', and 'Duel in the Sun', among others. This book will

---

appeal to college professors and students interested in film studies, specifically film analysis and criticism, film perception, and film genres. It will also hold interest for the general reader interested in biographies of movie personalities and the careers of the three actors, movie and stage actors, and fans of the western, film noir, and war genres.

Banco New Directions Publishing

Tower of Basel is the first investigative history of the world's most secretive global financial institution. Based on extensive archival research in Switzerland, Britain, and the United States, and in-depth interviews with key decision-makers—including Paul Volcker, the former chairman of the US Federal Reserve; Sir Mervyn King, governor of the Bank of England; and former senior Bank for International Settlements managers and officials—Tower of Basel tells the inside story of the Bank for International Settlements (BIS): the central bankers' own bank.

Created by the governors of the Bank of England and the Reichsbank in 1930, and protected by an international treaty, the BIS and its assets are legally beyond the reach of any government or jurisdiction. The bank is untouchable. Swiss authorities have no jurisdiction over the bank or its premises. The BIS has just 140 customers but made tax-free profits of 1.17 billion in 2011 – 2012. Since its creation, the bank has been at the heart of global events but has often gone unnoticed. Under Thomas McKittrick, the bank's American president from 1940 – 1946, the BIS was open for business throughout the Second World War. The BIS accepted looted Nazi gold, conducted foreign exchange deals for the Reichsbank, and was used by both the Allies and the Axis powers as a secret contact point to keep the channels of international finance open. After 1945 the BIS—still behind the scenes—for decades provided the necessary technical and administrative support for the trans-European currency project, from the first attempts to harmonize exchange rates in the late 1940s to the launch of the

---

Euro in 2002. It now stands at the center of efforts to build a new global financial and regulatory architecture, once again proving that it has the power to shape the financial rules of our world. Yet despite its pivotal role in the financial and political history of the last century and during the economic current crisis, the BIS has remained largely unknown—until now. The Book of Secrets Copyright Office, Library of Congress

This new edition brings to life Tobias Smollett's fourth novel, *The Life and Adventures of Sir Launcelot Greaves*. No annotated edition of the work existed before the second half of the twentieth century, and this comprehensive edition by Robert Folkenflik and Barbara Laning Fitzpatrick features more accurate text as well as scrupulous textual and critical information. Also included in the detailed introduction is a unique examination of *Sir Launcelot Greaves*, the first illustrated serial novel, in relation to the engravings by Anthony Walker. *Sir Launcelot Greaves* was a groundbreaking novel for Smollett.

Published in *British Magazine* beginning in January 1760, it was the first major work by an English novelist to have been written specifically for serial publication. The novel, Smollett's shortest, differs stylistically from his previous works. The most attractive of his heroes, *Sir Launcelot* is virtuous and strange, and he is surrounded by a Smollettian menagerie whose various jargons are part of this novel's linguistic virtuosity and satire. *Sir Launcelot's* character is an English naturalization of *Quixote*. Although *Sir Launcelot*, unlike *Quixote*, is not the object of the author's satire, an idealistic madness is central to both characters. In Smollett's work the theme of madness is integral to the relationship between self and society as the work ponders both the constitution of madness and the alternatives to revenge. *Sir Launcelot Greaves*, though not Smollett's most heralded work, has not received the recognition it deserves. Folkenflik and Fitzpatrick present a definitive edition that will be appreciated by scholars and lovers of eighteenth-century literature. Papillon Pb Greenwood Publishing Group

---

A delightful sequel to Dickens' beloved *A Christmas Carol* by the bestselling author of *First Impressions* and *The Bookman's Tale*. On a hot summer day some twenty years after he was famously converted to kindness, Ebenezer Scrooge still roams the streets of London, spreading Christmas cheer, much to the annoyance of his creditors, nephew, and his employee Bob Cratchit. However, when Scrooge decides to help his old friend and former partner Jacob Marley, as well as other inhabitants of the city, he will need the assistance of the very people he's annoyed. He'll also have to call on the three ghosts that visited him two decades earlier. By the time they're done, they've convinced everyone to celebrate Christmas all year long by opening their wallets, arms, and hearts to those around them. Written in uncannily Dickensian prose, Charlie Lovett's *The Further Adventures of Ebenezer Scrooge* is both a loving and winking tribute to the Victorian classic, perfect for readers of *A Christmas Carol* and other timeless holiday tales.

Let's Pretend This Never Happened Harper Collins

Drawing lessons from writers of all ages and writing across genres, a distinguished teacher and writer reveals the enduring importance of writing for our time. In this new contribution to Yale University Press's *Why X Matters* series, a distinguished writer and scholar tackles central questions of the discipline of writing. Drawing on his own experience with such mentors as John Updike, John Gardner, and James Baldwin, and in turn having taught such rising stars as Jesmyn Ward, Delbanco looks in particular at questions of influence and the contradictory, simultaneous impulses toward imitation and originality. Part memoir, part literary history, and part analysis, this unique text will resonate with

---

students, writers, writing teachers, and bibliophiles.

