Band of Brothers Simon and Schuster
With firsthand accounts of WWII heroism from the US Army Pathfinders, New York Times bestselling author Jerome Priesler chronicles their escapades scouting behind enemy lines ahead of the Band of Brothers. “ When you land in Normandy, you will have only one friend: God. ” —General “ Jumpin ’ ” Jim Gavin to the Pathfinders of the 82nd and 101st Airborne divisions before D-Day, June 1944 When the invasion of Sicily almost ended in disaster, General Jim Gavin was determined to form a unit of special operations commandos who would jump ahead of the airborne forces—including the now legendary Easy Company—stealing across enemy terrain to scout and mark out drop zones with a unique array of homing equipment. The first

into combat and the last out, their advance jumps were considered suicide missions by those who sent them into action. Sporting Mohawk haircuts and war paint, they were the best of the best. Their heroic feats behind enemy lines were critical to nearly all of the Allies ’ major victories from Normandy to Bastogne—where they saved the day for thousands of American troops in an operation almost forgotten by history—to the attack on the Ruhr Valley in Germany. This is the story of the U.S. Army Pathfinders—their training, bonding, and battlefield exploits—told from the perspectives of the men who jumped, and those who risked everything to fly them into action.

The War Memoirs of Major Dick Winters Random House
Three Complete Novels, One for the Money, Two for the Dough, and Three to Get Deadly, from the New York Times#1 Bestselling Author, Janet Evanovich! Here's where it all began -- the three novels that first brought us Stephanie Plum, that bounty hunter with attitude who stepped out of Trenton's blue-collar "burg" and into the heart of America. One for the Money: Stephanie's all grown up and out on her own, living five miles from Mom and Dad and doing her best to sever the world's longest umbilical cord. Her mother is a meddler and her grandmother is a few cans short of a case. Out of work and out of money, Stephanie blackmails her bail-bondsman cousin Vinnie into giving her a try as an apprehension agent. Stephanie knows zilch about the job requirements, but she figures her new pal, el-primo bounty hunter Ranger, can teach her what it takes to catch a crook. Her first assignment: nail Joe Morelli, a former vice cop on the run from a charge of murder one. Morelli's the inamorato who charmed Stephanie out of her virginity at age sixteen. There's still powerful chemistry between them, so the chase is interesting. Two for the Dough: Stephanie takes to the mean streets of Trenton, armed with attitude (not to mention stun guns and defense sprays), to find Kenny Mancuso, who recently shot his best friend and is on the run. Aided by the enigmatic Ranger, who knows a thing or two about bounty hunting, and by her irrepressible Grandma Mazur, Stephanie forms a shaky alliance with her favorite cop, Joe Morelli, for a tumultuous chase through back alleys and Grandma's favorite funeral parlors. Three to Get Deadly: Stephanie is having a bad hair day -- for the whole month of January. She's looking for Mo Bedemier, Trenton's most beloved citizen, who was charged with carrying concealed and skipped bail. To help her, she's got Lula, a former hooker turned file clerk. Big, blonde, and black, Lula's itching to lock up a crook in the trunk of her car. And Morelli, the cop with the slow-burning smile, is acting polite even after Stephanie finds more bodies than the Trenton PD has seen in years. That's a bad sign for sure. Funny and fabulous, Janet Evanovich is at her sparkling best in these three novels that launched a bestselling phenomenon.

Paratrooper David Kenyon Webster jumped into the chaos of occupied Europe on D-Day, fighting his way through Holland and finally capturing Hitler ’ s Eagle ’ s Nest. He was the only member of Easy Company to write down his experiences as soon as he came home from war. Webster records with visceral and sometimes brutal detail what it is like to take a bullet in the leg, to fight pitched battles capturing enemy towns, and to endure long periods of boredom punctuated by sudden moments of terror. But most of all, Parachute Infantry shows how a group of comrades entered the furnace of war and came out brothers.

This riveting book follows a small group of Australian front-line soldiers from their enlistment in the dark days of 1940 to the end of World War II. No ordinary soldiers, they were members of Don Company of the Second 43rd Battalion, part of the famous 9th Australian Division, which - during campaigns in Tobruk, El Alamein, New Guinea, and Borneo - sustained more casualties and won more medals than any other Australian division. It is an evocative and detailed account of the day-to-day war of three infantry soldiers whose experiences included night patrols at Tobruk, advancing steadily through German barrages at Alamein, charging enemy machine guns in New Guinea, and repelling Japanese charges on Borneo. Inspired by American historian Stephen Ambrose's landmark book, Band of Brothers, about the US Army's Easy Company of the 506th Regiment, Mark Johnston, one of our best military historians, here gives an Australian company the same treatment. Using the frank and detailed personal letters, diaries, and memoirs of three Australian soldiers, he brings to life their campaigns, battles, and interactions with their comrades and enemies. His book is a unique and powerful account of the everyday experiences of a small unit of Australian soldiers on the front line.
