For Jeff O'Brien, life has finally fallen into place. He's now a bestselling author, living in Provincetown full-time with Lloyd Griffith, his longtime lover and soon-to-be legal husband. Forty has nothing on Jeff and Lloyd--they're the still-sexy poster boys for settled, contented domesticity. Meanwhile their best friend Henry Weiner, escort-turned-erotic energy worker, wonders if he'll ever find what Jeff and Lloyd have with each other. Thirtysomething, no longer the muscle boy of his twenties, Henry's searching for that one special someone--though he's just about ready to give up when a meeting at Tea Dance changes everything. Enter Luke West. Dangerously young, boyishly handsome, with a seductive charm and a rich fantasy life, Luke tells everyone he's come to P-Town to find himself both personally and as a writer. But his real agenda may possibly be very different--and far less innocent. Once he's worked his way into Jeff, Lloyd, and Henry's lives, Luke find his presence arousing intense feelings in all three men. Now Jeff, Lloyd, and Henry will face their futures alone and together, closing the door on some chapters of their lives while opening others to new love and hope. With *Men Who Love Men*, William J. Mann tackles the big questions of contemporary gay life, delivering a beautiful, thoughtful book about love, sex, commitment, friendship, and fantasy, about the lives we engineer and the joyful surprises that happen when we least expect them. "Powerful. . .Mann's most mature and ambitious fiction to date. . .a strong, sexy novel that will stand out." --The Lambda Book Report

Nobody knows Bangkok like Royal Thai Police Detective Sonchai Jitpleecheep, and there is no one quite like Sonchai: a police officer who has kept his Buddhist soul intact—more or less—despite the fact that his job shoves him face-to-face with some of the most vile and outrageous crimes and criminals in Bangkok. But for his newest assignment, everything he knows about his city—and himself—will be a mere starting point. He's put in charge of the highest-profile criminal case in Thailand—an attempt to bring an end to trafficking in human organs. He sets in motion a massive sting operation and stays at its center, traveling to Phuket, Hong Kong, Dubai, Shanghai, and Monte Carlo. He draws in a host of unwitting players that includes an aging rock star wearing out his second liver and the mysterious, diabolical, albeit gorgeous co-queenpins of the international body-parts trade: the Chinese twins known as the Vultures. And yet, it's closer to home that Sonchai will discover things getting really dicey: rumors will reach him suggesting that his ex-prostitute wife, Chanya, is having an affair. Will Sonchai be enlightened enough—forget Buddha, think jealous husband—to cope with his very own compromised and compromising world? All will be revealed here, in John Burdett's most mordantly funny, propulsive, fiendishly entertaining novel yet.

When crime reporter Jimm Juree is forced to quit the city for a fishing village on the Gulf of Siam, she expects much in her life to change. Quiet will replace quick, and, surely, crime will give way to calm. There goes the career, then. Not a chance. No sooner has she settled than a surprise discovery springs from a local well. Two skeletons: both wearing the signs of thirty years of decay, with one also wearing a hat. And, if this wasn't uncommon enough, a monk is soon killed in a neighbouring town. Who are the skeletons? Who murdered the monk? Is there a connection? Step forward Jimm Juree...

[Manticore's Secret](#) : Gameworld Trilogy 2 Penguin

Sonchai Jitpleecheep, the devout Buddhist Royal Thai Police detective who led us through the best sellers *Bangkok 8* and *Bangkok Tattoo*, returns in this blistering novel. Sonchai has seen virtually everything on his beat in Bangkok's District 8, but nothing like the snuff film he's just been sent anonymously. Furiously fast-paced and laced through with an erotic ghost story that gives a new dark twist to the life of our hero, *Bangkok Haunts* more than lives up to the smart and darkly funny originality of its predecessors.

[Bangkok Haunts](#) Lund Humphries Publishers

A noir short story from John Burdett, international best-selling author of *The Bangkok Asset*, the most recent novel in the critically-acclaimed Bangkok mystery series. Sheriff Jack Gatt is the least eligible (read: least desirable) bachelor in Etowah County, Alabama, especially to Medical Examiner Bethany Lee Brown, who has done all she can to avoid his slobbering desire for her. That is, until he makes her a proposal...or two...she really can't refuse. What is it that has Bethany shift in an instant from repulsion for the unshaven, lout Gatt to irresistible lust for him and...a darkly odd partnership that neither of them could resist if their very lives and careers depended on it?

[The Windup Girl](#) Bantam Press

Llewellyn's tale of a young man's coming-of-age in a small Welsh mining town--the basis for the beloved film of the same name--is "a beautiful story told in words which have Welsh music in them . . . a book which will live in the mind and memory of its readers" ("Atlantic Monthly").