Open Veins of Latin America Pickle Partners Publishing

This fascinating chronicle of the world's great financial families offers candid profiles of the personalities behind seven legendary banking houses: Hambros, which now survives in name only; Barings, the oldest British banking dynasty; the Rothschilds, who amassed the largest private fortune in modern history; the Warburgs, a German dynasty of Venetian origin dating from the sixteenth century; the venerable Hermann Josef Abs, long-time chairman of Deutsche Bank; Lehman Brothers, formerly the oldest continuing partnership in American investing; and the eccentric and culturally savant financier Raffaele Mattioli, who headed Banca Commerciale Italiana. Focusing on figures of late-nineteenth-century London, this chronicle marks the distinctions between the cloistered Old World aristocracy and the rise of the high-stakes investors of Wall Street.

Written by a longtime correspondent for the New Yorker, this fascinating account of daring financial adventures and their merchant banker orchestrators provides a wealth of context for understanding the evolution of modern investment banking. A new Foreword has been written specially for this edition by Christopher Kobrak, Wilson/Currie Chair of Canadian Business and Financial History at the Rotman School of Management, University of Toronto. Dover (2014) republication of the edition originally published by Little, Brown and Company, Boston, 1966. Near Sawrey, the seat of Miss Beatrix Potter's country home, has been abuzz ever since Mr. Wickstead met his death under a tree limb. Many believe it had to do with a treasure he had dug up. And only Pickles, his dog, knows what happened.

---

Meanwhile, Miss Potter faces dilemmas in her love life and with her parents. But she has no time to muse, what with helping humans and animals alike?and this little matter of murder.

The World of Patrick O'Brian Simon and Schuster JAMES BOND declares war on Le Chiffre, French Communist and paymaster of the Soviet murder organization SMERSH. The battle begins for the ace secret agent in a fifty-million-franc game of baccarat...gains momentum in his fiery love affair with a sensuous lady spy...and reaches a chilling climax with fiendish torture at the hands of a master sadist. The critics give a winning hand to Ian Fleming ' s superlative thriller of espionage, adventure, intrigue and murder—CASINO ROYALE “ Hums with tension...Author Fleming keeps his incidents and characters spinning through their paces like juggling balls. ” —Time “ A speed-breaker for thrills with a big dramatic scene set in a crowded casino. ” Atlanta Journal Constitution “ Excitement enough to intrigue the most hardened

reader. ” —Newark News “ Mounting suspense on every page. ” —Houston Chronicle “ It ' s superlative, everything such a story should be...One can only beg for more from Mr.

Fleming. ” —Pensacola News-Journal  
Blessed Are the Bank Robbers Greenwood Books Ltd

Four volumes of history and biography for fans of the Aubrey-Maturin novels, with lore on the Royal Navy and much more. What is a sandgrouse, and where does it live? What are the medical properties of *lignum vitae*, and how did Stephen Maturin use it to repair his viola? Who is Adm. Lord Keith, and why is his wife so friendly with Capt. Jack Aubrey? More than any other contemporary author, Patrick O ' Brian knew the past. His twenty Aubrey – Maturin novels, beginning with *Master and Commander* (1969), are distinguished by deep characterization, heart-stopping naval combat, and an attention to detail that enriches and enlivens his stories. In the revised edition of *A Sea of Words*,

---

Dean King and his collaborators dive into Jack Aubrey's world. In the revised edition of *Harbors and High Seas*, King details not just where Aubrey and Maturin went, but how they got there. Packed with maps and illustrations from the greatest age of sail, it is an incomparable reference for devotees of O'Brian's novels and anyone who has dreamed of climbing aboard a warship, as well as a captivating portrait of life on the sea during a time when nothing stood between man and ocean but grit, daring, and a few creaking planks of wood. At the dawn of the nineteenth century, the British navy was the mightiest instrument of war the world had ever known. The Royal Navy patrolled the seas from India to the Caribbean, connecting an empire with footholds in every corner of the earth. Such a massive navy required the service of more than 100,000 men—from officers to deckhands to surgeons. Their stories are collected in *Every Man Will Do His Duty*. The inspiration for the bestselling novels of Patrick O'Brian and C. S. Forester, these twenty-two memoirs and diaries, edited by Dean King, provide a true portrait of life aboard British warships during one of the most significant eras of world history. Patrick O'Brian was well into his seventies when the world fell in love with his greatest creation: the maritime adventures of Royal Navy Capt. Jack Aubrey and ship's surgeon Stephen Maturin. But despite his fame, little detail was available about the life of the reclusive author, whose mysterious past King uncovers in this groundbreaking biography. King traces O'Brian's personal history from his beginnings as a London-born Protestant named Richard Patrick Russ to his tortured relationship with his first wife and child to his emergence from World War II with the entirely new identity under which he would publish twenty volumes in the Aubrey – Maturin series. What King unearths is a life no less thrilling than the seafaring world of O'Brian's imagination. *Patrick O'Brian: A Life Revealed* is a penetrating and insightful examination of one of the modern world's most acclaimed

---

historical novelists.
