Sermons on Suicide offers a variety of biblical texts, interpretations, literary references, medical insights, current statistics, personal illustrations, and practical suggestions by over a dozen preachers to help clergy deal with the challenging and

important subject of suicide.

This collection of sermons, from a broad spectrum of religious and theological perspectives, demonstrates that suicide, for all its complexity and all its negativism, can be treated in a positive, straightforward manner. Ministers from all religious groups will gain valuable insight from this informative resource, which serves as an excellent model for those who preach on suicide. It will also benefit anyone wanting to learn more about what religious leaders have thought, preached, and advocated over the centuries.

Europe's "Black Death"
contributed to the rise of

nation states, mercantile economies, and even the Reformation. Will the AIDS epidemic have similar dramatic effects on the social and political landscape of the twenty-first century? This readable volume looks at the impact of AIDS since its emergence and suggests its effects in the next decade, when a million or more Americans will likely die of the disease. The Social Impact of AIDS in the United States addresses

some of the most sensitive and controversial issues in the public debate over AIDS. This landmark book explores how AIDS has affected fundamental policies and practices in our major institutions, examining: How America's major religious organizations have dealt with sometimes conflicting values: the imperative of care for the sick versus traditional views of homosexuality and drug use. Hotly debated public health measures, such as

HIV antibody testing and screening, tracing of sexual contacts, and quarantine. The potential risk of HIV infection to and from health care workers. How AIDS activists have brought about major change in the way new drugs are brought to the marketplace. The impact of AIDS on community-based organizations, from volunteers caring for individuals to the highly political ACT-UP organization. Coping with HIV infection in prisons.

Two case studies shed light on HIV and the family relationship. One reports on some efforts to gain legal recognition for nonmarital relationships, and the other examines foster care programs for newborns with the HIV virus. A case study of New York City details how selected institutions interact to give what may be a picture of AIDS in the future. This clear and comprehensive presentation will be of interest to anyone

concerned about AIDS and its impact on the country: health professionals, sociologists, psychologists, advocates for at-risk populations, and interested individuals.

The Living Church

Westminster John Knox Press

Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's "Favorite Books of the Year" Oprah's Book Club Pick Named one of the

Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of the National Book Award-winning *The Good Lord Bird* and the bestselling modern classic *The Color of Water*, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause

Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of Deacon King Kong, James McBride's funny, moving novel and his first since his National Book Award-winning *The Good Lord Bird*. In *Deacon King Kong*, McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters—caught in the tumultuous swirl of 1960s New York—overlap in unexpected ways. When the truth does emerge, McBride shows us that not all secrets are meant to be hidden, that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as *The Good Lord Bird* and as emotionally honest as *The Color of Water*. Told with

insight and wit, Deacon King Kong demonstrates that love and faith live in all of us.

Examines the history of the participation of women in the Protestant Church and analyzes the present attitudes of the Church toward women clergy

A Pastor's Practical Guide to Funerals University Press of Kentucky

The Bishopric: A Handbook on Creating Episcopacy in the African-American

Pentecostal Church addresses the need for assistance and training for the proliferated Episcopacy within the African-American community.

Proceedings of the Bible Convention Harrison House

This straight-forward book integrates the pragmatic “how to” of the funeral process--especially in dealing with “difficult” funerals--with the art of being a caring and healing presence before, during, and after the funeral.

While conducting a funeral is one the great privileges of ministry, pastors must be skilled and ready to guide grieving family and friends through the process of saying goodbye and burying a loved one. With sample services, prayers, sermon themes, and Bible readings, this book will help pastors hear, name, and integrate relevant illustration into a respectful story of the deceased's life--a story that is appropriate to the particular circumstances of

each situation. Contents include: Preparing for Death; Caring through Anticipated Death; Caring through Sudden Death; Meeting with Family before the Funeral Service; Creating the Funeral Service; Creating the Funeral Sermon; and Following up with Grievers

**In Search of Paul:
Unleashing the Power of
Legendary Mentors in
Your Life**

This liturgical resource will help guide pastors and other church workers as

they help church members through the bereavement process. The Presbyterian Supplemental Liturgical Resource (SLT) series includes liturgies that were used on a trial basis in preparation for the development of the Book of Common Worship. Though superseded by the Book of Common Worship, SLR resources remain valuable, both for the variety of liturgical texts they contain and for the commentary on the text, which contains rich historical, theological, and practical background.

Abingdon Press
The Lutheran Witness
Raised as a Southern Baptist in Rome, Georgia, Susan M. Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville, Kentucky, was ordained a Southern Baptist minister, and prepared herself to lead a life of leadership and service among Southern Baptists. However, dramatic changes in both the makeup and the message of the Southern

Baptist Convention during the 1980s and 1990s (a period known among Southern Baptists as "the Controversy") caused Shaw and many other Southern Baptists, especially women, to reconsider their allegiances. In *God Speaks to Us, Too: Southern Baptist Women on Church, Home, and Society*, Shaw presents her own experiences, as well as those of over 150 other current and former Southern Baptist women, in order to examine the role, identity, and culture of women in the largest Protestant denomination in the country. The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery. Shaw sketches the history of the Southern Baptist faith from its formation, through its dramatic expansion following World War II, to the Controversy and its aftermath. The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention (the denomination's guiding body) with conservative and fundamentalist believers. Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation—or her own family—rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women, and church leadership remains overwhelmingly male as a result. Despite the vast

difference between the denomination's radical beginnings and its current position among the most conservative American denominations, freedom of conscience is still prized. Shaw identifies "soul competency," or the notion of a free soul that is responsible for its own decisions, as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine. These women are often perceived from without as submissive secondary citizens, but they

are actually powerful actors within their families and churches. *God Speaks to Us, Too* reveals that Southern Baptist women understand themselves as agents of their own lives, even though they locate their faith within the framework of a highly patriarchal institution. Shaw presents these women through their own words, and concludes that they believe strongly in their ability to discern the voice of God for themselves. *Journal of the House of Representatives of the United States*
What makes for good

preaching? In this accessible volume—written for preachers and preachers in training—pastor David Helm outlines what must be believed and accomplished to become a faithful expositor of God's Word. In addition to offering practical, step-by-step guidance for preachers, this short book will equip all of us to recognize good preaching when we hear it. Part of the *9Marks: Building Healthy Churches* series.