[The Skull Mantra](#) Mutual Publishing Company

"Recreates the experience of living in Thailand's aqueous climate so viscerally that you can feel the water rising around your ankles." —Ron Charles, *Washington Post*
"Important, ambitious, and accomplished." —Mohsin Hamid, *New York Times* bestselling author of *Exit West* A missionary doctor pines for his native New England even

as he succumbs to the vibrant chaos of nineteenth-century Siam. A post-World War II society woman marries, mothers, and holds court, little suspecting her solitary fate. A jazz pianist in the age of rock, haunted by his own ghosts, is summoned to appease the house's resident spirits. In the present, a young woman tries to outpace the long shadow of her political past. And in a New Krungthep yet to come, savvy teenagers row tourists past landmarks of the drowned old city they themselves do not remember. Time collapses as these lives collide and converge, linked by the forces voraciously making and remaking the amphibious, ever-morphing capital itself. *Bangkok Wakes to Rain* is an elegy for what time erases and a love song to all that persists, yearning, into the unknowable future.

[The Quiet American](#) Vintage Crime/Black Lizard

Bizarre Thailand takes readers off the well-rutted road of tourist hotspots into the darkest and sexiest hinterlands. Welcome to a twilight zone where travellers become soldiers and cowboys, a black magician courts politicians and film stars, sacred tortoises mate on the streets of a small town, and Fertility Goddesses are wooed with massive phalluses. In this strange land, nothing is what it seems: a prison becomes a tourist attraction, a 20-storey robot is a building, a man becomes a beauty queen, a Buddhist temple turns into hell on earth, a loving wife is immortalized as the most famous and ferocious of all phantoms, and a serial killer's corpse is reincarnated as a museum exhibit. Bizarre Thailand takes an irreverent look at how the profound, profane and frankly quite odd intertwine with the rhythms and flows of everyday Thai life, paying homage to the quintessential culture of one of Southeast Asia's most captivating destinations.

[How Green was My Valley](#) Vintage Crime/Black Lizard

Thai police detective Sonchai Jitpleecheep is summoned to investigate the most shocking murder of his career. Solving it could mean a promotion, but Sonchai, still reeling from a personal tragedy, is more interested in Tietsin, an exiled Tibetan lama living in Kathmandu. There are however obstacles in Sonchai's path to enlightenment. Police Colonel Vikorn and Army General Zinna are at war again for control over Bangkok's network of illegal enterprises. And although Tietsin is eerily charismatic, he also has 40 million dollars of heroin for sale. If Sonchai wants to be one of Tietsin's true initiates, he has to pull off a deal that will bring Vikorn and Zinna to the same side of the table. With his life in increasing danger, and his soul in thrall to a woman with sorceress-like powers, Sonchai is put to the extreme test in John Burdett's most inventive, darkly comic and wickedly entertaining novel yet.

[Bangkok Wakes to Rain](#) Vintage

Business startup advice from the former president of the Ewing Marion Kaufmann Foundation and cofounder of Global Entrepreneurship Week and StartUp America, this "thoughtful study of 'how businesses really start, grow, and prosper' ...dispels quite a few business myths along the way" (Publishers Weekly). Carl Schramm, the man described by *The Economist* as "The Evangelist of Entrepreneurship," has written a myth-busting guide packed with tools and techniques to help you get your big idea off the ground. Schramm believes that entrepreneurship has been misrepresented by the media, business books, university programs, and MBA courses. For example, despite the emphasis on the business plan in most business schools, some of the most successful companies in history—Apple, Microsoft, Google, Facebook, and hundreds of others—achieved success before they ever had a business plan. *Burn the Business Plan* punctures the myth of the cool, tech-savvy twenty-something entrepreneur with nothing to lose and venture capital to burn. In fact most people who start businesses are juggling careers and mortgages just like you. The average entrepreneur is actually thirty-nine years old, and the success rate of entrepreneurs over forty is five times higher than that of those under age thirty. Entrepreneurs who come out of the corporate world often have discovered a need for a product or service and have valuable contacts to help them get started. Filled with stories of successful entrepreneurs who drew on real-life experience rather than academic coursework, *Burn the Business Plan* is the guide to starting and running a business that will actually work for the rest of us.

Buying a new vehicle is a big decision, but frustrated sales associate Shamus Ryan makes it a matter of life and death, unleashing a rash of killings that wraps the Wilmington, Delaware region in fear. The cases fall to Chinese-American homicide detective Paul Chang, who calls in his neurotic ex-partner Nelson Rogers to pursue the killer with logic and tenacity.

[The Godfather of Kathmandu](#) Vintage Crime/Black Lizard

This blistering novel—from the bestselling, Pulitzer Prize – winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law – in the person of aging, disillusioned Sheriff Bell – can contain. As Moss tries to evade his pursuers – in particular a mysterious mastermind who flips coins for human lives – McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph.

