Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The National Freemason Church House Publishing

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father

shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

[Save Yourself Some Pain](#)

When Evelyn Waugh wrote *The Loved One* (1948) as a satire of the elaborate preparations and memorialization of the dead taking place in his time, he had no way of knowing how technical and extraordinarily creative human funerary practices would become in the ensuing decades. In *Funeral Festivals* in

America, author Jacqueline S. Thursby explores how modern American funerals and their accompanying rituals have evolved into affairs that help the living with the healing process. Thursby suggests that there is irony in the festivities surrounding death. The typical American response to death often develops into a celebration that reestablishes links or strengthens ties between family members and friends. The increasingly important funerary banquet, for example, honors an often well-lived life in order to help survivors accept the change that death brings and to provide healing fellowship. At such celebrations and other forms of the traditional wake, participants often use humor to add another dimension to expressing both the personality of the deceased and their ties to a particular ethnic heritage. In her research and interviews, Thursby discovered the paramount importance of food as part of the funeral ritual. During times of loss, individuals want to be consoled, and this is often accomplished through the preparation and consumption of nourishing, comforting foods. In the Intermountain West, Funeral Potatoes, a potato-cheese casserole, has become an expectation at funeral meals; Muslim families often bring honey flavored fruits and vegetables to the funeral table for their consoling familiarity; and many Mexican Americans continue the tradition of tamale making as a way to bring people together to talk, to share memories, and to simply enjoy being together. Funeral Festivals in America examines rituals for loved ones separated by death, frivolities surrounding death, funeral foods and feasts, post-funeral rites, and personalized memorials and grave markers. Thursby concludes that though Americans come from many different cultural traditions, they deal with death in a largely similar approach. They emphasize unity and embrace

rites that soothe the distress of death as a way to heal and move forward.