[Death Effect](#) Harper Collins

A stuntwoman hunts down a killer at a Buddhist retreat in this "engaging" mystery by the Anthony Award – winning author of the Jill Smith series (Booklist). Darcy Lott can stare down any risky physical feat—until a stunt gone awry leaves the daredevil vulnerable to her phobias. With a crisis in confidence, Darcy calls upon her Buddhist beliefs, and heads to a monastery in the California redwoods for a soothing two – week getaway. What she finds is anything but soul – centering. Not long after she arrives, an attempt is made on the roshi's life, and Darcy herself is threatened. It seems the remote haven is brimming with secrets, and still shadowed by a mystery someone wants to keep buried—that of a Zen student who disappeared six years before. As harsh weather prevents anyone from leaving, Darcy finds herself in an increasingly dangerous trap. Someone is meditating about murder. Now, to find a killer among the followers she must face her own fears if she wants to make it out of this sanctuary alive.

[Hitler's Peace](#) St. Martin's Griffin

The New York Times bestselling author of the Bernie Gunther novels reimagines the end of World War 2 in this gripping standalone spy thriller. Autumn 1943. Since Stalingrad, Hitler has known that Germany cannot win the war. The upcoming Allied conference in Teheran will set the

ground rules for their second front-and for the peace to come. Realizing that the unconditional surrender FDR has demanded will leave Germany in ruins, Hitler has put out peace feelers. (Unbeknownst to him, so has Himmler, who is ready to stage a coup in order to reach an accord.) FDR and Stalin are willing to negotiate. Only Churchill refuses to listen. At the center of this high-stakes game of deals and doubledealing is Willard Mayer, an OSS operative who has been chosen by FDR to serve as his envoy. A cool, self-absorbed, emotionally distant womanizer with a questionable past, Mayer has embraced the stylish philosophy of the day, in which no values are fixed. He is the perfect foil for the steamy world of deception, betrayals, and assassinations that make up the moral universe of realpolitik. With his sure hand for pacing, his firm grasp of historical detail, and his explosively creative imagination about what might have been, Philip Kerr has fashioned a totally convincing thinking man ' s thriller in the great tradition of Eric Ambler and Graham Greene.

Men Who Love Men Ai Press

Winner of the 2001 Edgar Award for Best First Novel, *The Skull Mantra* was a sensation when first published and received wide acclaim from critics and readers alike. The *Skull Mantra* is ranked as a novel about a people and a place--the Tibetans of the high Himalayas--as it is a gripping thriller. The corpse is missing its head and is dressed in American clothes. Found by a Tibetan prison work gang on a windy cliff, the grisly remains clearly belong to someone too important for Chinese authorities to bury and forget. So the case is handed to veteran police inspector Shan Tao Yun. Methodical, clever Shan is the best man for the job, but he too is a prisoner, deported to Tibet for offending someone high up in Beijing's power structure. Granted a temporary release, Shan is soon pulled into the Tibetan people's desperate fight for its sacred mountains and the Chinese regime's blood-soaked policies. Then, a Buddhist priest is arrested, a man Shan knows is innocent. Now time is running out for Shan to find the real killer. *The Skull Mantra* is the winner of the 2000 Edgar Award for Best First Novel.

Sonchai Jitpleecheep—the brash and beguiling Royal Thai Police Force detective who has been our guide through John Burdett ' s five previous acclaimed Bangkok novels—is back. The former monk and devout Buddhist, forever battling to protect his karma from the assaults of morally compromising cases, is now faced with the most horrifying technological innovation to make its way to the streets of Bangkok, and a conspiracy of almost unfathomable reach. With Sonchai on this case is the young female inspector Krom. Like Sonchai, she ' s an outsider on the police force, but unlike him, she is socially savvy and a technological prodigy. When they ' re called to a demonstration—in the midst of a typhoon—of the deadly, superhuman strength of an American man who is seemingly controlled by a CIA operative, they have no idea what they ' re actually witnessing or why. Their reliably obtuse and unequivocally crooked boss, Colonel Vikorn, explains some of it, but the most telling questions remain unanswered: Could the Americans have figured out a way to create a physically and psychologically enhanced supersoldier? Are they testing him—or it—on Thai soil? And why is everyone, from the Bangkok police to the international community, so eager to turn a blind eye? Searching for the answers to these questions, Sonchai and Krom find themselves in a remote Cambodian jungle compound for aging American ex-soldiers, where they will discover just how far a government will go to protect its worst secrets—both past and present. But the case will also have much more personal repercussions for Sonchai, shaking his world to its very foundation and perhaps finally forcing him to confront his long-lost American father.
